JOURNALISTIC.

Yesterday the Richmond *Dispatch* appeared, we believe for the first time, in a double sheet. This exhibits enterprise.

The Battleboro *Advance* comes out this week, after a temporary suspension, greatly enlarged, and in new type, heading, etc. In every respect the *Advance* is one of the strongest village papers of the State. Published in one of the smallest towns in the State, its success has been truly surprising.

GENERAL NOTES.

— It is thought there were 7,000 persons present on Thursday in Richmond when the bodies of 333 Confederate soldiers killed at Gettysburg were interred.

— For meritorious services the Khedive has presented Col. Beverly Kennon, formerly of Virginia, with the highest order, that of the Medjidich. Col. K. is Egyptian Commissioner to Vienna.

Spirits Turpentine.

— Mumps rages in Durham.

— Mr. John Kinley, of Davie, aged 70, hanged himself in his barn last week for some unknown reason.

— On next Wednesday a State Temperance Convention of colored people will convene in Newbern.

— The *Sentinel* is pleased to chronicle the return to health of Hon. D. M. Barringer, who has been ill for many days past.

— In raising funds for Davidson College the *Watchman* says Rev. P. H. Dalton was quite successful in Salisbury.

— The Kinston *Gazette* of yesterday has a scorching article on "Official Corruption," confined principally to dissecting the Judiciary of the State.

— The quickest trip and return ever made between Newbern and New York was made by the steamer Ellen S. Terry, Capt. Salyer, in her last trip, says the *Times*.

— Kinston *Gazette:* On last Saturday night some scoundrel committed a burglary on the store of Phillip Cohen on Queen street and took a large amount of goods therefrom.

— The Newbern *Times* is disposed to be proud of the Stanley Hall now in course of construction in that city. The upper portion of the building will give the Newbernese a place of amusement.

— At the residence of Jessee H. Powell, Esq., in Edgecombe county, on Wednesday last, by Rev. Mr. Dodson, Mr. Joseph B. Phillips to Miss Pattie Battle; and at the same time Mr. Henry S. Bunn to Miss Lou Powell.

— The Kinston *Gazette* learns of a very disastrous rain and hail storm which passed over portions of Greene and Pitt counties, last week, destroying crops, killing stock, and in some instances the roofs of houses were broken in by the hail stones.

— Winston *Sentinel:* Quite an excitement was caused last Friday evening in the Court House, among the lawyers, Judge and Jury, and in fact among all who were present, by the falling of a brace, from the rafters to the ceiling, overhead, of the court room.

— Battleboro *Advance:* Mr. J. W. Portis is having built a neat residence on Main street and Mr. S. S. Alsop will soon commence the erection of a handsome store house on Railroad street. The nice residence of Mr. J. T. Stewart is nearly completed and will soon be ready for—

— Three days of Greene Court were consumed in trying the case of the Commissioners of Lenoir county against the bondsmen of Roderick J. Powell, deceased, former treasurer of Lenoir county. Verdict for the plaintiffs in the sum of $5,000 and interest,—The $50 claimed by Hunter to have been paid at a previous time and for which Powell had not before receipted.

— Raleigh *Sentinel:* During the year ending 31st March, 1873 the American Bible Society issued for the Bible work in North Carolina, 15,589 volumes of the Scriptures, which is an increase of five hundred per cent. on the number issued in the previous year. The sales to the auxiliaries amounted to about $5,000. The receipts from the State for the year ending 31st March, 1873, were over $5,000, being an increase of seventy-five per cent. on the receipts of the previous year. Mr. Strobel, the Agent, feels much encouraged, as there is a manifest improvement of the Bible work in this State.

— In the meeting in Goldsboro last Thursday, says the Raleigh *News*, of the N. C. Fertilizing Co., some 130 Shares were represented. Mr. Wm. S. Battle presided, and Messrs. Jordan Stone and R. H. Jones acted as Secretaries. No permanent organization could be effected, under the requirements of the General Incorporation Act of 1872, until notice thereof had been advertised twenty-one days in the county in which the business of the Company would be transacted, and hence the meeting only considered the questions of the location of the Company's business headquarters, the arranging of the charter, and the location of the factory of the Company. On the third ballot Goldsboro was selected as the business headquarters.

