## Yadkin Presbytery.

The Presbytery of Yadkin met in Greensboro on the 6th inst. and was opened with prayer by the Moderator. Rev. A. Billingsley was elected Moderator and Mr. H. C. Mabry Temporary Clerk. The opening sermon was preached in the evening to a full house by Rev. W. J. Williams, the retiring Moderator.

With a congregational collection of over \$21, with two additions, impressive singing and a deep sense of God's presence, the Communion on the Sabbath was very refreshing.

On Monday night, in the presence of a very crowded house, Messrs. A. B. Lawrence of Biddle Institute and W. H. Bryant and W. A. Scott of Lincoln University were licensed to preach the gospel. The congregation uttered a hearty "amen" to the Moderator's licensing prayer. On the same evening Presbytery raised over \$90 for the Committee on the Freedmen. Preslynry passed a resolution earnestly bcseeching and strongly urging all the churches to raise \$1 to each member to pay the present debt of the committee.

On Tuesday evening there was a very enthusiastic Sabbath School meeting.

The meeting lasted three days, and one night till half-past 1 o'clock. The house was crowded every night.

One new church, with nineteen members, has been organized at Boonville since last meeting.

From the little church at Danville, and other destitute fields, the earnest cry "come over and help us" still comes up from many souls longing for a preached gospel.

After tendering a hearty vote of thanks to the citizens of Greensboro for their kindto meet next April in Statesville.

Donald McRae, Esq., is President of the Company and also General Superintendent. The enterprise has so far proved very successful, and we understand that parties are contemplating the erection of another factory of equal capacity. Why can't Norfolk do as well in this respect?

As the storm prevented a parade, and in fact kept every one pretty closely confined, the Guard had to draw upon their own resources for amusement, and they were equal to the emergency. The headquarters wore a lively appearance all day, music, singing and dancing being among the numerous at-tractions. Visitors from among the Raleigh and Wilmington companies were among those present, and all seemed to enjoy the fun.

Wilmington is a pleasant city and her people are very social and hospitable.

### Opera House.

"Violet, or the Life of an Actress," was the attraction at the Opera House last evening. The principal characters, Violet and Grimaldi, were well conceived and rendered in fine style. The other members of the troupe were well up in their parts and very creditably sustained the leading characters in the cast. This afternoon there will be a grand matinee for the benefit of ladies and children, when the "Two Orphans" will be presented for the last time. A cabinet portrait of the Two Orphans will be given to every visitor. To-night the Wildman Troupe closes its engagement and will present the drama of the day, "Cuba;" the performance to conclude with one of Mr. Fletcher's laughable sketches in which he introduces new songs and dances.
