 WILMINGTON, N. C.:
 TUESDAY MORNING, NOV. 5, 1872.

THE PROPER BALLOT.
 We append the Presidential ticket as it must be voted on the 5th of November next. We presume every precinct in the State will be provided with these tickets; but if there should be any failure in this respect, tickets may be written from the form we give:

For President:
Horace Greeley,
 OF NEW YORK.

For Vice President:
B. Gratz Brown,
 OF MISSOURI.

Electors—State at Large:
 THOMAS J. JARVIS, of Pitt.
 EDWARD W. POU, of Johnston.

Electors—Congressional Districts:
 1 Dis.—Octavian Coker, of Chowan.
 2 " Swift Galloway, of Greene.
 3 " Thomas C. Fuller, of Cumberland.
 4 " Henry A. London, Jr., of Chatham.
 5 " David F. Caldwell, of Guilford.
 6 " Walter L. Steele, of Richmond.
 7 " F. Broward McDowell, of Iredell.
 8 " Thomas D. Johnston, of Buncombe.

VOTE TO-DAY FOR GREELEY AND BROWN.
 Because, they are representatives of honesty, civil service reform and local self-government.
 Because they are the candidates of the People.
 Because they are opposed to Central despotism.
 Because they will remove bayonets from Southern hearthstones and altars.
 Because they will accord to white men the same rights exercised by colored men, rights guaranteed by the Constitution and denied by the Grant Radical party.
 Because they will preserve our free institutions and the spirit as well as form of republicanism.
 Because they were nominated by two great National Conventions and are endorsed by all good Democrats and true Republicans.
 For these reasons be sure to go to the polls to-day, and cast your vote for
HORACE GREELEY
 and
B. GRATZ BROWN.

Play the role of Argus to-day. Let us have a fair election and no illegal voting. Challenge every man who has no right to a vote.

THE LATEST NEWS.
 Allowing the utmost for Democratic defection, the Executive Committees at Chicago feel secure of the State of Illinois by from 11,000 to 15,000 majority. Gov. Koerner and Senator Trumbull expressed themselves Friday night confident of the result. It is thought the excellent Congress nominations and the nomination of Koerner for Governor have together made the State safe for the Liberal cause.
 Indiana will give an increase of her majority for Hendricks. That able statesman and eloquent orator made a great speech Friday at Seymour to a crowd of 5,000 persons.
 A large majority is claimed by a *Tribune* correspondent in New Hampshire. The Liberals and Democrats are working hard.
 Friends! this should encourage us to greater exertions to-day. Let us out down their large majority in Wilmington. It will materially assist in carrying the State for Greeley and Brown. Let every good citizen see to it that he votes to-day.
 We tell you that the great question of the canvass is reconciliation, not of sections alone, but of races also, and that Horace Greeley is better fitted to accomplish this beneficent work than any living American. Vote for Greeley and Brown.

It is likely if you do not to-day vote for the Democratic and Liberal nominees, you may never have the opportunity again to cast a free ballot.

Would you give all an equal chance under the Constitution and laws of the country?
 Vote for Greeley and Brown.

Guard with a vigilant eye the right of franchise. Eternal vigilance is the price of Liberty.

Would you re-establish Civil Government?
 Vote for Greeley and Brown.

Do you want Peace?
 Vote for Greeley and Brown.

Would you remove the bayonets?
 Vote for Greeley and Brown.

TO-DAY.
 The country votes to-day for Liberty or Despotism.
 This is the issue.
 It cannot be disguised. The great question of the hour is, Shall we have four years, perhaps longer, of Grant's misrule? Or shall we have Constitutional, old time, free, intelligent, republican government under Greeley?
 Think what is at issue!
 You cannot, if you reflect a moment, stay from the polls to-day.
 Go! Don't delay an hour! Vote early. Be sure you vote. Vote for the candidates of the People, the representatives of the true Democratic Republican party of the Union.
Vote-day for Greeley and Brown.
 Do you want economy in the National Administration?
 Vote for Greeley and Brown.

