need assistance, and to try and preserve the valuand purity of history.

We are now specially engaged in the sacred duty of raising funds to assist Hollywood Memorial Association in removing the remains of our noble dead from Gettysburg and other points where they are neglected and mistreated, to Hollywood Cemetery near this city, where, through the untiring efforts of our ladies, an honorable resting place is provided, and an enduring monument erected to their memory; and where, protected and cared for, they can early receive the honor bestowed on our "Memorial Day," in decorating their graves with flowers. There are yet at Gettysburg the remains of near ONE THOUSAND BODIES; they are from nearly all the States; and Gettysburg the remains of near ONE THOUSAND BODIES; they are from nearly all the States; and when we say, in some instances, the heartless wretches of the vicinity where they fell and lie are ploughing their bones about as if they were dogs, it is enough to make the blood of decent humanity boil, and the pocket—of all who are not false to feeling—false to principle—false to a cause once dear—open to remove these heroes from such indignity and inhumanity.

Will you aid us to remove them to a safe and sacred spot, where the warm, noble hearts and gentle care of Virginia women can watch over them? Into whatever hands this appeal falls, we beg you to aid us in this cause, in which our whole soul is enlisted. Ask your friends to aid you.
