THE FIRE WAS EVIDENTLY THE WORK OF AN INCENDIARY.

The fire was evidently the work of an incendiary, as it could be seen where a piece of the tin which the outside of the building is covered had been partially removed and the fire put through the crevice.

The services at the different churches were considerably disturbed, but all proceeded to the close, many of the persons who left having soon returned.

SEVERAL CASES CONTINUED OVER FOR A FUTURE HEARING.

THAT "NARROW ESCAPE."

We have been furnished by the Engineer and Superintendent of the Carolina Central Railway with the following facts in reference to the culvert on that road, referred to in our last as having, as we understood, come clear causing an accident on Saturday.

THE FACTS ARE AS FOLLOWS: THERE IS A NEW CULVERT OF A VERY SUPERIOR CHARACTER NEARLY COMPLETED AT THE POINT NAMED, BUT THE TRACK IS AT PRESENT CARRIED OVER THE BREAK ON A TRESTLE, ABOUT 25 FEET LONG, WHICH WAS AND IS IN GOOD ORDER, SO FAR AS SAFETY IS CONCERNED.

ONE OF THE BRACES OF THIS TEMPORARY TRESTLE HAD SETTLED A LITTLE AND THERE WAS A SLIGHT BEND IN THE TRACK THAT REQUIRED STRAIGHTENING, BUT NOT AFFECTING THE SAFETY!

This is all. It might have been run over a month without danger; though we never delay the alignment of the track a day if possible. The timbers that carry the track rest on the ground at each end and the middle is supported by two benches to make it stable.

TAX RECEIPTS.

The receipts of taxes at the office of the Sheriff for the week ending on Saturday footed up as follows:

Table with 2 columns: Category and Amount. Schedule B. State... \$27 86; Schedule C. County... 237 88; General State... 881 90; County... 1174 85; Township... 58 69.

DEFENDANT MOVED TO DISMISS PLAINTIFF'S SUIT.

THE ALARM OF FIRE SUNDAY NIGHT.

On Sunday night, about 8 o'clock, soon after services had commenced in the various churches, the alarm of fire was sounded and was found to have its origin in the upholstery and paper hanging establishment of White & Zimmerman.

The flames and smoke were first seen issuing from a window on the South side of the building by a colored man who was passing. He called to a policeman near at hand and the two together, accompanied by a colored woman, went into the yard and by the vigorous application of water from a pump near by the flames were soon extinguished.

In the meantime, however, the engines were proceeding to the scene of the fire, when they were met by the announcement that it was all out. After the fire was out, so far as could be ascertained from the outside, and neither of the proprietors being present at the time, the front door was burst open to see if everything was safe on the inside.

It was found that a mattress tick which was lying on a sewing machine near where the fire occurred was the only thing materially damaged.

The fire was evidently the work of an incendiary, as it could be seen where a piece of the tin which the outside of the building is covered had been partially removed and the fire put through the crevice.

The tracks of the incendiary were also traced to the point where he jumped the fence.

The services at the different churches were considerably disturbed, but all proceeded to the close, many of the persons who left having soon returned.

LOCAL DOGS.

Import Entries for sale at the office of THE MORNING STAR.

The German Brig Germania, Vilmore, arrived at Hamburg from this port on the 12th inst.

The Schr. Howard, from this port for Newburyport, arrived at Vineyard Haven on the 13th inst.

An engine attached to a gravel train accidentally ran off the track at the Charlotte depot yesterday, slightly injuring the engineer, Mr. W. J. Morris, and a colored fireman. No other damage.

Mr. J. T. Legrand, Senator elect from Richmond and Montgomery counties, was in the city yesterday. Mr. Legrand is well known here, being formerly connected in a business capacity with the house of Messrs. E. Murray & Co.

The officers and members of Black Hawk Lodge No. 5, I. O. of R. M., are urgently requested to attend the regular meeting of said Lodge, to be held on Thursday evening next, as business of great importance will be transacted.

Having ascertained that Hon. A. A. McKoy, our newly elected Judge, was in this city on a brief visit, the Wilmington Cornet Concert Club improvised a serenade in his honor in front of the Purcell House last night. After playing several beautiful airs Judge McKoy was loudly called for and in response appeared upon the verandah of the hotel and delivered a short but impressive speech, in which he took occasion to refer to the recent glorious victory achieved by the friends of good government in this State, and to thank his friends for the flattering manifestation of their interest.

At the close of Judge McKoy's brief address, which was enthusiastically applauded, coupled with cheers for the champion of the Fourth Judicial District, Mr. James T. Legrand, Senator elect from the Twenty-Sixth Senatorial District, composed of the counties of Richmond and Montgomery, who was present and stopping at the same hotel, was called upon and responded in a short but cheering speech, in which he referred to the great triumphs which the Conservatives of the State had gained in the great struggle just ended, and more particularly in the counties which he is to represent, where an almost hopelessly Radical majority was overcome.

After leaving the hotel the band, followed by quite a number of their friends, visited the residences of Maj. M. P. Taylor, Sol. Bear, Esq., and others, retiring to their hall about 11 o'clock.

A NEW DODGE.

Mr. Bradley George, residing on Pervine's Creek, in Masonboro Township, was made the victim of "misplaced confidence" on Saturday evening last. He had laid in a number of purchases and was about starting for home, when a colored individual came up and asked if he could put a few bundles in his cart until they had got to the edge of the town. The request was acceded to, and by this time another colored man came up and preferred a similar request, which was also granted. This was in front of Mr. J. C. Kock's store on Front street, and it is supposed that they here removed the pin which held one of the wheels in place. At all events Mr. George had only proceeded to a point near the corner of Front and Church streets, about opposite Mr. Nat. Fowler's residence, when the wheel came off, and the cart tumbled over. Mr. George obtained a candle and proceeded to look for the missing pin with which to secure the wheel, followed by one of the men, and upon returning he found that a pair of shoes had been stolen by the man who remained behind and also some \$4 or \$5 in money, with perhaps other articles. He remarked as much to the man who was with him, who volunteered to arrest the other individual who was standing not far off, and he went up to him as if with that intention, but after tussling for a few minutes they both disappeared. Mr. G. was unarmed and there being no assistance near he could do nothing towards arresting the parties, who were entire strangers to him, nor in recovering his goods.

MEETING TO-NIGHT.

The Officers and Executive Committees of the general Democratic-Conservative Ward Clubs of the city, together with the Township Executive Committee, will meet at Lippitt's Hall this evening, at 8 o'clock, to determine the question of having a public demonstration in honor of our recent political victory. A full attendance is earnestly desired.

COTTON BOLLS.

Mr. J. A. Montgomery, of Myrtle Grove Sound, in this county, brought into our office yesterday several specimen bolls of Peeler Cotton, which were as fine in appearance as any we have ever seen.

We learn that Mr. R. E. Heide's cotton, at his plantation near this city, is also opening very finely.

THREATENING TO KILL HIS WIFE.

John Henderson, colored, charged with abusing and threatening to kill his wife, was arrested yesterday, on a peace warrant, and required to give security in the sum of \$50 for his appearance before the Mayor to answer.

DREDGE BOAT ARRIVED.

The steam dredge boat that is to be employed on the bar and river improvements, and which has been expected, passed the Sounds on Sunday, and we since learn arrived safely at the bar, where she was waiting to come in with the first tide.
