NORTH CAROLINA PRESS CONVENTION.

We copy from the Raleigh News, omitting the names of the officers of the new Press Association which was printed yesterday: The Convention re-assembled at 9 o'clock. Maj. Mann, of the Wilmington Press, as Chairman of the Committee on By-Laws, submitted a report. A telegram from the Georgia Press Association (now in session) was received, conveying greetings, and asking for any important action taken by his body. The telegram was properly responded to.

Mr. Biggs, from the Committee on Advertising and other matters, made a report, which was acted upon. One of the recommendations of this Committee was to put advertising agencies on a footing with all other advertisers. This was opposed for several reasons by Mr. Spelman, of the Raleigh News, and Mr. Mann, of the Wilmington Post, and supported by Messrs. McDiarmid, Duffy, Johnston, Jones, Stoebe, Harris and others.

After considerable discussion the recommendation was adopted, there being but one dissenting voice. Mr. Nason, of Newbern, offered a resolution requiring every publisher of a newspaper in the State to deposit with the Association the name of the publisher and the number of columns, rates of subscription, advertising, etc.

Mr. Cameron of the Hillsboro Reporter, from Committee on Resolutions, submitted a report, too lengthy for this issue.

A letter was received from Col. Jos. B. Long, Special Agent of the Post Office Department for North Carolina, promising his aid in increasing the postal facilities of the State.

On motion of Mr. Engelhard, (Mr. one of the News in the Chair), a resolution was adopted to provide for the publication of all legal advertisements.

On motion of Mr. Harrell, a resolution was adopted requiring the payment of postage on newspaper exchanges. Also a resolution thanks to Dr. Wright, the genial proprietor of the Humphrey House, for his kindness and liberality in entertaining the members of the Convention.

An invitation to the members of the Convention to visit the next State Fair at Raleigh was received from resident Holt, and was accepted.

On motion of Mr. Forman a resolution was adopted, approving of the late Centennial Celebration of the eckenburg Declaration of Independence, and urging the people of the State to the necessity of its observance.

On motion of Mr. Duffy, the Secretary was instructed to prepare and furnish a copy of the Constitution and By-Laws to every editor and publisher in the State for his approval; the same to be made within ten days.

On motion of Capt. E. C. Wood, of the Raleigh News, Col. Walter Steele, of Rockingham, was inducted into an honorary seat in this Convention.

The resolution looking to a uniform system of charges for advertising, previously submitted, failed to be taken from the table.

The following new delegates were elected: J. B. Whitaker, of the Goldston News, H. A. Foots, of the Winston Gazette, and Capt. E. C. Wood, of the Raleigh News.

At a meeting of the Executive Committee, subsequently held, John Stone, Esq., was made Chairman of the Committee, and J. B. Hanes, Secretary.

It was agreed to hold the next convention in Raleigh, on the 15th of May next.

Our report necessarily closed here, order to be mailed in time. The remainder of the proceedings will be in our next issue.

A dispatch from Weldon to the Raleigh News, says: The election held today in this county, for the purpose of deciding an appropriation for building the Halifax and Beaufort Railroad, for 11 miles, was held at 10 o'clock, and resulted as follows: For, 11; against, 540. Estimated for, 2; against, 100. It is thought that the majority will be in favor of the proposed road.

Dr. John T. Bellamy is now building a large cotton factory near Whiteker's, on Fishing Creek.

Two colored dandies, dentists of the classic pretzel known as "Paddy's Hollow" who were found engaged in a pugilistic encounter last night, were taken to the Goard House to await a trial before the Mayor next May!

— It was reported yesterday evening that there was talk of submitting the question of who shall be Mayor—Canaday or Wilson—to a vote of the citizens, the Board to agree to abide by their decision and vote unanimously for the lucky candidate. This is one way out of the difficulty, if it can be done.

— Alderman Banks was reported in our list as condoling with the Chairman on having to remain up during the night previous, and charging the same to the "hot-headed Democrats," when Alderman Hankins was the individual who perpetrated the "speech." We make this correction at the suggestion of other members of the Board.

