AN ADDRESS TO THE PEOPLE OF NORTH CAROLINA.

FELLOW CITIZENS:—We address you as Democrats and Conservatives—as Liberal Republicans, as honest men of whatever name or party, friends of republican liberty and good government:

The great political contest in this State is about to close. It has been ardently and zealously fought on both sides.

On the one side, you see all the power and official influence of the State and Federal Government through their vast horde of office-holders, of every kind and degree brought into active and unscrupulous use to sustain themselves in control of the money and immense patronage of the government, not for the benefit of the people who pay the taxes, but for themselves and the worst partisan purpose.

In this State, we have witnessed even the unpatriotic and indecent exhibition of Cabinet ministers on the hustings for the avowed purpose of affecting the result of our election in August as well as that throughout the Union in November, in their own favor, thus directly bringing "the patronage of the government in conflict with the freedom of elections."

On the other side are rallied the friends of freedom, of honest, faithful, intelligent administration of public affairs, of economy and official integrity, of education for all the people, of sound public credit, of law and order, of local self-government, of real civil reform, of universal amnesty and unity, and of all the safe guards of civil liberty, for all alike, of whatever race or color.

In this great struggle, we are battling for these high and essential principles of free government against dishonesty in the public service, against fraud, corruption and peculation in every department of the government, against ignorance and notorious official incapacity, against reckless disregard of the laws and Constitution of the land, against centralization of all the powers of the government and the absorption of all the reserved rights of the States of the Union, and of the people through a threatened civil and military despotism at these are the imminent dangers which surround us.

In the contest we will not doubt the decision of the people of this State on the 1st of August. This decision will not only affect in this State for years to come, but indirectly and morally that of the whole Union. The vote of August here will influence, in a greater or less degree, that of the Union in November.

We, therefore, urge every true-hearted North Carolinian to do his whole duty in this battle for freedom, for real peace and

good will between all the sections and especially for the prosperity and happiness of our own people.

We are in a position to assure you, from full and undoubted information, that if this is done, a glorious victory awaits our cause on Thursday next.

The news from every quarter of the State is full of cheer and encouragement for our friends. Let every one of us, then, do his whole duty. Be active and earnest. Be calm but vigilant. Let there be no disorder, no violence, but let every one see, each for the other, that his rights are maintained at the ballot box.

Let every citizen, entitled to vote, be free and unmolested in the independent exercise of this high privilege. See that no illegal vote be given, and that every violation of the law is punished by due process of law. Look out for attempts at intimidation and gross frauds on the part of our adversaries. Challenge every illegal or doubtful vote. Examine closely the registration books. See that you have the right ticket and put it in the right place. See that all our friends vote in their respective townships. Work from now till and on the day of election. Stand firm, shoulder to shoulder, in defence of your rights; and the sun will go down on a glorious triumph for our cause—for free principles and good government, when it sets on the 1st of August. Let every friend of our noble cause and of our good old State do his whole duty in this great contest for the liberty of the people and all will be right.

D. M. BARRINGER, Ch'm. Dem. Con. State Ex. Com.

W. S. MASON, Ch'm. Lib. Rep. State Ex. Com.

Read and circulate, and vote the State ticket, headed for Governor A. S. Merrimon, &c.

Raleigh, July 29th, 1872.

ONLY ONE DAY IN WHICH TO REGISTER.

POOL'S PLOT.

THE FLUNDERERS PLOTTING—JOHN POOL, THE FERPIDIOUS, CHIEF OF THE CABAL—THE STATE TO BE CARRIED AT ALL HAZARDS—LYING, TREACHERY, STUFFING, IMPORTATION, DOUBLE REGISTRATION, THREATENING, INTIMIDATION BY ARRESTS. THE QUARTER MILLION BILLED UPON—THE SLEEK SCOUNDREL OUT MACHIAVELLIS MACHIAVELL.

The State of North Carolina, says perfidious John Pool, must vote for Caldwell.

There is a Radical cabal in this State headed by the traitorous Senator. He is the father of all the infernal plots set on foot to carry the election for the Radicals.

From his den in Raleigh, the Machiavel of North Carolina sends out his spies, circulars, addresses—an array of witnesses to his enormous villainy. They go to all parts of the State. Where the people are ignorant, where Conservative canvassers and documents rarely reach, then there old Serpent of the Nile leaves his slime. It is death to the people to listen to his siren song. But some doubtless will listen and fall by the way.

Pool's plots, though, will fail. He cannot, with all his threats, with all his bribes, with all his lying, with all his slyness and deception, with even the bayonet, defeat Caldwell and the Radical State ticket, if the people will just feel the importance of voting and go to the polls to-morrow.