CAN'T YOU FOLLOW WHERE PENDELTON, HENDRICKS, SEYMOUR AND BUCKALEW LEAD?
 "If it is safe to follow where honest, patriotic and intelligent men lead, it is safe for all true Democrats to follow men like Seymour, of New York (who will give a reason to-night for the faith that is in him); like Buckalew and Packer, in Pennsylvania; like Parker and Randolph, of New Jersey; like Pendleton, of Ohio, and Hendricks, of Indiana. We know of no great Democratic leader in the country who does not now support the Liberal Ticket with both an earnest and intelligent devotion. The political Platform on which the candidates stand is both National and Democratic. It means self-government and self-preservation. It means Amnesty and Peace. It means the purification of the ballot, and an honest administration of public affairs. It means the restoration of the Union and the Constitution, and the enforcement of criminal law against all Federal, State and local thieves. Hence the Baltimore Convention took the Platform and the men pledged to carry out its principles. Hence we follow the flag raised at Cincinnati, carried to Baltimore, and upheld by all our old leaders, and by nearly the whole body of the rank and file.—When wise men thus sound the alarm, and the country calls to duty, let no man falter."—*New York Express.*

Don't delay till evening. Never put off a sacred duty. Vote this morning for Greeley and Brown.

THE LAST TIME.
 Have you thought of it? It is the last day.
 Now or never, in all probability, will we see an opportunity to conserve the noble institutions of our fathers.
 Oh, then, we cannot appeal too earnestly to the thinking, sober, liberty-loving citizens of all parties. Let us say to you a last word of counsel. Don't go to your couch to-night with any such reflection as this: "The country is lost or saved, and I have done nothing to save and all I could to lose its liberties."
 Go to the voting-place of your ward this morning, and cast your vote for Greeley and Brown, and you will never regret it. Your conscience will never upbraid you for you will have done right, you will have done your duty.

Do you desire Reconciliation?
 Vote for Greeley and Brown.

WHO IS HORACE GREELEY?
 "Who is Horace Greeley? Born of poor parents, he struggled with poverty in early life, worked upon the farm, then at a trade, toiling early and late, storing his mind with useful knowledge by the light of the midnight lamp, until coming to the great city of New York, without money or influential friends, he established a journal which he conducted for nearly thirty years, and which he made the great newspaper power of this country, if not of the world. Such a man must possess indomitable energy, and extraordinary ability. His mind must be a storehouse of knowledge. Such a man has a heart to sympathize with the laboring classes, the toiling millions, the unfortunate and oppressed of all nations, all races, and of all climes." Mr. Greeley is an honest man. In the midst of personal detraction, of which there has been too much in this canvass, no one has lipped even the breath of suspicion affecting his integrity of character. Educated in the school of adversity, battling with the stern realities and difficulties of the world in early life, with well balanced intellect improved by study, with a mind full of knowledge and with a kind, sympathetic heart, where is there a better representative and type of American character? Where is there a man better fitted to be the Executive head of this great nation?—Gov. Parker's Speech at Haverhill, N. J.

HEAR GOV. PARKER.
 "I am asked how Democrats can support Mr. Greeley and desire his election? All the old issues are buried in oblivion; the recent amendments to the Constitution of the United States are now a part of the organic law of the land, acknowledged and obeyed by all parties in all sections of the country. There are only three great questions at issue in this canvass, viz., local self-government, amnesty, and reconciliation of sections and races, and on all these Mr. Greeley is in accord with the Democracy. I have been a Democrat all my life, have voted 33 times, and always for the regular nominations of the Democratic party, and I advocate the election of, and if my life be spared, will vote for Horace Greeley, not only because he is the nominee of the National Democratic Convention that assembled at Baltimore, but I also advocate, and will vote for him from patriotic motives, which rise above mere party considerations. I believe it is better for the country in this crisis, that a man occupying the position of Horace Greeley, should be elected, than one who had always been a Democrat."

Where is the Democrat who is willing to have it said, and truly said, that Grant was elected by the failure of Democrats to discharge their duty—a duty they owed not to party, but to country?

Gen. John Cochrane, Chairman of the Liberal Republican Executive Committee of New York, thus talks to his friends at the closing of the canvass: "Liberal Republicans! The fate of popular government is bound up in these few days. They are yours, in which to labor and decide. We look to you that Reconciliation, Purification, and Amnesty—the great cause of Good Government—be upheld by your strong and willing hands."
 Do you like free Government?
 Vote for Greeley and Brown.

