The Carter Murder Case.

SIXTH DAY'S PROCEEDINGS

THE INTEREST UNABATED.

The Rest of the Prisoners Remanded to Jail, and the Case Before Justice Cassidey Concluded.

The exciting murder case which has for some time claimed the attention of the public was yesterday concluded before Justice Cassidey, and all the parties accused were remanded to jail, with the exception of was always fighting Willie and the other Duke Walker, in whose case an alibi was proved. The court room was, as usual, crowd ed, and all seemed to listen with breathless attention. The prisoners appear about the same, with the exception, perhaps, of Mrs. Carter, who seems to show the effects of her incarceration. Elijah appeared sullen and silent. The small boys, we noticed, have a social chat before the beginning of the proceedings and to look at them, one could have easily imagined they were engaged in some of their boyish sports.

Some new developments were expected in the case of the boy Duke, but there was not much surprise manifested when David Martin admitted that he told a lie when he implicated Duke, that peculiarity having so frequently characterized the statements of David.

G. L. Mabson appeared for Duke Walker. Below we append the testimony:

DAVID MARTIN, re-called and stated: I have said that Duke Walker was with me at the killing of Willie Carter. I don't know that he was there. I never saw him there. Jimmie said he

Jimmie told me to say that he was there. The Coroner's jury did not offer me any reward to tell that Duke was there. I did not see Duke there at all and I swore to a lie when I said Duke was there.

SIDNEY BROWN worn, said: I live in Wilmington. On last Monday week I was seven miles from Wadeshore, on the Charlotte road. I know Duke. Duke was then carrying water for Mr. Joe Ellis' hands. I identify Duke as the same boy. I am certain it was he. I know he was there because he left Wilmington on Monday the 4th day of this month and he has been there every since. JOHN B. LYONS

sworn, said: I live in the city. I was on the Rail Road week before last working for Mr. Joe Ellis. I know Duke. He was there carrying water for the hands.

Here Justice Cassidey declared the alib in the case of Duke Walker successfully proved and Duke Walker was discharged

DUKE WALKER was then sworn and examined by the Court and said: I don't know Mrs. Carter. I have played with Willie Carter and these boys. I have heard David Martin say that Mrs. Carter offered him ten dollars to drown Willie. He said, she said, she would give it to anybody that would drown him. It was about a month ago. We were playing ball at the Union Depot and Willie came up and then David said so, and Elijah said that she did say so. And then Willie cried and went off.

BY DEFENCE. David talked it pretty loud, and all the boys heard it. Some of them laughed. It was three weeks before I went up the road that I heard this. I have been talking to Mr. Lang Sellars since the murder was com-.. A colored man Robert Smith, mitted. He said that if I did not tell the straight of it he would throw me in the river and drown me. It was yesterday he told me so. He tried to scare me to tell him I was there when the murder was committed. He said he knew I was there and that I need not deny it. He asked me where the twenty dollars was that I took out of Willie's pocket. I told him that I knew nothing about any twenty dollars. I have talked with nobody but Mr. Sellars about it. He told me that they all swore that I was there and had cut around Willie's arm and broke it off with a stick.

LUCINDA CHERRY sworn, and, being examined by defence, said : I know Charlotte Hooper. I saw her at Mr. Dawson's corner on last Monday week. Billy Merrick was there with her. It was about 4 o'clock in the afternoon. There were not many on the street. I saw only one dray pass. I did not pay attention to who the driver was. After I saw Charlotte I saw Aunt Rose and another woman.

with her then. No one has been talking to me about that since then.

ELIZA JONES. sworn, said: I was at Mr. Mebane's on last Monday week, between 3 and 4 o'clock. Charlotte Hooper came there with Billie, I am certain it was Billie, for I went up to him and asked him his name and he said it was William Henry.

sworn, said: I know Charlotte Hooper and Billie. I saw them at Dr. Anderson's on Monday week, at about 5 o'clock.