Pool's plot embraces, among others, the following means of carrying the election: Deceptive, plausible argument, Out and out, shameless lying, False registration, Stuffing the ballot boxes, Importation of voters, Buying up votes, Threatening, Actual intimidation, Warrants on day of election for the arrest of Conservatives.

This is only a part of their damnable programme, as revealed by a Charlotte correspondent.

Shall John Pool, the ingrate, the purrurer, the murderer at heart, the moral leper, the Judas Iscariot, the cold-blooded viper, the devilish monster, succeed in his infernal work?

People of the East, say to-morrow in thunder tones that he shall be utterly defeated in his programme. You—Western brethren are waging a good fight. They will give an excellent account of themselves on Thursday. Let us do what is in our power to put down John Pool and his Tartar horde.

Break down his programme. Tear his grand plot into a thousand pieces. Drown the appetite as a flood of ballots. Register to-day and vote to-morrow. This is your greatest earthly duty.

REGISTER TO-DAY.

DON'T BE AFRAID TO VOTE. Vote as you please. Do not fear to register, if you have the right, and vote. No man has the right to interfere with your suffrage.

WATCH AND WORK TO-DAY.

FRAUDS IN REGISTRATION. Look out for them. Our enemy is thoroughly unscrupulous and in his desperation will resort to all manner of deception and frauds. Guard against all false registrations.

ARMS ON THE WAY.

THE STATE ARSENAL REPLENISHED ON THE EVE OF AN IMPORTANT ELECTION—THIS AND THAT TAKEN TOGETHER SEEM TO MAKE OUT A CASE OF FORCE—READ THIS.

A special dispatch from Charlotte to the Washington Patriot conveys the following startling information.

Let every freeman read it. If this does not stir the fever in the blood of ages And make the infant's sinews strong as steel, no species of damnableness is capable of so much energy.

Conservatives of Wilmington and New Hanover, citizens of North Carolina! read this story of dark and designing villainy. The worst plot yet concocted attains not in "bad emicence" to this diabolical threat of the Terrorists. They cannot carry out their scheme, but the intention is the same. They mean the worst, if they are unable to make the worst succeed.

Here is the telegram: "There is a rumor here that a large number of arms had been shipped from the Springfield Armory to this State; presumably addressed to the State Arsenal. I am well satisfied, however, that they have not yet arrived; but they may be still en route. The rumor, however, is credited here, which is no wonder in view of the other rascalities and terrorism to which we have been subjected, which it is the chief object and purpose of the present Administration to perpetuate, by means fair or foul. The arsenal is under surveillance, however, and if any arms arrive and are brought there, by day or by night, you shall be informed. It will not be the first time Grant has substituted the bullet for the ballot."

BE SURE YOU REGISTER TO-DAY.

THE ARREST SYSTEM—HOW THE THING IS TO BE DONE. Read this. Don't skip it. See the monstrous villainy of the Radicals. See how desperate they are.

It is taken from an article in the Washington Patriot. Read it: HOW IT IS TO BE DONE.

A noted Southern Radical politician was yesterday heard detailing the plan by which they hoped to carry North Carolina in the coming election. Acknowledging the overwhelming majority that would be cast against them if an honest election was held, he said it was proposed to appoint large numbers of special sheriffs, and furnish them with warrants, signed in blank, to be filled up as occasion required. Armed with these warrants, the deputies were to arrest such persons, and in such numbers as would intimidate legitimate voters, and leave the control of the polls in their own hands, so that they could arrange things to suit themselves and insure the success of the Radical ticket. A knowledge of this scheme is doubtless what emboldens certain Radicals to wager that the State will—in spite of the known large majority against them—go for the Radicals at the coming election.

IF THERE BE COLORED MEN WHO WISH TO VOTE THE CONSERVATIVE TICKET, THEY MUST BE ALLOWED TO DO SO UNMOLESTED.

USE YOUR EYES. Don't be cheated. Don't let any South Carolina people vote in our election.

The Radicals are playing the old colonization rascality. Watch the conspirators. Let every man exercise his right of challenge.

Don't be cheated out of this election. We have an undoubted majority in North Carolina. Don't permit that majority to be dissipated by South Carolina fraudulent votes. Watch the registration books. Watch the polls. Watch and Work. Use your eyes. Don't be cheated. Use your eyes. Watch and Work.

Merrimon and Liberty!

VOTE THE CONSERVATIVE TICKET.

SCHURZ AT GREENSBORO. Senator Schurz made one of his most eloquent addresses at Greensboro last Saturday.