Finance Committee's Report.

At the meeting of the Board of Aldermen, held on Thursday night, Alderman Rice, of the Finance Committee, stated that they were not prepared to furnish an extended report, but would give such items of a general nature as had been obtained from the accounts of the City Treasurer, as follows:

City bonded debt May 10th, 1872	$564,200 00
Floating debt	6,635 00
	$570,835 00
City bonded debt May 10th, 1873	$564,200 00
Floating debt	23,228 47
	$587,428 47
Interest (Coupons) due July 1st, 1873, in currency	$10,736 50
Gold interest	6,122 16
	$1,858 66
Add for old Coupons	2,000 00
	$18,858 66
Amount of bills from old Board due May 10th, say	$1,991 77
Amount of Cash on hand May 10th	987 33
Special Tax Collections, Monthly average	$3,845 76
Ordinary Expenses, Monthly Average	7,193 40
Amount due on Special Tax and from Real and Personal Property Tax of 1872, about	10,000 00

The Committee also reported that there is quite a large amount of old bonds on hand, in bank and special deposit, and that the same ought to be destroyed.

The Committee were not prepared to make recommendations to provide for the city expenditures, as the Tax Books in Real Estate and Personal Property would not be ready for two or three weeks, and therefore asked for further time.

It will be seen from the above report that the actual increase in the floating debt of the city for the fiscal year ending May, 1873, amounts to some $16,000 or over.

Federal Memorial Celebration.

Yesterday, the 30th of May, being the day set apart by Congressional enactment for the decoration of the graves of Union soldiers, was appropriately celebrated in this city. The procession formed in the vicinity of the City Hall at 2 P. M., after which the line of march was taken up down Princess to Front, down Front to Market and up Market to the National Cemetery. First in the procession came a platoon of Police, under command of Sergeant J. N. VanSoelen, followed by a detachment of troops from Fort Johnson; the marines from the Revenue Cutter *Seward*, in white shirts and black pants; Company A, Wilmington Rifle Guards, under command of Capt. J. S. W. Eagles; Company B, Wilmington Rifle Guards, under Capt. Cooper (both colored companies); the rear being brought up by persons in carriages and other vehicles. At the corner of Fifth and Market streets the children of the different colored schools joined in the procession. At the Cemetery the ceremonies were quite imposing. The oration of Rev. Mr. Blake was brief but to the point, and is highly spoken of. A poem was also recited by J. H. Smythe, Cashier of the Freedman's Savings Bank, which is represented to have been very appropriate to the occasion and creditably rendered. The graves were then decorated with flowers and miniature flags, there being one of the latter for each of the twenty-two hundred graves in the Cemetery.

Returning to the city the two companies of Rifle Guards marched down Market to Front, up Front to Princess, and up Princess to the City Hall, where they went through the various military exercises and evolutions very creditably, after which they were disbanded.

The procession was by no means a large one, but made a very fine appearance.

In consequence of some misunderstanding the Chief Marshal, Wm. McLaurin, colored, left the procession shortly after it started and its further conduct was left to his aids.

The Court House was draped in mourning and the flags of the various public buildings and of some of the shipping in port were at half-mast during the day.

Interesting Incident.

The excursion to Waccamaw Lake on Thursday by the Sabbath School of the Front Street M. E. Church was attended by a very interesting incident, and one which added no little to the pleasure and enjoyment of the occasion. This was the presentation to Mr. Wm. M. Parker, Superintendent of the school, of an elegant silver ice pitcher, tray and goblet, bearing the inscription, "To Our Superintendent, William M. Parker, May 29th, 1873." Miss Lillie Jacobs, on the part of the School, presented the beautiful gifts, in a very handsome little address, which was briefly and touchingly responded to by Mr. Parker. A beautiful silver goblet was also presented to Mrs. Jno. J. Poisson, by her infant class, the presentation being made by Miss Flora Mahn in a neat address, which was appropriately responded to by Mrs. Poisson. The ceremonies took place at 12 o'clock. The gifts are no doubt deserved and should certainly be accounted by the parties as a very flattering evidence of the appreciation in which they are held by the children under their charge.

