Monthly Report of the Cotton Exchange-Production, Condition and Cost of Crop and Labor. MEMPHIS, April 9.

The monthly report of the Cotton Exchange for March from West Tennessee, North Alabama, North Mississippi, and Arkansas north of Arkansas River, shows by 188 responses 32 3-10 per cent. less number of bales of cotton were produced in this district than in 1873. The facilities financially furnished in aid of producing the crop were 20 per cent. less than for 1873. It is estimated that 3½ per cent. only of the crop remained unmarketed on the 23d ult. There has been an increase of laborers in this district of ½ per cent. since the consumthis district of 1 per cent, since the consummation of last year's crop. Preparations for crop planting are 5 per cent. in an advanced condition as compared with the spring of 1874. The increase of acreage by new cleared lands is 3 per cent. over 1874. The prospective decrease in acreage of cotton planting, from that of 1874, is estimated

to be 5-45 per cent. Laborers are accepting work with alacrity for thirty-six per cent. of wages, forty-five per cent. for shares of crop, and nineteen per cent. for renting.

Conference of Presbyterians - The Confederation Plan-Tweed and the

A conference of Presbyterians was held here last evening, in the interest of the pro-posed Presbyterian Confederation. A plan for the purpose was submitted on July 24th. Representatives of all Presbyterian bodies in the world, designing to take part in the movement, will meet in London to draft a constitution for consideration, and to fix time and place for holding of the first council of the united body.

Notice of action was filed against Wm. M. Tweed yesterday, in the office of the County Clerk. The list of property attached embraces everything known to be in possession of Tweed at the time of his exposure and which he passed into the hands of other persons.
