Entertainment at City Hall This Evening.

The ladies and gentlemen of St. Thomas' Church will, as before announced, give an entertainment at City Hall this (Tuesday) evening. Ample preparations have been made to insure that the affair will be a grand success. Under the auspices of the ladies and gentlemen who have the matter in hand it could not well be otherwise.

There will be music, feasting, dancing, &c., and tables will be prepared and presided over where refreshments, flowers, &c., can be had. Competent and trustworthy ushers and floor managers will be attentive and obliging in their respective vocations, the Italian string band will furnish music for the dancers, and everything will be done which can conduce to the pleasure, gratification and comfort of those who may be so fortunate as to be present.

Personal Rencontre.

A personal collision took place in the neighborhood of the Purcell House, yesterday afternoon, between Hon. A. M. Waddell, member of Congress from this District, who is home on a short visit to his family, and J. J. Cassidey, one of the editors of the Wilmington *Post*. Col. Waddell, we learn, struck Mr. Cassidey two blows with a cane which he had in his hand, when the latter drew a pistol, which was followed by a like movement on the part of Col. Waddell. At this juncture parties interfered and the affair was brought to a close. The attack was made in consequence of the appearance in the *Post*, a Republican paper, of a series of articles personal to Col. Waddell, and of which he had reason to suspect Mr. Cassidey of being the author.

At a meeting of the newly elected Board the following officers, the old incumbents, were re-elected.

The minutes of the last meeting were read and approved.

The following applicants were granted licenses to retail spirituous liquors: Wm. M. Collins, A. D. Wessell, G. F. Colin, H. Haar, M. Muller, B. H. J. Ahrens, John Heyer, agent, Geo. L. The application of Catharine Farrow was referred to the Poor Committee.

The application of H. E. Scott was referred to Chairman Wagner and Commissioners Davis and VanAmringe.

The Board then took a recess until Friday, at 11 o'clock.

The State Medical Society.

The North Carolina Medical Society will hold its twenty-third annual session at Fayetteville, commencing to-morrow (Wednesday) morning, at 10 o'clock. The Medical Board of Examiners will meet at the same time and place. Dr. P. E. Hines is President of the Society, and Dr. James McKee, of Raleigh, Secretary. Dr. Willis Alston, of Littleton, will deliver the annual address. It is expected that there will be a large attendance of the profession on this occasion.

The steamer *Governor Worth* will leave her wharf for Fayetteville at 2 P. M. to day, and we learn, as we have previously stated by request, that arrangements have been made whereby delegates to the meeting can go and return for one fare, which is $4 00. The *Worth* will arrive at Fayetteville by 8 o'clock to morrow morning, which will be in ample time for the Convention.

More Thievery.

Some thief broke into the kitchen adjoining the residence of Mr. C. P. Mebane, on Orange, between Fifth and Sixth streets, on Friday night last, and stole three smoothing irons and part of a large ham of meat, which the thief cut in two pieces. The part left was perforated in several places with little holes, made with a knife, which was calculated to lead to the impression that it might have been poisoned. At any rate, it was thought best not to make use of it and it was thrown away. Entrance was effected through a window. There seems to have been a "preconcerted movement all along the lines" Friday night.

The Road to the Cemetery.

The new drive to Oakdale Cemetery is progressing slowly. There seems to have been some disappointment in regard to carts, there not being a sufficient number for the purpose; besides which; those furnished by the city were withdrawn Saturday to perform some other duty, but were probably returned yesterday. We are fearful that it will not be completed by Memorial Day, though those who have charge of the matter are doing the best they can with the limited means at their command.

Meteorological Summary.

From Mr. Robert Seyboth, Sergeant in charge of the Signal Service at this port, we have the following summary of the weather conditions for the month of April, just closed: Highest barometer, 30.433 inches; lowest barometer, 29.689 inches; highest temperature, 87 degrees; lowest temperature, 39 degrees; prevailing direction of wind, southwest; greatest velocity of wind, 35 miles per hour; total number of miles travelled, 7,376. Number of clear days, 5; number of cloudy days, 8; days on which rain fell, 8; total rainfall, 2.83 inches.

Funeral Services.

There was a large attendance at the Fifth Street M. E. Church on Sunday morning last to listen to the funeral services of the late James Fleet, which was preached by the Rev. J. N. Andrews. The sermon was a most excellent one, especially adapted in every particular to the mournful occasion, and was listened to by the large assembly with the most profound attention. The members of Cape Fear and Orion Lodges, I. O. O. F., attended in a body, as also did the Hook and Ladder Company, the latter being in uniform.

Guns for the Artillery.

We learn that two brass field pieces, a part of the battery at Raleigh, are expected to be received here in a few days, to be used by the Cape Fear Artillery Company on Memorial Day in firing salutes. Of course they will only be loaned for the occasion.

Superior Court.

The following cases were disposed of yesterday:

State vs. Henry Parker, larceny. Guilty.

State vs. A. H. Williams, assault and battery. Not guilty.

State vs. Bill Robinson, larceny. Jury out.

State vs. Albert Herring, larceny. Guilty.

Housebreaking.

The house of William Buchanan, colored who lives on the corner of Seventh and Ann streets, was entered Saturday night, between midnight and day, and robbed of $15 in money, which the thief got in his bed-room. His shop key was also taken, but the shop was not opened. Entrance was effected through a back window. Buchanan has no clue to the robber, but would like to give any one $25 who can furnish evidence to convict the thief.

Opera House.

The operetta Fairy Grotto was reproduced last evening by request of a number of the citizens who witnessed the first performance. The audience was not a very large, though an appreciative one, and expressed its delight of the creditable efforts of the little folks by repeated encores. The inclemency of the weather prevented many from being present, who thus lost the opportunity of patronizing an exceedingly pleasant entertainment.

The Weather.

By a sudden change of temperature, early Monday morning, we, in this latitude, were made to blow our fingers and don our cast off overcoats again. It is a singular fact that the temperature was lower in Wilmington than in any other place mentioned in the "Daily Bulletin" from the signal office, which embraces all the important points in the United States.
