CHEERING NEWS!

MERRIMON'S SUCCESS CERTAIN!

A TWO-THIRDS MAJORITY IN EACH HOUSE EXPECTED!

MERRIMON CLAIMS HIS ELECTION BY 10,000.

Let Every Conservative Do His Duty and the Day is Ours!

[Special Telegram to the Morning Star.]

RALEIGH, July 31st, 1872.

From all the points heard from the news is very satisfactory. Additional registrations throughout the State render our success certain. We expect a two-thirds majority in each House of the Legislature and will elect Merrimon by a handsome majority. Judge Merrimon himself claims the election by TEN THOUSAND. A great victory awaits our people. Will telegraph returns as soon as received.

B.

How it Happened.

We are requested by Mr. C. Simmons to state that his wife, Mrs. Catharine Simmons, who was the lady said to have died suddenly at the residence of Mrs. Rowe, on Walnut, between Fourth and Fifth streets, on Tuesday morning, had been suffering from the disease with which she died for about five years, and that her death was not unexpected. Some one of the family was almost constantly in the room, and but a few minutes before the physician arrived and found her dead one of them had entered from the adjoining room and found her apparently sleeping. The fact of deceased having expired while no one was in the room was owing to no neglect or indifference on the part of any one, but solely to the peculiar condition she was in, which rendered her liable to go off at any moment. Mrs. Simmons was about 48 years of age.

Imported Voters.

The train on the Wil., Columbia and Augusta road, yesterday, brought down between thirty-five and forty colored men from Columbia, Florence and other points, who doubtless came here for the purpose of voting in this election. We warn them to keep away from the polls, unless they can prove their right to cast their votes here, as they are known, and any attempt at fraudulent voting on their part will subject each and every one of them to a heavy penalty.

Let our challengers in every Ward and precinct be on their guard.

Mortuary.

There were 11 interments last month in Oakdale Cemetery. Of these 9 were children and 2 adults—3 males, 4 females and 4 not stated. The diseases were heart disease, 1; congestive chill, 1; measles, 1; spasms, 1; lingering illness, 1; still born, 2; not given, 4. The ages were 5 days, 18 months, 2 years, 3 years, 11 years, 12 years, 48 years, 74 years. Of the above 2 were brought here from other places for interment.

Challengers.

The following gentlemen are expected to act as challengers in the Second Ward: James F. Post, W. N. Bowden, Henry Haar, Jr., Wm. L. Smith, James T. Petteway.

Cols. Roger Moore and J. W. Atkinson have been selected as additional challengers in the Fourth Ward.

Close Up.

We hope our business men generally will see the importance of suspending operations to-day for the purpose of allowing themselves and their employees an opportunity of working for the Conservative cause. It will surely not be considered too great a sacrifice in view of the great interests at stake.

Another New Dodge.

We have it on the best of authority that the two Registrars of the First Ward were ordered yesterday evening, by Marshal Canaday and Alderman Brink, to keep the books open until 9 o'clock at night.

—Noble county, Indiana, claims the meanest woman in the State. She charged her sister, who came to visit her from a distance, and stayed a week, for her board during her stay.

Local Dots.

—All quiet in Robeson.

—Go to the polls early and vote right.

—Be sure you put in a vote for Alfred M Waddell.

—Greeley badges are becoming fashionable in this city.

—Let "Merrimon and Victory" be your slogan to-day.

—Let every Conservative vote in the city be polled to-day.

—Don't procrastinate, but vote at once and get it off your mind.

—Look out for the colored carpet baggers from South Caroline.

—The Rads had their last "blow out" at the City Hall last night. Rather tame!

—All who desire the election of Greeley and Brown should vote with the Conservatives to-day.

—Watch the polls and see that no South Carolina voters are allowed to exercise their franchise here.

—The regular monthly meeting of the Wilmington S. F. E. Company will be held this evening at 8 o'clock.

—The Democratic Legislature in one year saved over four hundred thousand dollars in the annual expenses of the Government.

—We learn that the crops all along the line of the Wilmington, Charlotte and Rutherford Railroad are the finest that has been known for years.

