COUNTY COMMISSIONERS.

Synopsis of the Proceedings.

The adjourned session of the regular monthly meeting of the Board of County Commissioners met at 11 o'clock A. M. yesterday; present: James Wilson, Chairman, and Commissioners A. H. Morris, J. G. Wagner, Stacy VanAmringe, Delaware Nixon.

The matter of the Railway Bridge Company was again resumed, at which time Mr. R. R. Bridges, President of the Company, made a lengthy statement in support of the complaint made by Maj. C. M. Steadman, attorney for the Company, at the conclusion of which the Board went into a consideration of the assessment placed on the Wilmington Railway Bridge Company, by the Assessors of the township of Cape Fear.

On motion, the Board then took a recess until 8 o'clock. The Board, on re-assembling, took up the regular monthly business of considering and approving claims against the county.

The Board was requested to examine and report as to Commissioner's fees. The report of the Auditing Committee was received, approved and ordered spread on the minutes.

It was ordered that the clerk turn over the registration and poll books belonging to the following townships in Pender county, viz: Rocky Point, Lincoln, Columbia, Union, Holden, Holley, Grant and Caswell.

It was ordered that the following named persons be and are hereby appointed Registrars and Inspectors of an election, to be held on the first Thursday of August 1875, in the county of New Hanover as required by law; and that the Chairman of this Board be authorized to make such changes in the same as may be necessary.

THE HARPER CASE.

The evidence in the case of John Fisher and William Fisher, both colored, charged with an assault with intent to kill G. W. Harper, was concluded yesterday. The case has occupied the attention of the Court for nearly two days, during which time a large number of witnesses were examined. Much testimony was elicited, the substance of which was published in these columns at the time the preliminary examination took place before the Magistrate's Court. We therefore deem it unnecessary to reproduce it. The charge of Judge McKoy to the jury, at the conclusion of the testimony, occupied about an hour in its delivery. It was clear and forcible, and calculated to give that body a thorough insight into their duty in the matter. The jury, who were all colored, took the case about 1 o'clock, and up to the time their paper went to press last night they had not arrived at a verdict.

Installation of Officers. The following officers of Wyoming Tribe No. 4, I. O. R. M., were last night installed at the Wigwag of that Tribe by F. S. H. L. Clowes and P. S. H. H. Kasprzick: W. H. Griffith, W. S. J. J. Beasley, S. S. P. T. Dicksey, J. S. W. S. Hewlett, E. T. Herring, C. K. A. T. Bewlett, G. W. J. T. Cumber, 1st S. G. N. Hill, 2nd S. R. A. Craig, 1st W. S. H. Grant, 2nd W. J. F. Farrot, 3rd W. J. J. Forrest, 4th W.

True Bills. The grand jury on Wednesday found two true bills against Jesse J. Cassidy, a magistrate of this city for larceny. One indictment charges the defendant with taking from the office of the Clerk of the Superior Court a small blank docket. In this case it is insisted that the book was formerly the property of J. J. Cassidy and the prosecution is charged as malicious. The other indictment charges the said J. J. Cassidy with taking a presentment against himself from the same office. We have not been able to learn the facts regarding the latter, but it is said to have some bearing on the case first cited.

Fatal Accident. Yesterday a colored man named Zeb Mosely, while cutting wood at a point about a mile and a half from the County Poor House, was painfully injured by the axe slipping from his hand and, cutting into his foot, splitting it open two or three inches. A messenger was at once sent to the Poor House, but the Superintendent being absent, no aid was rendered the sufferer until late in the day. In the meantime Mosely had nearly bled to death. On the arrival of the Superintendent, however, he was conveyed to the Poor House and cared for. The wound is a very ugly and painful one, but is not considered serious.

State vs. James W. Burgess—Verdict of Acquittal. The jury in the above case came into the Court room yesterday afternoon at 5 o'clock, after having been out from Tuesday night 12 o'clock, forty-one hours, and rendered a verdict of "Not guilty" as to James W. Burgess, charged with the murder of Charles Jackson. The prisoner was then discharged. The jury bore every evidence of being much fatigued on account of their prolonged deliberations. We understand that they stood eleven to one for acquittal ever since Wednesday afternoon, their first being nine to three for acquittal.

Homeless at Laurinburg. We learn from a special telegram, received from Laurinburg, that a colored boy named Joe Leak, died there yesterday afternoon from the effects of a blow on the head, by an axe, in the hands of another colored boy. An inquest will be held on the body of the deceased to-day.

For the Morning Star. CONVENTION NOMINATION IN ONTARIO. JACKSONVILLE, July 8, 1875. Messrs. Editors: In pursuance of a call of the Legislature of North Carolina, a large and enthusiastic crowd assembled here to-day for the purpose of nominating a suitable person to represent Ontario in the Constitutional Convention, to be held in September next.

J. W. Shackelford was called to the Chair. He explained, in a few very appropriate remarks the object of the meeting. A satisfactory disposition of the several districts found to be represented by delegates appointed by the several township meetings, the Chairman announced to the Convention that nominations were then in order. The convention then proceeded to make choice and Hon. James G. Spott was chosen. His nomination was afterwards made unanimous by the respective delegations from the several townships.

A committee was then appointed to wait on and inform the gentleman of his nomination. He soon appeared, and after thanking the Convention for the honor thus done him—favored the meeting with a short but spirited speech in his own happy and laudable style. Nothing need be said here of the ability of our nominee. He is too well known to require any comment from our hands, and well may Ontario feel proud of the nomination. There will be, if any, a very interesting contest in Ontario. The whole proceedings were attended with harmony and good order.

Resolved, That the proceedings be published in the Wilmington Journal, Morning Star, and Daily Record. H. H. SANDER, Secretary and Chairman.

The visiting members of the Ladies' Benevolent Society are urgently requested to meet at the Hook and Ladder Hall, on Dock street, between Third and Fourth, on Friday, July 10th, at 8 o'clock P. M. Business matters of special interest will be discussed, and it is very important that each ward be represented by its appointed visitor.

CONVENTION.

At a meeting of the Executive Committee of the Democratic-Conservative party of New Hanover County held this day, it was decided to call a Mass Convention of the party, to be held at the Court House, in Wilmington, Thursday evening, July 23, at 8 o'clock.

The principal business of the Convention will be the nomination of candidates for the Constitutional Convention and the appointment of an Executive Committee. WM. H. BERNARD, Chairman.

COPIES OF TESTIMONIAL.—HARRIS, MO., May 30, 1874.—Messrs. J. & W. Tolley, 59 Maiden Lane, New York.—Gent.: The 12 Gun which you built for me, No. 200, has arrived safely to hand. Allow me to thank you for the fidelity with which you carried out my instructions. (The general outline, degree of proportion and excellent finish, are all that could be desired, and more than meets my expectations. I am more than ever impressed with the idea that it is necessary for a man to have a gun built to measurement as to have a shot go built to measure. The pattern is as close as I desire, and the penetrative I think is seldom attained, being far ahead of any public record which I have seen.) Respectfully Yours, G. W. DORRAN.
