The North Carolina Senator.

A private dispatch, announcing the election to-day of Judge Merrimon as U. S. Senator by the North Carolina Legislature, reached here early in the afternoon. Some disappointment was expressed by the friends of ex-Gov. Vance, but upon the whole the election of Mr. Merrimon was very favorably received. He is regarded as one of the ablest men in the State, and his known conservatism will add to his influence here. It is understood that his election was secured by Republican votes, the members of that party having become convinced that there was no further reasonable hope of re-electing Mr. Pool .- A Washington Telegram.

- We learn from the Charlotte Observer that the two children who have had the small pox have recovered, and no other cases have been reported. It is likely that this will end the matter.

Temperance Matters.

In response to an invitation from Mr. H. E. Foster, a prominent and active member of the Friendship Temple of Honor and Temperance, we paid a visit to their Hall in the Odd Fellows' building, yesterday afternoon, mainly for the purpose of inspecting the new altar which our Temperance friends have recently had constructed. It is a very neat affair. The four sides bear the inscriptions "Love," "Purity." "Fidelity" and "Truth," indicative of the character of the order, the ground coloring of each being intended as emblematical. On the front side, below the regular inscription, appears the word "Temperance," very neatly executed and in the form of a scroll. The Hall is appropriately furnished and is used by the two temperance orders and the Independent Order of Mechanics.

County Jail.

We paid a visit to the County Jail, yesterday afternoon, for the purpose of inspecting the various improvements which have lately been made by order of the Board of County Commissioners. We found that a great change had been made in the appearance of things since our last visit. The cells and corridors have all been neatly white-washed, and bear a clean and comfortable appearance, while the cells have been supplied with wooden bedsteads in place of the former uncomfortable couches. The flooring and walls have also been repaired and gas introduced in the corridors, altogether making a decided improvement as compared with the unwholesome and rather revolting appearance which our county boarding house formerly presented.

FIFTEENTH DAY.

[Condensed from the News and Sentinel.]

RALEIGH, WEDNESDAY, Dec. 4, '72.

SENATE. President Morehead in the Chair. Mr. Lawrence rose to a question of privi-

ege, in regard to an editorial article in the Daily News of this morning respecting the Senatorial election. Reports from standing committees were submitted by Messrs. Murray, Merrimon,

Seymour, McCauley and Todd. Mr. Murphy stated that he had not taken the leave of absence granted him yesterday. Mr. Humphrey presented a petition from citizens of Mount Olive asking an amend-

ment of the charter of that town. Mr. Grandy: A bill to incorporate the New York, Norfolk and Charleston Railway Company. Referred. Mr. Grandy: A bill to incorporate the

North Carolina Construction Company. Mr. Flemming: A bill to prescribe the duties of the Judges of the Superior Courts. Harris, col.: A bill to incorporate the bank of Raleigh, reviving an act of 1870. The incorporators are now ready to open the business of the said bank. Rules suspended and bill passed second reading, when it was referred to Committee on Corporations.

Mr. Ellis, of Catawba, a bill to authorize the Carolina Narrow Guage Railroad Company to consolidate with the Chester and Lenoir Narrow Guage Railroad Company in South Carolina.

Mr. Powell moved a suspension of the rules to take up a bill defining the duties of certain Judges; motion adopted, and bill made order of the day Wednesday next, at

Mr. Waring asked a suspension of the rules to take up the bill relative to Venue, and that the same be referred to Committee on Judge Battle's Report. The resolution in favor of certain Sheriffs was discussed 'till adjournment.

HOUSE OF REPRESENTATIVES.

Speaker Robinson in the chair. Several reports from chairmen of standing committees were rendered as follows: Messrs. Stanford, Brown, of Davidson,

Morrison, Johnston and Moring. By Mr. Blythe, a resolution in regard to public printing, instructing the bidder to let out the work to the lowest (responsible) bid-

By Mr. Perry, of Bladen, a resolution in regard to adjournment, that the General Assembly, Senate concurring, adjourn Satturday, December 21, to January 6.

By Mr. Bean, a resolution in regard to the two asylums and the State Penitentiary. Placed on the calendar. Jones, of Camden, King, col., Lindsay,

Williamson, col., Bunn, col., Bryan, of Sampson, Moss, and Dudley, col., were granted leave of absence. The bill to incorporate the Scuppernong Steamboat and Transportation Company, was taken up and passed its several read-

ings.
The bill to incorporate the North Carolina Medicinal Association was taken up, amended according to the recommendation of the Committee on Corporations, and

passed its second reading.

