TO THE DEMOCRATIC-CONSERVA-TIVE PARTY OF THE CITY OF WILMINGTON

The undersigned, late members of the

Secretary of State.

Board of Aldermen, deem it due to you and to themselves to state very briefly, the reason of their withdrawal from that Board. Under the advice and instruction of the party to which we belong, as expressed in mass meeting on the night of the 2d day of March inst., we, each of us, pledged our-selves to Mayor Canaday that, if we continued members of the Board to the day of election (March 11th), we would hold our positions until the 12th day of August next. This pledge was deemed proper, in view of the fact that it was understood Mayor Canaday proposed, unless it was made, to discharge immediately all the employes of the city government belonging to the Conser-vative party. It will be remembered likewise that Mr. Alfred Martin, the Chairman of the mass meeting above referred to, was instructed to have prepared a Supplemental Bill to the new charter, fixing definitely the 12th day of August, as the day on which the newly elected Aldermen should take

their seats. This was done. A few days subsequently Judge Bond's decision on the application for injunction was made known, and immediately thereafter resolutions rescinding the instructions previously given us, were passed in some of the wards, and adopted by the Nominating Convention held on the night of the 9th inst. In meantime, telegrams had been sent to Raleigh, upon what authority we are not informed, to stay the passage of the Supplemental Bill, prepared as before stated by order of the mass meeting of the party held on the 2d inst.

Under these circumstances there was left to us but one alternative: either to resign at once, before the election; or, holding over after the election, to unite with the Mayor in resisting the application of the

for no honoparticularan would regard as a possibility out tanaining until after the election, and then, in direct violation of our pledges, resign before August. Under these circumstances at ALDIWe never doubted as to our AD THE ART UNFORM.

ises, we met, by appain, in advant com-McRae, Wnischend Money, J. A. Engellin buy a House, son, A. H. V buy a Horse, Koy, and othernt a Bouse,embered.

The position in which we were placed by the conflicting resolutions and counter instructions, heretofore detailed, having been fully considered and discussed, the commit tee above named agreed unanimously that there was left us but one proper thing to do, and that was to resign immediately—and upon this advice we promptly acted. While we not propose to utter one word of complaint against any one, or any num-ber of gentlemen, for placing us in the po-

sition which made it necessary for us to retire from the Board, yet if injury results to the city's interests by our having so done, each of us, we believe, may fairly exclaim, "Thou canst not say I did it." JNO. WILDER ATKINSON, A. ADRIAN, ROGER MOORE,

JNO. D. LOVE, W. D. MAHN. Wilmington, N. C., March 13, 1875. The old Board met at 3 o'clock to con sider the matter, and in reply to the communication, sent the following to each member of the new Board:

H. Van Bokkelen. Samuel W. Vick, L. H. Bowden, W. L. Smith, Thos. W. Player, John D. Love and Wm. D. Mahn: GENTLEMEN:-By a resolution of the Board of Aldermen, I send you the following: It is well known that this Board does not acknowledge the legality of your election. Hence I suppose your demand is a mere matter of form, preparatory to the assertion of what you think are your rights in the courts of law. I see no reason why a case cannot be made up for the Supreme Court at its next term in June. If you are desirous of making up a friendly suit for settlement I am willing; but if any attempt is made to enforce the ridiculous penalties denounced against us, or in any other way to take legal advantage, we shall consider ourselves released from any obligations to afford an early settlement, and will treat you as you do us. I hope that the cost, trouble, delay and bad feeling of protracted litigation will be avoided, and that we

between now and August whether to recognize you or not; and if so instructed we shall cheerfully comply. Respectfully, W. P. CANADAY, Mayor. Since the reception of the latter communication no further proceedings have been had, as the new Board will not meet again

County Taxation of Hallway Proper-A bill was on Friday introduced into the nouse of Representatives, which it was intended would explain section 19, chapter 102, Battle's Revisal, in regard to the county tax on railroad property.

until Monday evening.

Two cases of this character were decided in the Supreme Court recently, and by these decisions the County Commissioners were sustained in levying a tax upon the railroad property in their counties, and thus Battle's Revisal in this particular was explained by the decision of the Court. It was the purpose of the parties who introduced the above bill to have the construction of Bat-

tle's Revisal in this particular fixed in accordance with the decision of the Supreme Court. The bill was, however, tabled. Columbus Superior Court. This Court convened at Whiteville on last Monday, Judge Kerr presiding; The docket was disposed of before the termination of the week. Many civil cases were disposed of. One white and ten colored men were sentenced to terms in the State Penitentiary. One of the latter was convicted of burglary. One defendant-a white man-was convicted of stealing a Bible! Resignation of Freedmen's Bank Commissioners. The Commissioners appointed to adjust the affairs of the Freedmen's Bank have resigned, in consequence of having failed to obtain from Congress at its session just closed, such additional legislation as they deem essential to the proper and speedy execution of the trust reposed in them. None of the suggestions offered by the Commissioners were adopted by Congress Such suggestions were principally intended to facilitate the sale and settlement of the effects of the bank and for the purpose of conveying a perfect title to the purchasers. It is thought that much delay and embar-

rassment will be the result. Unmailable Letters. The following is a list of unmailable letclaimed: Lilly T. Davis, Raleigh; Patter-