"Those who now stand shoulder to shoulder in behalf of Greeley and Brown, as the representatives of liberal opinions and good government, will not be separated politically till the cause in which they are engaged triumphs, whether that be fifteen days or fifteen years. There will be no going back on the principles enunciated by the allied powers. Liberalism against Radicalism will continue to be the shibboleth of the opposition."—*Courier-Journal.*

See the thing is fairly done. Let us have no cheating to-day.
 All Democrats are expected to vote for Greeley and Brown.
 They are the nominees of the Democratic National Convention.
 Democrats have never gone back on the party nominees.
 Challenge every vote not entitled to be cast to-day.
 All true Republicans are expected to vote for Greeley and Brown.
 They are the nominees of the True Republican party.
 True Republicans and True Democrats, all men of conservative views, are looked to to save the country.
 Watch the election.
 It is now clear to the mind of every well-informed man that the Democratic Conservatives and Liberal Republicans constitute an overwhelming majority of the American people.—The only thing is to get them to vote.

While it is called to-day, vote for Liberty and Peace; vote for Amity and Concord; vote for your Rights as Citizens; vote for Greeley and Brown.

Go this morning to the polls and vote for the Democratic Liberal ticket. And get your friends to vote for Greeley and Brown.

POLITICAL PARAGRAPHS.

 —The election of Koerner, Liberal, for Governor, seems to be conceded in Illinois and the Granite are trading for Congress and the State Legislature. The State is thought to be nearly safe for Greeley to-day.
 —Vote for Greeley and Brown to-day.

About \$200,000 are given in legacies.

PALMETTO LEAVES.
 .. State Fair at Columbia to-day.
 .. Vote for Greeley and Brown to-day.
 .. Timrod's poems will be out in December.
 .. The new Court House in Abbeville is nearly completed.
 .. Mr. Richard Barry has reopened his Carolina House in Columbia.
 .. The Orangeburg *News* says the Fair held in that place last week was a perfect success.
 .. The Governor has appointed Wm. M. Woodin a Trial Justice of Oconee county, vice J. Wickliffe, removed.
 .. Gen. W. A. Walker, a prominent citizen of Chester county, has been nominated by the Conservatives of that county for State Senator.
 .. Mr. James Gibson, an honest and industrious mechanic of Winnsboro, departed this life in that place on Thursday last, says the *News*.
 .. The residence of Mr. J. M. Elliott was entered Thursday night, and two hundred dollars taken from his pocket, says the *Winnsboro News*.
 .. The harpies of the Government are carrying it with a high hand in Laurens. In their anxiety for prey, they have even moved the death beds of men and women.
 .. Mr. James Brennan, the editor and proprietor of the *Southern Celt*, is the only member of the newspaper fraternity who has been elected to the State Legislature since reconstruction.
 .. A small four-page, neatly-printed sheet, called the *Orphan's Appeal*, has made its appearance. It is published by the local Board of Trustees of the Palmetto Orphan Home, of Columbia, S. C.
 .. The official vote of South Carolina elects Moses, the regular Radical, by 34,905 majority. In Charleston the fusion ticket had a majority of 1,257. The bolters also had a majority, assisted by the Democrats, in ten out of the thirty-three counties.
 .. We remind our friend, the Wilmington *Star*, that Columbia, not Charleston, has the honor of inaugurating the Peace Society. The synopsis of the proceedings of that Society was first published in the *Carolinelian*. All right. Here's your credit.
 .. At Landrum's store, in Edgefield county, on the 23d ultimo, Lang Goodman and Peter Gunn, both colored, and both under the influence of liquor, got into a quarrel, when Lang drew his pistol and shot Peter in the left temple, killing him instantly. Goodman escaped.
 .. Notwithstanding the propitious weather, the Fair at Cheraw last week proved a success. Quite a large crowd was in attendance; and the expectations of all were more than realized. Marlborough was largely represented, and we are informed, succeeded in bringing off a large share of the prizes.
 .. Last Saturday afternoon another bloody drama was enacted at Pine House Depot. A negro named Tom Padgett, without provocation, shot another negro, Prince Jenkins, in the abdomen, from the effects of which the latter died on Sunday. Padgett has been arrested and lodged in jail to await his trial.
 .. The law provides that the Board of State Canvassers must decide on or before the 10th of November following elections who are the elect. So that by the 10th inst., all doubts on this question will be removed by official announcement. The Board has no power over Congressional or Legislative candidates, and can merely certify to the Commissioners' returns as to these.
 .. Items from the Anderson *Intelligencer*: The Anderson Baptist Church has extended an invitation to Rev. James M. Mendenhall, of Columbia, to assume its pastoral charge next year. We regret to learn that the gin-house of Mr. A. J. Sitton, in the town of Pendleton, was entirely destroyed by fire on Tuesday night last. Loss about \$3,000, with-out insurance. The fire is supposed to be the work of an incendiary.
 .. State Constable Hubbard is playing the role of Deputy U. S. Marshal. From private sources we learn that this whilom henchman of R. K. Scott's, whose chief achievements as State Constable was his successful capture of his salary and contingent fund, and who since his appointment as Mr. Wallace's Chief Deputy, has been singularly quiet, is now on the war path, and with a corps of equally brave assistants, is striking terror into the hearts of the women and children of Laurens county, by the arrest of

