- A grand military bop will be given at City Hall on Monday evening, the 19th inst., it being the third anniversary of Company A, Wilmington Rifle Guards, a colored organization, of which J. S. W. Ex-Sheriff Schenck, we understand, is occupying comfortable quarters in the jailor's apartments, where he is passing the time of his captivity in as good spirits as circumstances will permit. A number of friends called upon him yesterday in the room assigned him and helped to while away the hours which might otherwise have proven irksome. During the day he was granted an opportunity of visiting the prisoners in the jail, many of whom expressed a desire to see him. There was one, however, who refused an interview with him, restrained, perhaps, by the remembrance of some scrape from which, in days gone by, he had been assisted by the Sheriff on the

promise of better behavior in the future. It is a queer turn in the wheel of fortune which consigns to prison one who, in the capacity of Sheriff of the county, had in days past been the instrument of placing so many of his constituents in the same unenviable quarters.

A Race for Liberty.

A seaman, a deserter from the British Barquentine Elizabeth Taylor, was arrested yesterday and subsequently arraigned before Justice Cassidey. After undergoing an examination he was told that he would have to go to jail, for safe-keeping, until his captain should be ready for him, when he suddenly bolted for the door, cleared it at a bound and ran with all his speed up Princess street. Several officers and others started in pursuit, and after chasing him round two or three squares he was finally halted and taken back to the Magistrate's office, from whence he was removed to the county jail.

Closing Him Up.

We learn that Ex-Sheriff Schenck received a letter from Dallas, Texas, yesterday stating that a foundry in that place in which | Remaining in the city post-office April he held an interest, and for which he had | 16, 1875: given a mortgage, with the condition that he could renew the same from time to time, us it became necessary, had been seized and closed in consequence of the report of Brown, Jane Bryant, John Bird, B A Benhis arrest.

Methodist District Conference. As we have before announced, the meeting of the District Conference of the M. E. Church, South, is to assemble at Magnolia on Wednesday, the 26th of May, instead of the 19th, as had been previously stated. This change was made by Rev. Mr. Black, P. E., out of courtesy to the Baptists of Magnolia, with a meeting of which church the session of Conference as at first announced would have conflicted.

The Election in Pender County.

Through a special telegram to THE MORN-ING STAR, from Rocky Point, we have the returns from two of the townships in Pender county, of the election held yesterday for county officers. The vote was as fol-

Rocky Point Township .- For Sheriff-Williams, Con., 98; Gamberg, Rep., 238. For Probate Judge-Bryan, Con., 100; Galloway, Rep., 318. For Register of Deeds-McPherson, Con., 104; Nixon, Rep., 228. For County Seat-Rocky Point, 125; South Washington, 171.

Holden Township .- For Sheriff-Williams Con., 54; Gamberg, Rep., 71. For Probate Judge-Bryan 49; Galloway 75. For Register of Deeds-McPherson 54: Nixon 78 For County Seat-Rocky Point 5; Burgaw 56; South Washington 68

The indications, as foreshadowed above

are that the entire Republican ticket in

Pender has been elected, and that South Washington has been chosen as the county Since writing the above we received in formation that leads us to hope that Thom as Williams, Esq., the Democratic-Conservative nominee for Sheriff, and two Democratic-Conservative County Commissioners

are elected. If this should be the result, the people of Pender may congratulate themselves on having an efficient Sheriff and a good county government. ---

City Court. The following cases were disposed of yes-

terday morning: C. E. Stromberg, charged with fighting and other disorderly conduct, was found guilty; judgment suspended on the payment of costs.

August Neilson, charged with fighting, &c., was found gnilty; judgment suspended on the payment of costs.

James Sullavan, charged with being drunk on the streets, was found guilty and ordered to pay a fine of \$5 and the costs. James Sullavan, charged with cursing a

police officer while in the discharge of his duty, was found guilty and ordered to pay a fine of \$5 and the costs. Martha Williams, charged with disorderly conduct, cursing and drunkenness on the streets, was found guilty and ordered

to pay a fine of \$20 or work for thirty days

Tax Listing.

on the streets.

So far, including yesterday, 1,587 persons have listed their real and personal property in this township, being only a little over one-third of the whole number liable to this tax. Speaking of listing taxes, we learn that the listers, upon recent examination of their documents, found that one person had listed one hundred thousand dollars money in hand and another had listed three million seven hundred thousand dollars solvent credits, which at one time looked as if the usury law had not driven the money out of Wilmington to such an extent as had been imagined; but afterward, in both cases, it was found that a mistake had been made in putting down the cyphers.

The Rape Case.

The case of William Phinney, charged with attempting to commit rape on the person of Mary Bell Perkins, a small colored child, came up before Justice VanAmringe yesterday. The evidence of the father of the child and that of Dr. West, county physician, was taken, after which the case was continued over until this morning at 11 o'clock, owing to the absence of other important witnesses. Quite a large number of persons, both white and colored, were present to listen to the examination.

Catholic Missions.

The Redemptionists of the Catholic church have been attracting large crowds at their mission recently held in Richmond, Va. At the close of the mission Tuesday, the mis sionaries divided in two parties; one party will visit in this State, Raleigh, Fayette ville, Newbern, Newton Grove, Wilming, ton, Charlotte, Gaston and Cabarrus. They will remain sometime at each place, giving a series of sermons.

To City Subscribers. Beginning April 1, Mr. Samuel Davis takes charge of the entire city circulation of THE MORNING STAR; and from that date all subscriptions will be payable to him. He will serve the paper early and regularly, and hopes all his subscribers will pay promptly, as he has to meet his engagements with the proprietor whether the subscribers pay him punctually or not. tf

We regret to learn that Henry Penny, a youth employed in the Presbyterian office, had one of his hands badly crushed yester day by getting it caught in the machinery of the large power press in that establish-

COPY OF TESTIMONIAL. - HANNIBAL, Mo., May 30, 1874.-Messrs, J. & W. Tolley, 29 Maiden L York-Gent .: The 12 Gun which you built for me, No. 2093, has arrived safely to hand. Allow me to thank you for the fidelity with which you carried out my instructions. The general outline, beauty of proportion and excellent finish, are all that could be desired, and more than meets my expectations. I am more than ever impressed with the idea that it is as necessary for a man to have a gun built to measurement as to have a boot so built to ensure a good fit. The pattern 175 and penetration 40 are very superior. The pattern is as close as I desire, and the penetration I think is seldom attained, being far ahead of any public record which I have seen.

Respectfully Yours, G. W. DORMAN.