Grand Lodge, I. O. O. F. The Grand Lodge commenced its second session at Raleigh, Thursday morning, at 9 o'clock.

We condense from the News: A communication from the Grand Lodge of Mississippi was read, and referred to the Committee on the State of the Order.

Grand Representative Giles, from the Committee on the State of the Order, submitted a report on the resolution introduced by Grand Treasurer Jones, on Wednesday, in relation to changing the mode of electing Grand Officers, which was read and laid over under the rules.

Several other reports were submitted and appropriately disposed of. An election of Grand Officers was gone into with the following result: M. W. Grand Master—W. H. Bagley, of Raleigh.

R. W. Deputy Grand Master—R. A. Watson, of Tarboro'. K. W. Grand Secretary—J. J. Litchford, of Raleigh.

R. W. Grand Treasurer—R. J. Jones, of Wilmington. R. W. Grand Warden—D. G. McRae, of Fayetteville.

R. W. Grand Chaplain—Rev. J. R. Rummel, of Salisbury. The installation of the Grand Officers was fixed for Friday morning at 9 o'clock, and on motion of Grand Treasurer Jones the hour of 11:30 A. M. on the same day was fixed for the adjournment of the Grand Lodge.

The law requiring more than one District Deputy Grand Master, was repealed, and the report of the Committee on Digest was adopted.

The report of the Committee on Petitions not being concurred in, Past Grand Clawson gave notice of an appeal to the Grand Lodge of the United States.

The Grand Lodge then adjourned until 9 o'clock yesterday morning. Thursday night a grand banquet was given to the officers of the Grand Lodge, at the National Hotel, by the members of the fraternity in Raleigh. Among those responding to toasts on the occasion, we notice the names of P. G. W., W. L. Smith and P. G. M., W. J. Yopp, of this city.

Class of the Fair, which has been in progress at the City Hall for the last four nights, closed last evening. The attendance was very good, the weather being fine, and we learn that those present showed a very liberal spirit. At our last articles the Fair has been a very successful one, notwithstanding the drawbacks which the ladies have experienced.

We tender our acknowledgments to the ladies for the water of ice-cream and strawberries sent us at a very propitious hour last night and which, we assure them, was greatly appreciated.

The Raleigh News says: "Whatever may be said as to other city officers, there is no doubt in reference to the claim of the City Marshal, to hold over until his successor is appointed and qualified. On this subject the law is explicit and unmistakable."

THE GORDIAN KNOT.

The Inevitable Tie Continues—The Late Mayor Wants to Hold Over—Legal Opinions Pro and Con—No Prospect of an Election.

The Board of Aldermen continued in session all night, passing the time in much the same manner as usual, and accomplishing nothing in the way of averting the knot which is at the bottom of our municipal difficulties.

During the early morning, on motion of Alderman Hankins, a ballot was held for Mayor, with the following result: 42D BALLOT.—Wilson; 5; Canaday, 5.

At a quarter past 5 o'clock Alderman Wilson moved to take a recess until 10 o'clock, which was agreed to.

The Board re-assembled at 10 o'clock and was called to order by the Chairman. Ald. Wilson requested to be allowed to read a protest, which was to the effect that the Board was not legally organized, inasmuch as it had elected a Chairman outside of its own number, and claimed that for this reason all its acts so far were void and of no effect.

Ald. Wilson moved that the protest be entered on the minutes, which being voted down, he called for a division of the question, which was granted, when the motion to enter on the minutes was lost.

Ald. Rice moved to ballot for Mayor. Carried. 2ND BALLOT.—Canaday, 5; Wilson, 5.

Ald. Banks moved that no business be transacted for 30 minutes, which was adopted.

At 12:10 P. M., the Board was again called to order. On motion of Ald. Adrian another ballot was had for Mayor, with the following result: 44TH BALLOT.—Wilson, 5; Canaday, 5.

At half past 1 o'clock, Alderman Fishblate moved to take a recess until 4 o'clock, which was carried.

