The Synod Suat Adjourned.

The Presbyterian Syned of North Caroline, which commenced its 80th session in this city Wednesday night, affourned yesterday afternoon. The members speak of it as an extremely pleasant session, and no doubt it has been the means of accomplishing much goed for the denomination of which it is the representative in this State. The body just adjourned was composed of men who seemed thoroughly stive to the Christian work, and who evidently have the intelligence to enable them to perform it acceptably. The attendance was not as large as was expected, but several of the strongest men in the church were present and participated in the deliberations. The discussions were characterized by great dignity and kindly feeling.

THE PRESBYTEBIAN SYNOD.

Pourth and Last Day. Yesterday the Synod met according to adjournment at 91 o'clock and spent a half hour in devotional exercises. Minutes of esterday were read and approved. Rev. H. G. Hill read a report on the report of the Trustees of Synod, which was adopted. Certain notes in the possession of the Trus tees they were directed to collect and forward to Rev. J. H. Smith, Agent of Colpertuge. Committee on Records of Fayetteville Presbytery read their report, which was adopted. The committee appointed to examine the report of the Trustees of Union Theological Seminary presented a paper, which was adopted. This paper expresses the gratification of the Synod at the continued prosperity of that institution. The fact that in the last Senior class North Carolina has a larger representation than any other State calls for humble thankfulness on the part of this Synod.

Rev. F. Johnston and A. T. Summey rendered excuse for non-attendance at the last meeting of Trustees of the above Seminary. Revs. Johnson and Atkinson and Elder E. McGilvary were elected Trustees for the next four years, wall and I all

The statistical report to the General Assembly was next read, containing these facts: This Synod is compled of 96 ministers; has 201 churches; has under its care 9 licentiates and 36 candidates for the min-

The Wednesday before the third Sabbath in October, 1874, at 71 P. M., was chosen as the time for the next meeting of this body.

These resolutions were unanimously adopted:

Resolved, That this Synod have heard with deep interest the Rev. Daniel Mc. Gilvary, a native of this State and formerly a member of this Synod, now a missionary to Siam under the care of the Presbyterian Board of Foreign Missions.

Reclard That this Synod record their gratitude to the Great Head of the Church or that tender and gracious care in the midst of privation and danger which has for the marks of divine favor and blessing that have attended his labors, and pray that still further the hand of the Lord may guide him in his work and crown him with bundant success.

A committee was appointed to prepare a suitable memorial of Rev. A. G. Hughes, deceased, and report at present meeting.

Unfinished business was next taken up, which was a consideration of the complaint of certain members of Mecklenburg Presbytery. The roll was called for an expression of opinion on the part of each member of Synod, and by a nearly unanimous vote the complaint was sustained. Notice was given that this action of Synod would be complained of to the Assembly, at its next meeting, and the Synod consequently directed the Stated Clerk to designate persons to defend Synod in this matter.

Report of the Agent on Publication was read and adopted, as was also the report on Standing Rules. Rule 25 was amended so as to authorize the Treasurer of Synod to pay the expenses of Trustees of Seminary instead of the Treasurers of the Presbyteries as heretofore.

Several committees on comparatively unimportant matters made their reports which were adopted The Stated Clerk was directed to have

The Cases of Frank Malpass and Henry Gurganus, Charged with

the Murder of E. J. Walker. In the case of the State es. Frank Mulpass and Henry Gurganus, the State was represented by R. Beverly Frayser, Esq., and Solicitor Cantwell, and the defendants by E. B. Sanders and John L. Holmes, Esqs. Those who saw the altercation which resulted in the death of E. J. Walker testified that words were followed by blows; that Malpuss struck Walker on the face and knocked him down; that in rising, Malpass beat Walker over his neck and back part of his head, while it was upon the stretch and hanging down hipen the chest, to the utmost; and that in a few moments Walker died from the blows given by Malpass as aforesaid, aided by Gurganus as accomplice.

Drs. S. S. Satchwell and George F. Lucas were introduced by the State as medical experts. Dr. Satchwell testified that in company with Dr. Lucas and Coroner Hewlett he dug up the body of E. J. Walker on Wednesday last, by direction of the county authorities, and made a post morten examination, under very offensive and loathsome circumstances, as the deceased had been buried six weeks previous and the putrefaction rendered the important investigation extremely nauseous and almost intolerable. The doctor made the case intelligent to all by presenting in court the skull and neck, which enabled him to show clearly where the fatal blows were inflieted and how death resulted. There was a dislocation or a breaking of the neck near the skull, and at the most exposed portion of the neck to the violent force applied. He showed how it was that when the head was hanging over, as testified by others, upon the breast as low as possible, that blows with the fist of Malpass, or with additional means in his hands, could have inflicted injuries that resulted in death by asphyxia or a suspension of the heart and of breathing. He made it plain and satisfactory to all. Dr. Lucas was examined and advanced

similar opinions. The defendants plead guilty of manslaughter. Judgment was suspended on the payment of costs, Malpass and Gurganus being held in the sum of \$1,000 each for their appearance at the January term of

the Court and to keep the peace. Wilmington Retail Market.

Four or five box cars were thrown off, but all but one were replaced on the track. The accident was caused by one of the switch rails being turned over.

THE MURDER CASE.

Third Day's Proceedings-Arguments of the Counsel Concluded, and the Case Surrendered to the Jury.

The entire day yesterday, in the above case, was consumed in hearing the arguments of the counsel, and the charge of His Honor, Judge Russell, to the jury. At the opening of the morning session G. L. Mabson, counsel for Jimmie Anderson, resumed his argument and, at its close, Solicitor Cantwell arose and engaged the attention of the court, in an argument of considerable length, in which all the points of the evidence were forcibly treated. Some of its passages were truly eloquent, and made a very parceptible impression on the jury. The Solicitor closed his argument late in the afternoon session, after which R. B. Frayser, Esq., counsel for David Martin, made the concluding argument. The charge of His Honor consumed about half an hour in its delivery. He cautioned the jury particularly, to beware of being guided in their detiberations by any consideration of color, as it was a remarkable fact that the jury were all colored, as were also the prisoners, while the victim of the alleged murder was white. The jury

retired at half past seven. The jury, after an absence of some hours, eturned a verdict of guilty in the first degree, as to David Martin, and not guilty as to Jimmie Anderson. David Martin was sentenced to be hanged on Friday, the 28th inst., but the judgment was vacated by an appeal to the Supreme Court. Jimmie Anderson was discharged.

Beath of Mr. Louis Froelich.

Mr. Louis Froelich, formerly a resident of this city, subsequently of Kenansville and more latterly of Halifax county, died at his residence near Enfield on Monday last, of consumption, in the 56th year of his age. Mr. Froelich did much in the way of developing the resources of this section and was an active contributor to the success of the Agricultural Fairs in this city. He paid particular attention to grape culture, in which he was very successful, his wines being always among the best exhibited at the various fairs. His many friends will regret to hear of his death, as he was among the useful men of his day and generation. We find the announce-

ment of his decease in the Enfield Times. A dwelling house, occupied by colored people, located in an old field somewhere n the vicinity of Union Depot, was destroyed by fire yesterday morning, between ? and 8 o'clock. When the flames were discovered they had progressed so far as to be beyond control and the building was rapidly consumed. There was no general alarm and very few people were aware that any fire had taken place, so quickly did the destroying element do its work. The fire is believed by some to have been the work of an incendiary.
