

and obedience. Responded to by H. C. Berry, of Illinois, S. C. The Order Universal: Based upon the best and most enduring principles, may its course be upward until the whole world shall acknowledge its beneficent supremacy. Responded to by P. S. C. Samuel Read, of New Jersey.

The Fire Yesterday. Yesterday, about a quarter past 12 o'clock, our citizens were again startled by the alarm of fire, which was found to proceed from the tar-kiln recently erected by Mr. J. B. Stanley on the wharf below Surry and between Church and Castle streets, in the Southwestern section of the city.

Local Dots. The dust is stifling. Cool enough for overcoats yesterday. Supervisor Perry was in the city yesterday. Gardens are suffering terribly from drought and cool weather combined.

Spirits Turpentine. Winston merchants play marbles. Court at Edenton this week. The April number of the Monitor has been received.

square, and the school house shall be as near the center of the school population of the district as may be practicable. It is the duty of the School Committee to divide the school districts within their respective townships, in accordance with the foregoing regulations, and sections 19 and 20 of the school law, on or before the second Saturday in June, 1873, and record the boundaries and designation of each district in the book of School Records of the township and report the same to the Register of Deeds.

KNIGHTS OF PYTHIAS. Parade and Banquet in Richmond. [From the Dispatch.] THE PARADE. Notwithstanding lowering clouds and the early hour, the parade yesterday morning was a most creditable affair, and gave our people a pretty fair idea of the material of which the Pythian Order is composed, and of the neat, tasteful, and knightly uniform which the Knights of Pythias have recently adopted.

Narrow Escape from Drowning. We learn that Mr. Robert Scarborough accidentally slipped off the wharf foot of Market street last night, about a quarter to 10 o'clock, and fell into the river between the wharf and one of Messrs. Lemmerman & Conroy's flats.

Registration. There seems to be but little doubt that the law requires an entirely new registration of voters previous to the approaching municipal election. We learn that the registrars and poll-holders will have a meeting to consider the question in a few days, when some definite understanding will be arrived at.

At a meeting of the State Board of Education held in Raleigh on the 16th the following rules and regulations in relation to public schools, which we cut down from the Raleigh papers, were adopted: 1. The school districts of the several counties shall be laid off as nearly equal in form, as the situation of the several localities will permit. The convenience of each neighborhood shall be consulted. 2. Each school district shall contain an area equal to a square of from four to seven miles

At a special meeting of the Board of Aldermen, held yesterday, the following changes were made in the list of Registrars and Poll-holders for the various Wards: O. F. Yarborough in place of Thomas Conner in the Second Ward; James Richardson in place of W. B. Hall in the Fourth Ward; John Hargrave in place of Allen Evans in the Third Ward; and Edward D. Hewlett in place of Elijah Hewett in the Fifth Ward. There is really no change in the Fifth Ward, as the name was incorrectly written at the previous meeting of the Board.