their husbands and fathers, the devoted victims of the Ku Klux acts. Many arrests have been made, and the jail at Laurensville is represented as full of men who have been taken from their avocations by these men under the authority of warrants, some, if not all, of which have been in the Marshal's hands for nearly two years. The chief significance of these arrests appears from the fact that there is money in them for the Marshals and United States Attorneys, and is also believed to give these mercenaries favor in the eyes of the King.
 .. Vote for Greeley and Brown to-day.

PAIN-KILLER
PERRY DAVIS'
Pain Killer
 Has been tested in every variety of climate, and by almost every nation known to Americans. It is the most constant companion and inseparable friend of the missionary and the traveler, on sea and land; and no one should travel on our Lakes and Rivers without it.
Pain-Killer was the First, and is the only Permanent Pain Reliever.
 Since the Pain-Killer was first introduced and met with such unparalld success, many imitations, reliefs, panaceas, and other remedies have been offered to the public, but not one of them has ever attained the truly enviable standing of the Pain-Killer.
WHY IS THIS SO?
 It is because Davis' Pain-Killer is what it claims to be, a reliever of pain.
Its Merits are Unsurpassed:
 If you are suffering from Internal Pain, from twenty to thirty drops in a little water will almost instantly cure you. There is nothing to equal it. In a few moments it cures
COLIC, CRAMPS, SPASMS, HEART-BURN, DIARRHOEA, DYSENTERY, PLUX WIND, INFLUENZA, SORE THROAT, DYSPEPSIA, SICK HEADACHE.
 In many sections of the country where Fevers, there is no remedy held in greater esteem. Persons travelling should keep it by them. A few drops in water will prevent sickness or bowel troubles from coming of water.
 From foreign countries the calls for Pain-Killer are great. It is found to

Cure Cholera
When all other Remedies Fail.
 When used externally, as a liniment, nothing gives quicker ease in
Burns, Cuts, Bruises, Sprains, Stings from Insects and Scalds.
 It removes the fire, and the wound heals like ordinary sores. Those suffering with rheumatism, neuralgia, or neuralgia, if not a positive cure, they find the "PAIN-KILLER" gives them relief when no other remedy will.
IT GIVES INSTANT RELIEF FROM
ACHING TEETH.
 From 1840 to this day, 1872, (over Thirty Years), Perry Davis' Pain-Killer has had no rival.
 Every housekeeper should keep it at hand, to apply to the first attack of any pain. It will give satisfactory relief, and save hours of suffering. Do not trifle with yourselves by testing untried remedies. Be sure you call for, and get the genuine Pain-Killer, as many worthless nostrums are attempted to be sold on the great reputation of this valuable medicine. Directions accompany each bottle.
 Price 25 cents, 50 cents and \$1 per bottle.
