A Sleeping Music Teacher.

A man, giving his name as W. G. Stewart, has been in Charleston some five or six weeks past pretending to be a teacher of music, and agent for the sale of musical instruments generally. The News says he left that city on Monday last in a suspicious manner, on the Northeastern Railroad, and will probably locate himself at Wilmington or vicinity. On his departure he left a note for his landlord, excusing himself for not paying his board bill, which had remained unsettled for four weeks, after various promises, which he probably never intended to fulfill.

The Drawing.

At a meeting of the College of Physicians and Surgeons, held last evening, it was determined to employ an Agent to forward the interests of the Lottery scheme for the benefit of the College, who will be expected to devote his whole time and energies to the work. Due notice will be given of the time when the drawing will take place as soon as the necessary arrangements are made with the Agent. We hope our citizens generally will interest themselves in the matter, as the enterprise is one of great public importance.

Taken to Weldon.

Mr. A. B. Perse, of Weldon, the owner of the watch stolen at that place on Wednesday night last, and which was subsequently found in the possession of John Anderson, who was arrested at Rocky Point on Thursday, brought to the city and lodged in the Guard House, arrived here yesterday for the purpose of taking the prisoner to Weldon, he having been deputized by a Magistrate of Halifax to do so. The watch was delivered over to Mr. Perse and he and his prisoner started for home yesterday afternoon.

Star Book Bindery.

The attention of the public is called to the superior facilities we now have for executing cheaply, promptly and skillfully all kinds of Binding and Binding. Our business in this department has steadily increased, an evidence that we have not labored in vain in our effort to establish a Book Bindery equal to the demands of our growing city. But we are determined to do still more; and as our business grows so will our facilities be increased. Give us a trial.

President - T. G. Pickett.
Vice President - C. B. Russell.
Secretary - M. P. Russell.
Treasurer - E. F. Cooney.
Editor - H. W. Finlayson.

Cheese Club.

At a meeting of a number of the gentlemen of this city, held at the rooms of the Library Association, last night, a Cheese Club was organized, and the following officers elected:
President - G. W. Jewett.
Vice President - J. H. Davis.
Secretary and Treasurer - John J. Fowler.
A Committee on Constitution and By-Laws, consisting of Col. W. L. Smith and Messrs. Wm. Larkins and Josh. T. James, was appointed, after which the meeting adjourned until Friday evening next, the 20th inst., when the Committee is expected to report.

The indestructible Tag.

The indestructible Tag is a great convenience to merchants. It shows the combined purpose of a direction label and business card. Call at the Star Printing and Publishing House and supply yourselves.

MORNING STAR.

Vol. X - No. 79. WILMINGTON, N. C., SATURDAY, JUNE 22, 1872. Whole No. 1,493

- To-day is said to be the longest day in the year.
- Very few mosquitoes have made their appearance as yet.

- We were glad to see Capt. Walter Furlong on our streets yesterday.

- The first green corn of the season appeared in the Brooklyn market yesterday.

- "Col." Geo. M. Arnold and Judge Settle were to address the people of Milton last night.

- Mr. W. H. Hill is acting as local agent for the Wilmington North Carolina Life Insurance Company in Greensboro.

- The Queen City Circus, animal and balloon show is making its way in this direction. It will be in Petersburg on Friday next.

- Shipping Articles, Crew Lists, Manifests and Charter Parties, etc., constantly on hand and for sale at the Star Printing and Publishing House.

- The sad spectacle of a well dressed white man, dead drunk and being taken to the Guard House in one of the city carts, was witnessed yesterday afternoon.

- The Rev. Geo. Patterson, Rector of St. John's church, will officiate and preach in St. Mark's church Sunday, June 23d, at 5 o'clock P. M. The public are invited. Seats free.

- "Lemonade Jim" Clark, who believes in dabbling in the Cape Fear instead of politics, fished up a handsome double case gold watch yesterday. The works are somewhat rusty, but the watch for all that is a valuable one.

