P. G. John Shoier was elected as representative to the Grand Lodge, which meets in Raleigh on the 17th of this month.

K. K. Council.
We call the attention of the voters of Brunswick and Bladen counties to the card of their old and well known fellow citizen K. K. Council, Esq., the regularly nominated Conservative candidate for the State Senate in the 13th District. Mr. Council is a plain, honest farmer, of excellent sound, practical sense, and is universally esteemed by all know him. He expects to commence the canvass of Brunswick county on Monday, the 8th instant, and will be on the war path from that time until the day of election. The result of the contest in the 13th District will be that Mr. Council will go to the Senate, while his competitor, Mr. Hill, will continue to teach school.

The Lecture To-Night.
Don't forget the lecture of George Francis Train, which takes place at the Opera House this evening. The lecturer is in many respects a remarkable man and we take it for granted that the public curiosity to see and hear him will be sufficiently strong to ensure a crowded house. He lectured in Savannah on the 29th and 30th ults, to full houses. On the 5th he has an appointment at Petersburg.

Target Shooting, &c., To-day.
We are requested to state that the members of the Wilmington Rifle Guards will meet at the Armory Room this morning at 7 o'clock. The target shooting for prizes will take place at Greenfield, just South of the city, commencing at 9 o'clock. The judges are Fred. Howe, G. L. Mahson, J. W. Schenck, Jr., and Geo. W. Price, Jr.

Henry Wilson.
A letter was received in this city yesterday announcing the fact that Senator Henry Wilson, of Massachusetts, the candidate for Vice President of the United States on the Grant ticket, will visit this city about the last of this month.

Important Meeting.
We are requested to state that there will be a meeting of the Executive Committee, including the Associate members of the Cape Fear Agricultural Association, held in the Railroad office over the First National Bank, at 9 o'clock Friday evening.

MORNING STAR

Vol. X—No. 89. WILMINGTON, N. C., THURSDAY, JULY 4, 1872. Whole No. 1,493

Local Notes.
—All the city offices will be closed to-day.
—The county offices will all be closed to-day.

—Very little abatement in the intensity of the heat yesterday.
The Post Office will be open to-day from 7 A. M. until 8 1/2 A. M.

—There will be no paper issued from this office to-morrow.
—Judging from every indication there will be innumerable sound parties to-day.

—To-day commences the 97th year of American Independence. "Let us have peace!"
—Still no business for the City Court, and no session of that tribunal yesterday morning.

—Many of the pleasure seekers who are unable to leave the city to-day will resort to the Wilmington Garden.
—Superior Court adjourned yesterday until 10 o'clock to-morrow morning, out of respect to the "glorious fourth."

—Acting Mayor Brink has issued his proclamation recommending, as far as practicable, a general suspension of business to-day.
—We have advices from several Townships in this county indicating a very determined and formidable opposition to the Rocky Point ticket.

—Residents North of Market Street speak favorably of the manner in which the street lamps in that section of the city are now attended to.

—The steamer Gov. Worth will leave the wharf foot of Market street this morning at 8 o'clock for an excursion to Smithville and the Forts below.

—The Phoenix says ample arrangements have been made for the reception and entertainment of the colored excursionists from this city to Columbia.

—A gentleman from the neighborhood of Rocky Point, in this county, informs us that the crops in that section are suffering materially for want of rain.

—There was a fine rain Tuesday night along the line of the Wilmington, Charlotte and Rutherford Railroad. The crops in that section are excellent.

—A man by the name of White, residing near Long Creek, in this county, had both legs broken a few days since by falling from a mulberry tree which he was in the act of climbing.

—The display of rockets and fire-crackers last night reminded us that the "glorious fourth" was near at hand. We hope no accident may happen to mar the pleasure of the boys to-day.

—We noticed posters on the walls and fences yesterday announcing a grand Republican ratification meeting to come off at the City Hall on Friday evening, which will be addressed by Abbott, McKay, Cantwell, Schenck, Heaton and others.

—Capt. T. C. Lewis, at his place on South Water street, received his first invoice of peaches for the season yesterday. They came from the neighborhood of Sumter and are truly delicious. Capt. L. will keep a constant supply of this favorite fruit on hand during the Summer.

Owner Found.
Some two or three weeks since we mentioned the arrest of two colored men, charged with purloining three fine overcoats. Since that time ineffectual efforts have been made to find the owner of the garments, and finally, when the attempt was about to be abandoned, it was accidentally discovered that they were the property of Mr. T. C. Servoss, City Clerk and Treasurer, they having been stolen from his residence. Having no use for the coats during the heated term, he had not missed them, and it was only through finding his name in the lining that he was so fortunate as to recover them.

Our Chip Basket.
—It is a bad sign to be skillful in apologies.
—Moving for a new trial—Popping to Mrs. No. 2.

—A Detroit picture dealer says the hardest work he has to do is to frame excuses.
—A lady entered a drug store and asked for a bottle of "Jane's Experience." The clerk informed her that Jane hadn't bottled her experience yet, but they could furnish "Jayne's Expectant."

—"What is that, children?" asked a young pastor, exhibiting to his Sunday school a magic lantern picture of a poor sinner, clinging to the cross towering out of stormy waves in mid ocean. "Robinson Crusoe!" was the instant reply.

