THE ELECTIONS. The very latest intelligence in gard to the late elections will b found in the following special dis patch to the STAR:

WASHINGTON, Oct. 10-1 A. M. The latest returns to-night from Indiana show gains for the Democrats on the State ticket and indicate the election of Hendricks, for Governor, by a small majority. The Republicans gain 2 Congressmen and probably lose 1. The following are elected to Congress in the various Congressional Districts: 1st District, Niblack, Dem.; 2nd. Wolf, Dem.; 3d. Halman, Dem.; 4th. Wilson, Rep., by 600 majority; 5th. Coburn, Rep.; 6th. Hunter, Rep., over Voorhees by over 200 majority; 7th. Cason, Rep., over Manson; 8th. Lyner, Rep.; 9th. Webb, Dem., over Shanks, Rep.; the present member; 10th. Sayler, Rep.: 11th. Packard,

There is nothing from Ohio or Pennsy vania, to change the results and probabilities indicated by earlier dispatches last evening. The Republicans probably carry Ohio by a reduced majority, and Pennsylvania by over 25,000

From the indications so far we see no occasion for such gloomy forebodings on the part of our friends, but much to inspire renewed energy in the great battle for Greeley and Rethe above dispatch it will be seen that if Ohio has gone for the Republicans it has been by a decreased majority, while there is every indication that Hendricks has triumphed in Indiana

Testimonials of Esteem to Bt. Rev. Bishop Gibbons.

A number of ladies and gentlemen met in the basement of St. Thomas (Catholic) church last evening for the purpose of presenting some token of their esteem to Rt. Rev. James Gibbons, Vicar Apostolic of North Curolina, on the occasion of his departure for Richmond. The presents. which were a beautiful silver service, consisting of salver, pitcher and goblets, together with a marble clock and handsome mantel ornaments, were tendered to the Bishop, Mr. F. W. Kerchner making the presentation address in behalf of the Young Catholic Friends Society and St. Thomas' Church in a neat and appropriate manner, during which he referred to the important work which had been accomplished for the church during the four years of his residence here, and concluding by assuring the Bishop that he would carry with him the best wishes of his congregation and friends in this place and their earnest prayers for his future happiness, wherever it may hereafter please heaven to cast his lot.

The Bishop responded in a beautiful and touching impromptu address, which was characteristic of the man and the words of which found their way to the hearts of all present. He concluded by stating that he would leave them all that has been accumulated here in the last four years, taking nothing but his trunk, but that he would carry with him what he esteemed more precious than all, viz., the affections of his people and an humble consciousness of having done his duty to the best of his

P. B.—A few minutes before 12 o'clock last night our sanctum was invaded by a waiter bearing a variety of fine cake, wine, segars, etc., which, with the compliments of the couples alluded to above, were tendered for our acceptance. We extend to them our hearty congratulations and thanks and wish them, each and all, a happy future.

Olent one.

— We mentioned last week, says the Statesville Intelligencer, that George Graham, (col.) had been convicted in Wilkes Court of the murder of Margaret Seaman in this county. We have since learned that Judge Mitchell sentenced him to be hanged on the 25th inst, but an appeal was afterwards taken by the counsel, and the case goes up to the Supreme Court. In the case of Baldy Gaither, arrested as an accomplice, the jury rendered a verdict of "Not Guilty,"

If you feel dull, despondent, drowsy, debilitated, have frequent headache, mouth tastes badly, poor appetite, and tongue coated, you are suffering from torpid liver or "biliousness." Nothing will cure you so speedily and permanently as Dr. Pierce's Golden Medical Discovery.

Have it Always at Hand .- Accidents will happen in the best regulated families, and for this reason, among many others, the MUSTANG LINI-MENT should find a place in the cupboard of every household. In all the world there is nothing comparable to it as an application for cuts, contusions, burne, spasms, and scalds, and when every other preparation that medical ingenuity can suggest has failed to afford relief in rheumatism, neuralgia, sore failed to afford relief in rheumatism, neuralgia, sore throat, glandular swellings, muscular contractions, cramps, toothache, &c., this powerful anti-inflammatory and pain-destroying agent immediately assuages the sufferer's agony and eventually accomplishes a radical cure. Probably there is not a connoiseur in horse flesh or an amateur horseman in the land who does not know, either from personal observation or reports, that the Mustang Liniment is the supreme remedy for all external diseases and injuries of the horse.
