P. S.-Our latest intelligence is sill more favorable. The Democrata bave certainly carried Florida and Louisiana. This gives Tilden and Hendricks 196 electoral votes, or 11 more than necessary to a choice.

NORTH CARGUERA. The State has gone very largely Democratic. liblen leads Vange. The indications are that his majority in the State will exceed Vance's at least 1,000, and may even reach 1,800 of 2,000. The Amendments have been carried by a handsome majority but it will be less than Vance's by probably 2,000. The Legislature Democratic, but we are unable to state the approximate majority. Hon. A. M. Waddell is re-elected by 1,900 or 2,000 majority-a large increase

We give the counties heard from with the gains and losses, confining ourselves to the Gubernatorial election, and comparing them with the Merrimon and Caldwell vote in 1872. when the latter was elected by 1,899 majority. The gams are as tollows: Richmond 83, Iredell 407, Carteret III, Nash 339, Pitt 238, Union 444; Cabarrus 350, Cleveland 648, Guilford 289, Johnston 157, Rowan 364, Wake 374, Sampson 207, Robeson 285, Biaden 246, Cumberland 40, Alamance 27, Martin 255, Daplin 235, Osslow 300, Anson 200, Buncombo 300, Polk 218, Rutherford 466, Haywood 251, Wayne 239, Merklenburg 590, Rockipgham 211, Gates 208. We give them as they have come to us by telegraph and from correspondents. We have no doubt that Vance's majority will range from 10,000 to 15,000 -a great and

The Demand for News.

This community has been in a fever of anxiety, expectancy and excitement over the election for the past two or three days, and the eagerness with which news has been sought for and the avidity with which it has been devoured, has evinced an intcrest and solicitude upparalleled in the history of our city. Yesterday and the day before the appearance of a STAR extra on the street was the signal for an indiscriminate and tumultuous rush for the counting room, and an edition of several hundred was exhausted in a "twinkling."

Excursion. .The proposed colored excursion to Columbia, S. C., which was postponed during the late yellow fever excitement, will take place next Monday. There will be a special car for the accommodation of white people who may wish to visit that city. Fare for the round trip \$2 00; on the special car \$8 00.

MISCELLANEOUS!

RALEIGH, NOV. Gen. Kilpatrick arrived in this city this evening from Washington. He is now closeted with T. B. Keogh, Chairman of the Republican State Committee, and other Republicans, at the Yarboro House. It is charged by Democrats that his presence in the State is for the purpose of perpetrating frauds upon the election returns.

Additional returns from the Western part of the Sate continue to show Democratic gains. The counties yet to hear from are Democratic, and the majority will certainly reach quite 15,000. T. B. Keogh concedes the State by 12,000.

Moore county gives from 100 to 150 Democratic majority. Harnett county gives 200 Democratic majority.