By Mr. Godfrey: A bill to incorporate the Security Express Company. Referred.

By Mr. Trivett: A bill to prevent speculation in county claims. Referred.

By Mr. Godfred: A bill to incorporate

the Northern and Southern Telegraph Company. Referred. The resolution, introduced by Mr. Morrison, asking our representatives in Congress to use their influence to have the revenue laws so amended as to do away with assessors, and have such taxes due the U. S. Government, by virtue of such laws collect-

ed by the sheriffs of the several counties of

the State, was taken up and adopted.

The Senate bill for the relief of D. J. Clark, late sheriff of Bladen, was taken up. Messrs. Norment and Richardson gave the particulars of the robbery of a safe in Elizabethtown, in which the said D. J. Clark, the then sheriff of the county, had deposited some \$3,500 of taxes he had collected. That the safe was the only secure place of deposit in that section of the country, and the loss was owing to no negligence on the part of Mr. Clark. They thought that as an act of grace \$1,000, as the bill proposed, might be remitted. Messrs. Bennett and Perry, of Bladen,

also favored the passage of the bill. The bill passed its several readings, By Mr. Bean: A resolution in reference to the two Asylums and the State Peniten-

tiary; placed on calendar.
The joint Assembly met in the Hall of
Representatives at 12 o'clock.
The Speaker stated that the joint Assembly to examine the vote of August last, for Executive and other State officers, having been postponed to this day on account of there being no returns from the counties of Gates, Jones, Watauga, New Hanover and Macon, he would state that as yet the counties of Gates, Watauga and Macon had

not been heard from.

Mr. McGehee, from the committee to examine the returns from the various counties, and report defects, &c., with opinion of the committee as to how the Joint As-

report, which was read by the clerk, and on motion of Mr. Welch was adopted. Pending the adoption of the report, a consider-

able discussion arose as to what effect the adoption of the resolution would have upon the result of the election. The Republicans were evidently uneasy that some of the fraudulently elected officials would be ousted from their ill-gotten positions.

Mr. McGehee said the thought of a change n the election result never once entered the

head of the committee. Mr. Murphy moved for and advocated the printing of the report. Mr. Seymour offered the following resolution, That the Clerk of the House be in-

structed to add up the returns so far re-ceived and in his hands, in accordance with the principles adopted by this Joint An amendment was offered by Mr. Heaton to require the work to be done by the 10th of January. The Chair announced returns had been received from the counties of Jones and Rowan, and also corrected returns from the county of New

Mr. Johnston, from the committee to wait on Judge Merrimon and inform him of his election to the United States Senate by the Legislature of North Carolina, reported that the committee had performed ts duty and received from Judge Merrimon his acceptance of the position.

It says: We, as a people, would derive more benefit from the Yadkin Road, with its connections, than from any other passing by this place. We hope there will be a full meeting of Stockholders, and that they may devise some plan to get the work started.

- The Greensboro Patriot says One of our young merchants, the proprietor of a number of tenement houses in the vicinity of Warrensville, having among his renters one slippery old chap of the African pursuasion who would not come to terms. concluded to move on the works last Monday morning and try what efficiency there might be in a keg of blasting powder. The landlord intimated that the law prohibited him from throwing a tenant out, but there was no law to prevent him from blowing up his house if the house didn't pay. By this time white was the predominant color visi-ble in the eyes of the tenant, and it is said a livelier rheumatic inever scratched gravel for the ten minutes he was engaged removing his valuables from the premises in question, which done the fuse was extinguished, the door locked and the proprietor walked away with the key in his pocket.

the strongest possible safeguard against counterfeiters and imitators, to render all attempts to pirate it
difficult and dangerous. It was submitted to distinguished chemists for analysis, and pronounced by
them the purest spirits ever manufactured. Its purity and properties having been thus ascertained,
samples of the article were forwarded to ten thousand physicians, including all the leading practitioners in the United States, for the purpose of experiment. A circular, requesting a trial of the preparation and report of the result, accompanied each specimen. Four thousand of the most eminent medical