He said he was working for the liberation of the white race. The Grant administration was endeavoring to retain power by inflaming the public minds and reopening old wounds. The South accepted Greeley because that distinguished and generous man would bring harmony and restore a fraternal feeling between North and South, because he was opposed to central despotism and was in favor of local liberty and the rights of the people under the constitution.

Senator Schurz advised the Southern people to see that the laws were respected and peace and order maintained, without invoking Federal assistance.

Mr. Schurz writes from Raleigh: "We are in high hopes of the result on Thursday next. All the indications are that we shall sweep the State."

KEEP YOUR EYE ON SOUTH CAROLINA.

There is a plot to swamp you, Conservatives, with hundreds and thousands of Radical negroes from South Carolina. Balk the plot. Watch the leaders. Don't let them deceive you. South Carolina negroes have no right to vote in our election. Keep your eye on South Carolina. Be sure you use your eyes. It is all important. Use them today. Let none register who is not entitled to vote. Watch the plotting Radicals. Prevent frauds to-day in registration. Don't let us be cheated out of this election.

We have a large majority, if the election is fair. Watch the registration to-day. Watch the polls to-morrow. You may challenge to-day. And to-morrow. Any man may challenge. You ought to challenge all illegal votes. Challenge. Watch and work. That is the motto for to-day.

NOW OR NEVER! TO-DAY! REGISTER!!!

FRAUDS! FRAUDS! FRAUDS!!! Two hundred and eighty-five negroes have been challenged in one township in Wake county. Look out for false registration! Two hundred and twenty-nine negroes are challenged in one township in Halifax county. Look out for false registration! Use your right of challenge. Let no man register and vote who is under age, or who is not a citizen of the county and State. Use your eyes and your knowledge. Prevent Radical frauds. The Radicals have systematized frauds and rascality.

Watch the registration books. Watch the polls to-morrow. Challenge all illegal voters. Don't let us be beaten by fraud. Watch the registration. Watch the polls. Watch and work.

Don't pay heed to Pool's circulars. They are arrant falsehoods.

LET EVERY CONSERVATIVE REGISTER TO-DAY.

To-day is your last chance. If you do not register to-day, you cannot vote in this election. Be sure to register, so that you may vote. Every vote is help for the cause of honesty, truth and right. Every vote assists in the great work of saving North Carolina. Every vote aids Greeley in restoring constitutional government to the country. Register to-day while it is time. Register! Conservatives! Register! Register!!! Register to-day. Register this morning.

WATCH IN EVERY WARD!

TO-DAY. Register to-day. You cannot register to-morrow. If you do not register to-day, you can not vote to-morrow. It will be a shame if you do not register. Every Conservative ought to register. Register to-day. Register in time. Register to-day. You cannot register to-morrow. TO-DAY! TO-DAY! REGISTER TO-DAY!

ONLY ONE DAY.

Just one! Work to-day! It is work or defeat! One day till the election! Work to-day! To-morrow, victory! Work to-day and to-morrow! But don't put it off! Work to-day! Only one day! Only one day till election!

VOTE FOR WADDELL.

Alfred M. Waddell is the man for Congress. Vote for A. M. Waddell. Alfred M. Waddell is an abler man than Neill McKay. Vote for A. M. Waddell. Alfred M. Waddell is a better man than Neill McKay. Vote for A. M. Waddell. Alfred M. Waddell has done more for the people than Neill McKay. Vote for A. M. Waddell. Register to-day, if you have not already done so, and VOTE FOR ALFRED M. WADDELL.

A vote for Merrimon is a vote for Law and Order and Peace. It is a vote to preserve the honor, unsullied and pure, of your beloved State. It is a vote to save your State from the clutch of the spoiler, with whom you got slightly acquainted in '68 of ineffaceable memory.

Merrimon will make a better Governor than Caldwell.

Colored men who don't go with the Radicals are the best friends for the Conservative cause.

No intimidation. Every man is a free man.

The Merrimon and Concord. The Merrimon and the situation of the State. Merrimon is a consistent Union man. Let colored men vote the Conservative ticket, feeling satisfied about all their rights. Merrimon is a friend of the colored race. Merrimon's record is unimpeachable. The Merrimon and Peace.

WARD CHALLENGERS, WATCH!

The captain and a portion of the crew have reached Charleston. Two of the seamen were drowned. William Garvey and Thomas Stark, two white sailors, escaped from the Charleston jail on Friday night last. The Columbia Phantix says: "J. A. Boswell, late postmaster at Camden, S.
