Superior Court. The following business was transacted

yesterday: The Grand Jury found true bills against Amos Gregory and Mahala Gregory, col'd, for the murder of a child named Floid, in this county, by whipping it to death, some months since. Also against F. M. Brunson for forgery, and another against the same party for obtaining goods under false pretenses. Hon. Geo. Davis, we understand, has been retained on behalf of the State in the latter case, which is set for trial on Wednesday. In the murder case, the day for the trial of which has not yet been set, Geo. L. Mabson has been retained by the

State es. the same, charged with forcible trespass, in taking a gun away from said colored boys, being an appeal from a Magis trates' judgment. Proceedings quashed and defendant discharged, which is understood

to be a final disposition of the case. State vs. James A. Chambers. The question in this case, as we understand it, was whether the Mayor of the city having under the act taken jurisdiction and panished an assault and battery, a State offence, by virtue of an ordinance for disorderly conduct, if it was competent for a Magistrate after-

This question, we understand, will go to the Supreme Court for its decision, and it is supposed that if the Supreme Court shall hold that the Mayor has such power the jurisdiction of the Magistrates of this township and city will be considerably curtailed, and the expenses attendant upon these amuse-

More Thievery.

On Friday night, between 11 and 12 o'clock, Officer Lawrence Allen, of the police force, arrested a colored boy, who gave his name as Sam Bear, who had in his possession a pitcher and wash-bowl, for which he could give no satisfactory account. The boy was taken to-the Guard House and locked up, to await a hearing before the Mayor's Court to-morrow morning. Yesterday afternoon an old colored woman, residing on or near Thompson's alley, north of the W. & W. R. R., called at the City Hall and claimed the pitcher and bowl as her property, stating that the boy was at her house on the night in question. Upon being confronted with the criminal she immediately identified him, and the boy, upon being asked by an officer if he did not steal the articles from the woman, he " was dumb and opened not his mouth." The woman, that she was trying to serve God and hence did not desire to see any one punished .-While giving her credit for her Christian spirit, the officers informed the woman that the law would have to take its course.

A white man, a well known citizen of Johnson county, but whose name our informant could not remember, made an attempt to get on the train before it had stopped at the station, when he missed his hold and fell on the track, a portion of the train passing over his left arm and crushing it horribly from near the shoulder to the wrist. The unfortunate man, who appeared to be somewhat under the influence of liquor, was placed in one of the cars and carried to a point near however, plead for the boy's release, saying his residence, about eight miles from the place of the accident, where he was delivered into the charge of his friends.