—A toll-gate keeper in Virginia was lately brought before a magistrate for cruelty to his daughter, occasioned by her allowing her lover to drive through the gate free when she had charge of it. Like one of Shakespeare's heroines, "She never 'toll'd' her love."

—"Little Boy—"I don't like you, Mr. Brown; my mamma says you are a regular sneak."
Mamma—"Good gracious, James, what can induce you to tell such a story? I confess to saying, 'What a pity such a noble-hearted man as Mr. Brown has turned out such a regular cynic!'"

—A small boy arose at a Sunday school concert and began quite glibly: "A certain man went down from Jerusalem to Jericho and fell—and fell." Here his memory began to fail him. "And—and fell by the roadside, and the thorns sprang up and choked him."

COUNTY CONVENTION.
Pursuant to a resolution adopted at its first session, I give notice that the Convention of the Democratic Conservative party of New Hanover will assemble at the Court House in Wilmington, on Friday, July 16th, at 11 o'clock A. M.

TO THE CITIZEN OF BRUNSWICK AND BLADEN COUNTIES.

At a convention called by the citizens of Brunswick and Bladen counties, to select a suitable person to represent said District in the Senate, held on Saturday, the 29th of June, in the school-room of the Masonic Hall at Black Rock, near the line dividing said counties, the convention was called to order by the Chairman, Salter Lloyd, Esq., the only business before the convention being to nominate a gentleman to fill the vacancy made by the declination of the sterling patriot and competent gentleman, Col. John D. Taylor.

The convention decided unanimously that I should undertake the task; and, personally, I would rather have selected another more competent than myself. This I readily admit might have been done.

Though I do challenge scandal through a life of manhood of about 35 years, and further I have to say to my fellow citizens, and countrymen, that I have never been a seeker for this position; but since I have been put forth by my friends, and having accepted the place, I pledge myself to use all honorable means to secure my election and should I be seated as Senator in the ensuing session of the State Legislature I promise to make every effort to promote the best interest of the mass of my constituents and this State.

Now, gentlemen, I will add but little more as the time between this and election day is short, I publish this Card as it may reach the hands and eyes of many of my fellow-citizens, and friends whom it will be impossible for me to see. And as I am the cause and the cause is me, K. K. C. is not the consideration, but the cause. Therefore all who favor the grand movement now on foot for the advancement of honest legislation and fair play to all men will come up to the help and put their shoulder to the wheel, and a strong pull and a pull altogether will lift the wagon out of the mire. I am, gentlemen, your obedient servant,

K. K. COUNCIL.
BLADEN COUNTY, N. C.

SPIRITS OF TURPENTINE.

—The editor of the Charlotte Observer is quite ill.
—The supply of mosquitoes in Raleigh is unprecedentedly large.

—The typos of Raleigh have a grand excursion to Kittrell's Springs to-day.
—D. W. Courts, Esq., of Rockingham, formerly State Treasurer, is in Raleigh.

—Maj. Seaton Gales, of Raleigh, delivers an address to the Odd Fellows of Norfolk to-day.
—Mr. Robert J. Vinson, of Halifax, aged 50, died on Saturday last of pulmonary consumption.

—An old lady in Weldon has just made a bed quilt containing 11,334 pieces. So says the News.
—Press dispatches have been discontinued by the Charlotte Dispatch and Observer until further notice.

—The Sentinel understands that T. M. Argo is urging his claims to be appointed to the vacancy on the Supreme Court bench.

—The Raleigh News has been shown the model of a beautiful piece of statuary, the production of a young lady of Washington, N. C.

—The proprietor of the Sparkling Catawba Springs has invited our future President (Horace Greeley) to sojourn for the season at that delightful and efficacious summer resort.

—The Weldon News says: A terrible hail storm visited this section last Sunday, destroying all vegetation in its course. Corn and cotton were injured very much—in some places cotton being torn up by the roots.

—The Sentinel of Wednesday says: Judge Merrimon, our popular candidate for Governor, returned to this city yesterday morning after a brilliant and successful canvass in the West. Everywhere the Judge went he aroused great enthusiasm.

—A distinguished friend living in Western Carolina writes the Raleigh Sentinel the following cheering news about the crops. He says: "From all quarters the reports were that such crops of wheat have not been gathered in many, some said, in twenty years. The prospects for corn and cotton also make the hearts of farmers glad."

"BILIOUS."
If you feel dull, drowsy, debilitated, despondent, have frequent headache, mouth tastes badly in morning, irregular appetite and tongue coated, you are suffering from TORPID LIVER or "BILIOUSNESS." In many cases of "Liver Complaint" only a part of these symptoms are experienced. As a remedy for all such cases, Dr. Pierce's Golden Medical Discovery has no equal, as it effects perfect cures, leaving the liver strengthened and healthy. Sold by all first-class Druggists.

How Unnecessary the Anguish many persons undergo from rheumatism, gout, neuralgia, toothache and earache. We say unnecessary because the application of MEDICAL MUSTANG LINIMENT to the affected part, or a few drops of it in the ears or tooth, affords instant relief. For cuts, wounds, bruises, swellings, and all injuries or diseases which require treatment externally, this liniment is everywhere regarded as the most potent and reliable healing agent in existence. For all external injuries, it is infallible.