JANE MERRICK. sworn, examined by Jury: I know Willie Carter. I have seen him nearly all the time in the street with this boy David. I did not see him on Monday. I saw David come past the house on Tuesday. David children. David seemed to be the boss of the crowd. Mrs. Carter seemed fond of Willie, I never knew of her whipping him but once. It was last spring Willie came over to get me to draw a bucket of water for him, and he said his mother whipped him. He said it was because he had spit in her face. I live right facing Mrs. Carter's door. I think it was on last Monday week, a woman came by and told me some boys were whipping Willie on the road. I don't know Elijah and never saw any larger boys than David with the crowd.

BY DEFENCE. I live in the same square that Mrs. Carter does. I saw Willie every day. He looked like he was well cared for. I have never seen any bruises on his person, and have never heard of him being whipped but

JIMMIE ANDERSON 10 3 recalled, said: It was the day on which the Odd Fellows turned out that the murder took place. I don't know whether it was before or after the parade. I was at George Stacher's while the murder was going on I think the parade was afterwards.

DAVID MARTIN recalled and examined by the court, said: I was by the City Hall when the Odd Fellows turned out. The murder had then been committed. I went home after I went to see the Odd Fellows turn out.

[Here the testimony was concluded, and by order of Justice Cassidey, the accused, Elizabeth Carter, Elijah Martin, David Martin, Jimmie Anderson and Billy Merrick, were remanded to jail to await the action of the Superior Court, which meets in October next. Messrs. Adam Empie and John L. Holmes, counsel for Mrs. Carter, followed in a lengthy argument in her behalf but the bail which they craved was not granted, and the court adjourned. VERDICT OF THE CORONER'S JURY.

The Coroner's jury returned a verdict that the deceased, Willie Carter, came to his death at the hands of Elijah Martin, David Martin, Jimmie Anderson and Billy Merrick, through inducements held out hy Elizabeth Carter.

Collation on Board the Lucy Vick. In response to an invitation from the Agents, Messrs, Vick & Mebane, a large number of our citizens, including the Mayor and other members of the city corporation, the Collector of the Port and other Custom House officials, the Postmaster, Officers and members of the Chamber of Commerce and Produce Exchange, Vice Consuls of various nations, railroad officials, members of the city press and others, assembled vesterday on board the new Barquentine Lucy Vick, at the wharf of Messrs. Vick & Mebane, near the Railroad. The Lucy Vick is a new and handsome barquentine, of about 8,000 barrels capacity, and is to constitute one of the line between this city and Liverpool, of which Messrs. Vick & Mebane are Agents, the vessel being named by her owners in compliment to a daughter of Mr. Vick, the senior member of the firm. She is commanded by Capt. Another Murder, for the say We learn by passengers on the Carolina Central road yesterday that a white man, whose name is not remembered, was brutally murdered about 18 miles below Rockingham, on the Cheraw road, on Thursday. His head was split open with an axe in the hands of a colored man. He is said to have been murdered for his money, and the perpetrator of the deed got 90 cents.

Thurday's Excursion. Although a late start was made, we learn that the excursion on the steamer Waccamaw on Thursday, under the auspices of the Machinists and Blacksmiths' Union, was a very delightful affair, and was greatly en joyed by the two hundred persons who participated in it. The fish didn't bite to sui anxious sportsmen, but the music and dancing made up the deficiency. Of course, though, there was the inevitable sickness among a portion of those who ventured to the Blackfish Grounds. The refreshments were furnished by Mr. Thor burn and were ample for the occasion.

The Cheraw Murder.

A New and Courier correspondent writing from Darlington, gives the following particulars of the murder of Wells, the bridge keeper, on last Tuesday. He says: Some person passed the house in which Wells lived at 12 o'clock on the day of the bales of cotton, shipped from Charlotte via murder, and spoke to wells. At 2 o'clock he was found dead. The body was lying on the floor in a pool of blood, the skull literally crushed to atoms The pockets of the dead man were rifled, which would seem to indicate that he had been murdered and then robbed. No arrests have vet been made.

The concert given on Tuesday night and repeated Wednesday night in Salisbury, in behalf of the Orphan Asylum, is spoken of by the Watchman as proving far superior to expectation.