- The only case disposed of by the Mayor's Court yesterday morning was that of Ham Hellen, charged with creating a disturbance and assault and battery. He was found guilty and required to pay a penalty of \$5 and costs. One case was continued over.

- One of the oldest and most respected colored men of the city stated yesterday that he attended one of the ward meetings on Thursday night, but if the Lord would forgive him this time he would never do so any more. He was sufficiently amused.

- The delegates of Holly Township to the Republican County Convention are Samuel Hill, Alfred Mashburn and Owen Carr. Those in Holden Township, where there was a tie, and the Chair had the appointment, are J. Johnson, John Gordon and Thomas Lewis.

- After the adjournment of the Ward meetings on Thursday night, a number of the participants, having probably imbibed too freely, alarmed the residents in the vicinity of Second and Nun streets by shouting fire and making other noisy demonstrations.

- Foreign advertising may be done through the Star Advertising Agency more economically than by negotiating direct with publishers. The labor of writing and copying advertisements, expense of postage, stationery, &c., may all be saved by contracting with this Agency.

Orton Plantation.

This valuable plantation, with lands adjacent thereto, containing 9,026 acres, will be sold at auction, by Messrs. Cronly & Morris, Auctioneers, on Thursday, August 22nd. This plantation is located in the county of Brunswick, about fifteen miles below this city. It was valued before the war at \$100,000, but will be sold now at a great sacrifice. See advertisement in this issue.

An Excursion to Charleston.

An excursion party, consisting of about thirty-five of the colored Masons of this city, together with a number of other colored people, will leave on the afternoon train to-day for Charleston, where the former go, in response to an invitation, to participate in a grand colored Masonic jubilee in that place on Monday.

A Simple Remedy.

Asparagus is said to be a valuable medicinal agent in cases of rheumatism and gout. Slight cases of rheumatism are cured in a few days by feeding on this delicious esculent, and more chronic cases are much relieved, especially if the patient carefully avoids all acids, whether in food or beverage.

Assault and Battery.

A colored woman by the name of Elsie Taylor, charged with an assault and battery on the person of another colored woman, by the name of Mary J. Hines, was arrested by Officer Hill, yesterday morning, and taken before Justice Wm. McLean, who discharged the defendant on the payment of costs.

Our Chip Basket.

- A few vices will often obscure many virtues.
- Gullies are ever suspicious, and always in fear.
- A knowledge of our weakness creates in us charity to others.
- There is no fault in poverty, but the minds that think so are faulty.
- The great essentials to happiness are: something to do, something to love, and something to hope for.

A fellow who had been rejected by a very pretty girl, was heard to say that in his opinion the "Beautiful No" was a poor poem.

- The growing tendency of women to adopt grave pursuits is exemplified in a female sexton of a Chicago church.

- If you wish success in life, make perseverance your bosom friend, experience your own counsellor, caution your elder brother, and hope your guardian genius.

- The wife is the sun of the social system. Unless she attracts there is nothing to keep heavy bodies, like husbands, from flying off into space.

- Newly-married daughter: "How long does the honeymoon last, mama?" Practical parent: "Until you ask your husband for some money, my dear."

- Shipping articles for sale at the office of the MORNING STAR.

HOTEL ARRIVALS.

National Hotel, E. Jones, Proprietor - June 21 - Alex. Meade, Argyle, Robeson county; H. S. Smith, N. C., on Thursday, August 22d, 1872. In addition to that official sanction, the still more valuable stamp of public approbation. This estimable voucher of its rare properties as a Tonic, Corrective and Alternative, is of much earlier date than the Government credential; for millions of sick persons had pronounced it the Grand Specific of the Age long before Congress thought of taxing proprietary medicines. It is unnecessary to repeat, in detail, the properties of this wonderful Vegetable Invigorant. The best reference that can be offered to those who desire the full particulars of its virtues, is the Standard Ask. Those who have tried it as a remedy for dyspepsia, constipation, biliousness, intermittent fever, nervous debility, rheumatism, sea sickness, low spirits or loss of vital power, what Plantation Bitters has done for them, and be governed by the response they make to your inquiries.