—Our friends cannot be too vigilant. Let every man, Radical as well as Democrat, who ought to vote do so; but see to it that no illegal vote is cast.

—There were only 21 marriage licenses issued in this county during the week ending yesterday, of which 5 were for white and 16 for colored couples.

—The only case before the Mayor's Court yesterday morning was that of Samuel Merrick, charged with attempting to set fire to a house. The case was dismissed.

—The City Clerk and Treasurer gives notice in another column that the city tax books for 1872 on real and personal property and poll tax are now in his hands for collection.

—The Radical candidate for Governor wants the great writ of *habeas corpus* suspended in the South. This is puting the military over the civil law. This is depriving freemen of the right of trial by jury.

—Look not upon the watermelon when it is red, nor upon the stewed cherry when it giveth its color in the cup; at the last it biteth like a soft shell crab and stingeth like the cholera morbus.

—The Mechanics' Hose Company was in a fair way to be initiated when the alarm of fire was sounded Tuesday night. They had their reel as far as Seventh and Market streets when the bell stopped and was making good time.

—The Ku Klux war has been resumed. The citizens of the State are being arrested on the eve of the election by Deputy United States Mashals, and the *Era*, the organ of the Radical party in North Carolina, boasts of the fact.

—We neglected to call attention to the fact, as announced in our last issue, that David E. Bunting, Esq., had declared himself an independent condidate for the office of Register of Deeds. Mr. Bunting has had an experience of four years in the position to which he now aspires and would doubtless make an efficient officer.

Our Chip Basket.

—Beauties often die old maids. They set such a value on themselves, that they don't find a purchaser before the market is closed.

—A Saratoga belle has hair that reaches nearly to the ground. This flower of fashion might, therefore, be appropriately called a hare-bell.

—Dr. Franklin says that "every little fragment of the day should be saved." The moment the day breaks, set yourself at once to save the pieces.

—One thousand blank warrants of arrest have been sent from Washington City to the United States Marshal of North Carolina.

—A Memphis man has been jailed for firing a pistol to frighten his wife. If he had only killed her he would have been insane and got off.

—An English lady asked Miss Catharine M. Sedgwick, while abroad, whether they had any fine old trees in America, and then, catching herself, added, "Oh, beg pardon! I forgot at the moment that your country was so lately settled!"

—The reading of novels is said to have led a boy named "Smith" to run away from his home in Brooklyn. And the moral is, of course, that no parent having a boy named "Smith" should allow him to read such stuff.

Registration.

We had made arrangements to get full returns of registration in the several Wards, but have been disappointed. We give them as far as received up to the hour of going to press.

First Ward.—Lower Division—whites, 119; colored, 547. Upper Division—whites, 116; colored, 388 Total in the Ward, 235 whites and 935 colored. The registration in this Ward at the last election footed up 167 whites and 840 colored.

Second Ward.—Newly registered—whites, 80; colored, 63. The full vote is estimated as follows, allowing for deaths and removals: whites, 362; colored, 249.

Third Ward.—Newly registered, 92 whites' 62 colored.

Registration.

There seems to be some misunderstanding as regards the registration places in the Fifth and Third Wards. Voters in the Third Ward will register at Neel Gerkin's store, corner of Sixth and Mulberry streets; those in the Fifth Ward at Anthony Howe's shop on Queen, between Third and Fourth streets. 2awto

Keep Cool.

It is to be hoped that Wilmington will sustain her well-earned reputation as an orderly and law abiding city to-day. Elections here have usually been remarkably free from the excitement and tumult which is too common in many other places, and we shall rejoice to be able to record a similar condition of affairs in our next issue.

[Communicated.]

WILMINGTON, N. C., July 31, 1872.

To the Editor of the Wilmington Star:—

DEAR SIR:—Will you please insert the following correction:

A misprinted telegram that appeared in the *Evening Post* of Monday has made the Pope excommunicate or cut off the whole American Church, clergy, along with its millions of lay Catholics, instead of an *American* Society—a handful of dissenters in the East. The absurdity of the mistake would alone have been its amusing apology, had not the misprinted telegram called forth in the next issue a notice of commiseration for the "Poor Pope," who, though so wronged and insulted at home, is not so poor as the world imagines, having over two hundred millions of faithful Catholic subjects who love him in chains as the primitive Christians did St. Peter when taken by Herod. The only American Catholic society in this country is the Catholic Church.