— There was no session of the Mayor's Court yesterday.

Local Dots.

— Fine rains yesterday and last night.

— The Schr. *John* arrived at New York from this port on the 28th inst.

— The Schr. *E. C. Rommel* arrived at New York from this port on the 28th.

— We learn from a friend at Lumberton that Mrs. Jane Lewis, an old and highly esteemed lady of that place, and wife of Mr. David Lewis, died yesterday morning, aged about 65 years.

— We learn that the Committee appointed by Stonewall Lodge, K. of P., reference to which was made yesterday, was instructed to take the matter of an excursion under consideration, but no definite arrangement has as yet been made as to what point they will visit.

A Sad Case—Death of Mr. W. S. McDiarmid, Editor of the Lumberton Robesonian, by Accidental Drowning.

The sad and startling intelligence was received in this city yesterday of the accidental drowning, on Thursday evening, of Mr. W. S. McDiarmid, Editor and Proprietor of the Lumberton *Robesonian*, by accidental drowning. It seems that he left home during the afternoon, taking with him soap and towel, for the purpose of going in bathing in Lumber River, about half a mile from the town limits. He went alone and on his failure to return in time for tea it was supposed that he had been invited to sup with some friend. As time passed on, however, and he still failed to make his appearance, his daughters became uneasy and at length very much alarmed. Finally some friends of the family undertook a vigorous search among his usual haunts about town, but failed to discover him or learn anything of his whereabouts.—Early yesterday morning a party started out to resume the search, first visiting the spot where he had been in the habit of bathing and where he had stated he was going on this occasion. Here they found his clothes, towel, &c., with his watch and money in his pockets. Of course this established the fact almost beyond the possibility of a doubt that the unfortunate gentleman had perished by drowning. He could not swim and it is supposed that he ventured beyond his depth and was swept to destruction by the strong current which is said to have prevailed at the time.

As soon as the facts became known in Lumberton a large crowd repaired to the scene of the disaster and commenced searching for the body, dragging, firing guns, &c., but up to the time the train left Lumberton yesterday it had not been recovered.

Mr. McDiarmid leaves four orphan children, his wife having died suddenly about two months ago, while her husband was on a visit to this city. He was formerly a minister of the Baptist Church, but for some years past has devoted his time and talents to the publication of his paper, the *Robesonian*, and had attained no little success and credit as a journalist. His untimely death is much deplored by a large circle of friends and has cast a deep gloom over the community in which he resided.

Crude Turpentine.

A friend at Blackville, S. C., writes to know what is meant by "subject to extra" and "free of extra," as applied to turpentine inspection. This is a matter which concerns the seller and buyer and not the inspector. For instance, if a dealer purchases a lot of turpentine at $3 35 for Virgin and $3 10 for Hard, in making out the bill 5 cents per barrel is deducted for cooperage. On the contrary, if the bill for the same lot is made out at $3 30 and $3 05, no extra is deducted; so that in esther case it really amounts to the same thing, so far as the price is concerned. Some of the buyers refuse to buy free of extra, which was until the last year the usual way of selling the article.

Assault and Battery.

Betty Faison, Eddie Wilkins, and Chaney McNeill, all colored, were arraigned before Justice Woodford, yesterday, on the charge of committing an assault on the person of Mrs. Annie Speight. Chaney McNeill and Eddie Wilkins were found not guilty and discharged. Betty Faison was found guilty and required to pay a fine of $10 and costs or be imprisoned thirty days.

Accident.

A colored man, residing on the corner of Seventh and Dock streets, was severely injured at the mills of Messrs. J. H. Chadburn & Co., yesterday, by a piece of scantling falling and striking him on the head. His left cheek was bruised very badly and one of his eyelids severed in twain.