At the hour specified the Board re-assembled and was called to order by the Chairman.

Alderman Wilson rose to a question of privilege, and read from the Journal of yesterday an article alleging that he had sent an order to Marshal Canaday, as Mayor, charging him with the performance of a duty which would necessarily take him from his seat as a member of the Board of Aldermen, and denied the issuance of any such order.

Alderman Canaday stated, in substance, that the writer of the article was in error and disclaimed having received any such order. He further intimated that he would procure the correction of the error.

Alderman Canaday then read a legal opinion in reference to his being obliged, as City Marshal, to obey an order from Ald. Wilson as Mayor, taking the ground that he (Wilson) did not now occupy such a relation in the city government.

Ald. Wilson said that he had been very much abused by the newspapers, and that in answer to Alderman Canaday he would read an opinion from Mr. London, City Attorney, in regard to the question of his claim to perform the duties of Mayor until his successor should be elected.

At its conclusion Alderman Canaday requested the Chairman to read an opinion from Col. Strange adverse to the claims of Ald. Wilson, which was done. By further request of Alderman Fishblate and others opinions were then read from Hon. George Davis, and Messrs. Wright and Steidman, also adverse to Alderman Wilson's claims.

After a few remarks from Alderman Banks, in reference to the declaration of the Mayor's office being vacant, on his motion another ballot was had, with the following result: 45TH BALLOT.—Wilson, 5; Canaday, 5.

By general consent, a recess was then taken, but, after a brief interval, the Board re-assembled.

On motion, another vote was taken for Mayor, with the following result: 46TH BALLOT.—Canaday, 5; Wilson, 5.

At 5 o'clock, on motion, a recess was taken until this morning at 9 o'clock.

Body Discovered. The body of Dennis Gill, the colored boat hand, who was drowned off the Steamer North Star on the 30th ult., about 15 miles below Fayetteville, was discovered a few days since, by passengers on the same boat, held to a hush on what would be the banks of the river—were they not overflowed to such an extent? It is supposed that the body was found by some person posing in a canoe and tied there until some one should appear to perform the rites of burial. The boat would have been stopped and the body buried at the time we allude to, but there was no possibility of landing on account of the flood.

Street Railway Accident. One of the street car horses stumbled and fell on the track near the corner of Ninth and Chestnut streets, yesterday afternoon, the wheels passing on to the body of the prostrate animal and throwing the car off the track. Pieces of wood were secured and the horse buried upon the spot, apparently but little the worse from the fall and the heavy weight he had sustained. There were several ladies and children on the car at the time the accident occurred.

Under the head of "A First-Class Run in the Western Atlantic Railway," we publish in this issue an extract from the Atlantic Herald which will prove highly interesting to many of our readers.

Gen. William McRae, formerly of this city, being a prominent voter in the home of Gen. Double Creek, South Carolina, and other streams, were also badly damaged. The lands on North York Creek were also badly washed, crops very much injured and a great deal of fencing washed away. Middle Fork, the stream at the lower end of town, was also unusually full, and the damage caused thereby considerable.

A correspondent writing from Athens, Georgia, recently visited the site of the famous Greek city of Corinth, and modern civilization. He writes that he found the ruins of the city in a state of great decay, and that the people of the city were in a state of great poverty and distress. He also writes that he found the people of the city to be very superstitious, and that they were very much afraid of the gods.

Reigie's premises, two miles from town, was entirely carried away, a loss of some 75,000 brick. The railroad track between Greensboro and Kernersville was considerably injured, but is now repaired. The Yadin River at Rocky, Curry county, was about fifteen feet above ordinary water level. Hay, oats, fodder, live stock and a wagon were seen floating down the river. The river bottoms are badly washed, and the wheat crop, which was very promisingly advanced, was just coming up and will have to be replanted. Judge Deakin's fine river bottom, among others, has been placed under deep run. The track of the Yadin River at Rocky, Curry county, was about fifteen feet above ordinary water level.