A CATHOLIC.

Extracts from the Election Law.

We give the following important sections from the Election law, passed by the last General Assembly, for the information of our readers. It would be well for our Conservative friends to read the sections carefully before going to the polls:

Sec. 11. No registration shall be allowed on day of election, but if any person shall give satisfactory evidence to the judges of the election that he has come of the age of twenty-one years on the day of election, or has, for any other reason, become on that day entitled to register, he shall be allowed to register and vote.

Sec. 12. On the day of election any elector may and it shall be the duty of the judges of election, to challenge the vote of any person who may be known or suspected not to be a duly qualified voter.

Sec. 13. When any person is so challenged, the judges shall explain to him the qualifications of an elector, and may examine him as to his qualifications, and if the person insists that he is qualified, and the challenge is not withdrawn, one of the judges shall tender to him the following oath: "You do solemnly swear (or affirm) that you are a citizen of the United States, that you are twenty-one years old, and that you have resided in this State for twelve months, and in this county for thirty days next preceding this election, and that you are not disqualified from voting by the Constitution and laws of this State; that your name is (here insert the name given), and that in such name you were duly registered as a voter of this township, and that you are now an actual resident of the same, and that you are the identical person you represent yourself to be, and that that you have not voted in this election, at this or any polling place. So help you God." And if he refuses to take such oath, his vote shall be rejected; if, however, he does take the oath when tendered, his vote shall be received: *Provided*, That after such oath shall have been taken, the judges may, nevertheless, refuse to permit such person to vote, if they be satisfied, from record evidence, or their own knowledge, or other legal testimony adduced before them, that he is not a legal voter; and they are hereby authorized to administer the necessary oaths or affirmations to all witnesses brought before them to testify to the qualifications of a person offering to vote. Whenever any person's vote shall be received, after having taken the oath prescribed in this section, it shall be the duty of the clerks of election to write on the poll books, at the end of such person's name, the word "sworn." The same powers as to the administration of oaths and examination of witnesses, as in this section granted to judges of elections, may be exercised by the registrars in all cases where the names of persons registered, or offering to register are objected to.

Sec. 14. That the poll shall be opened on the day of election, from 7 o'clock in the morning until sunset of the same day; and each voter whose name may appear registered and who shall not be challenged and rejected, shall hand in his ballot to the judges who shall carefully deposit the ballots in the ballot boxes.

TO THE BUSINESS MEN OF WILMINGTON.

ROOMS CON. EX. COMMITTEE,
New Hanover County,
Wilmington, N. C., July 27, 1872.

By resolution unanimously passed at their last meeting, the Executive Committee of the Conservative party of New Hanover county earnestly request their Conservative friends in the city of Wilmington to suspend all business on the day of election, in order that their employees may have an opportunity of devoting themselves to the Conservative cause. It is hoped that this appeal will meet with a general and hearty response.

SPIRITS OF TURPENTINE.

—The health of Raleigh is steadily improving.

—In Littleton Township, Halifax county, two hundred and twenty-nine strange names were challenged on Saturday.

—A vote for Caldwell is a vote for the endorsement or all the frauds, corruptions and usurpations of the Radical party.

—The Radical Convention that nominated Caldwell endorsed all that was done under Governor Holden's Administration.

—The Raleigh *Era* says that the Marshals of the United States are now arresting citizens in several counties in North Carolina.

—The Raleigh *News* says: Col. I. J. Young, a leading Republican, has information that over nine hundred names have been challenged at Kinston, Lenoir county.

—The Salisbury *Tribune* says that it is reported the Radicals have imported sixty or seventy colored voters at the Salisbury Township, from South Carolina and Virginia.

—The Weldon *News* says: We hear good reports from the crops in adjacent sections since the recent rains, and good results may be safely anticipated. The fruit crop is coming in abundantly, and will be a large source of income to our horticulturists.