His injuries, though very severe, are not likely to prove fatal.

Religious.

Rev. Prof. L. A. Bikle, President of the N. C. College, is expected to arrive here today and will officiate in St. Paul's Lutheran Church during the absence of the Pastor, Rev. G. D. Bernheim. All services will be in the English language.

Negotiable Instruments.

We are informed that Judge Clarke decided at Newbern last week that a negotiable instrument might be filled in with the amount due at any time, although under seal, in the same manner that promissory notes, not under seal, may be filled in, thereby placing them on the same footing.

PROTESTANT EPISCOPAL CHURCH.

Fifty-Seventh Annual Convention of the Protestant Episcopal Church of North Carolina.

SECOND DAYS PROCEEDINGS.

[Special Correspondence of the Star.]

FAYETTEVILLE, N. C., May 29, 1873.

Convention met at 9½ o'clock A. M., pursuant to adjournment.

After prayer, the Parochial Reports were received.

The following additional Clergymen and Lay Delegates reported: Revs. A. Smedes, C. O. Brady, E. R. Rich, and F. J. Murdoch; and Messrs. J. W. Patton, J. C. McRae, J. F. Foulks, L. J. Haughton, B. I. Howze, K. P. Battle, A. H. Battle, W. R. Cox, S. L. Fremont, T. M. Ferrell, H. Frizell, W. H. Wetmore, J. J. Henderson, W. B. Meares, J. W. Atkinson, Du Brutz Cutlar.

Rev. Israel Harding was appointed Assistant Secretary.

On motion of Rev. J. C. Huske, visiting and resident clergymen not entitled to sit as regular members, and candidates for Holy Orders, were invited to sit as honorary members.

The Committee on Elections reported various informalities in certificates of delegates, but the holders were all allowed to take their seats without discussion.

The Bishop announced the following standing committees:

On State of the Church—Revs. E. M. Forbes, N. Collin Hughes and Jarvis Buxton, and Messrs. S. J. Hensdale and W. R. Cox.

On Canons—Revs. E. S. Bronson, A. Smedes and D. H. Buell, and Messrs. J. G. Martin and W. H. Battle.

On New Parishes—Revs. Geo. Patterson and H. G. Hilton, and Mr. P. A. Wiley.

On Unfinished Business—Revs. A. A. Benton and N. Falls, and R. W. Singeltary.

Finance—Revs. A. A. Watson and J. C. Huske, and Messrs. S. L. Fremont, Rob't. Strange and K. P. Battle.

The Bishop then read his annual Address. In reference to the Assistant Bishopric, he described the difficulties of the Diocese, attributable to its wide extent of territory and other causes, and suggested that the only remedy was the election of an Assistant Bishop.

On motion of Rev. Geo. Patterson, that portion of the address in reference to the Assistant Bishopric was referred to a committee of five, consisting of Revs. A. Smedes, N. Collin Hughes and Geo. Patterson, and Messrs. A. J. DeRosset and W. H. Battle. The remainder of the address was referred to the Committee on the State of the Church.

Rev. Mr. Huske presented a memorial from a number of members of St. Joseph's (colored) Episcopal church, of Fayetteville, asking to be formed into a separate Parish and to be allowed representation in the Convention. Referred to Committee on New Parishes, who reported favorably.

The Committee to revise rules of order recommended an additional rule in reference to elections—requiring the Secretary in calling the roll, to call the name of each Parish, instead of names of delegates or delegate, as Chairman, to announce the vote of the Parish. Laid on table temporarily.

Mr. W. H. Battle reported from a committee appointed to draft a proper form of deed in the conveyance of property to the of this Diocese. Referred to Committee on Canons.

The Treasurer, Dr. A. J. DeRosset, made a report, which was referred to Finance Committee.

Rev. Mr. Watson, from Missionary Committee, and Rev. Mr. Patterson, from Committee on Education, submitted reports, which were appropriately referred.

Rev. Mr. Brown offered a series of resolutions recommending that the Bishop appoint a committee of one or more in each Parish to co-operate with the Building Committee: also, that a committee be appointed consisting of the Bishop, two clergymen and two laymen to considered the matter of establishing a Diocesan School. The first resolution was rejected. The second, in regard to the Diocesan School, after discussion by Revs. A. Swedes and B. S. Brown, was so amended as to instruct the committee to inquire into the practicability of the scheme; and in this form the resolution was adopted.

Rev. Mr. Brown offered a resolution directing the Trustees of Parishes to report to the Bishop, on his annual visitation, the condition of the Parishes and especially the salaries of Rectors. Went over.

Dr. A. J. DeRosset offered a series of resolutions, in reference to some amendments to the Canons, as now printed, which were referred.

On motion, the Convention took a recess until 4 o'clock P. M.

AFTERNOON SESSION.

Convention re-assembled according to adjournment.

The Assistant Bishopric was *the* question of the afternoon session. The Committee previously appointed to consider the subject made a report. The Convention unanimously decided to elect an Assistant Bishop, with a salary of $2,500. After Morning Prayer and the celebration of the Holy Communion to-morrow morning, the Clergy are to meet and make a nomination to be reported to the Convention which will meet, for the election, with closed doors. This latter question, as well as that relating to salary, gave rise to a very spirited and lively debate; but there was no opposition to the salary proposed, and almost none to the secret session; when the vote was taken.

On the subject of Finances, a proposition to change the present mode of assessment was rejected.

A recommendation that the salary of the Bishop be increased to $3,000 was postponed until to-morrow. On this proposition the Bishop stated that he would be glad to have his salary increased if the Diocese were in a better financial condition; but under existing circumstances he not only did not desire, but was unwilling to accept any increase.

The Treasurer was authorized to omit from his accounts hereafter all stocks and securities that had become worthless by reason of the war or from other causes.

After a long discussion, a new rule of order was adopted by which, on a vote by Orders, the vote of a lay delegation will be cast by one delegate as Chairman of the delegation. This is an improvement on the former method, which required an unnecessary consumption of time in calling the roll.

Convention adjourned until 9 o'clock A. M. to-morrow. WILMINGTON.

CITY ITEMS.

MILLINERY.—An elegant assortment of millinery goods will be found at Mrs. Strock's, corner Market and Second streets. The ladies are cordially invited to call and examine my stock. The best goods at the lowest prices. MRS. E. M. STROCK.

So general has the public confidence become in Dr. Ayer's medicines, and so great the demand for them that unprincipled villains are attempting to deceive the unwary by imposing upon them their worthless nostrums under a similarity of name. Cherry Pectoral Lozenges, Dr. Ayer's Troches, Ayer's Pastiles for Coughs, Cherry Pectoral Cough Drops, Ayer's Fever and Ague Cure, Dect. Ayer's Indian Pills, &c., &c., (none of which are of Dr. Ayer's manufacture or composition) are specimens of this villainy and deceit. They not only defraud the sick of their money but of their health, or the recovery of their health, which is far more important than money. From actual counterfeits the people are protected by law, while the Doctor promptly enforces, but these evasions sometimes elude the law, and purchasers must protect themselves by refusing to be deceived by them.—Dover (N. TO THE EDITOR OF THE MORNING STAR.

SIR:—

Will you do me the kindness to publish the following statement:

The arrangements made for the celebration of Memorial Day gave dissatisfaction to some of the white office-holders in this city, and they set to work to annul the same, that they might get up a programme to suit themselves; in this they signally failed, and the appointments made by the comittee were unchanged. I was appointed Chief Marshal and expected to be so acknowledged. Judge then, of my surprise, when E. R. Brink, without any authority, usurped my place, and pushed all of the whites in front, and the honorably discharged soldiers and sailors were pushed in the rear. The fact of the case is this: that these few white office-holders seem determined to hold all the places of honor, trust and profit, and expect the colored people to support them. I could tell much more, but this will suffice for the present.

Yours, very respectfully,
may 31-1t WM. MCLAURIN.
