[Special Dispatch to the Baltimore Sun.] The Opposition to Hampton-Taxation in South Carolina.

COLUMBIA, S. C., May 3. The opposition to Gov. Hampton in the Democratic party is taking shape, and the first test of its strength will occur in the election for Chief Justice Saturday next. Hampton earnestly advocates the elevation of Associate Justice Willard, a Repubhean, who is bitterly opposed by the extreme Democrats and by the whole Republican element in the Legislature. Gary, of Edgefield, Democrat, opened the ball to-day in a violent speech denouncing Willard and reflecting on Hampton.

The tax bill will be reported tomorrow. It provides liberally for schools, but makes no provision for interest on the State debt. The tax amounts to five and one-tenth mills.

Niagara Falls Sold at Auction. [Special to the Philadelphia Times.] NIAGARA FALLS, N. Y., May 1.

The exclusive right to the waterpower of the American side of the Niagara river at the Falls, the Hydraulic canal, Grass Island, above the Falls, and ten lots in the village of Niagara Falls, the whole being known as the canal property, were sold by auction this afternoon. The first bid was \$5,000 and the property was sold for \$71,000. It had to be sold to-day to avoid being sold by the Sheriff tomorrow, to satisfy a mortgage. The property belongs to Horace H. Day, and cost over a million dollars. The canal furnishes one hundred and seventy thousand horse power. The purchasers were J. F. Shoelkonn & Son, of Buffalo, for a stock company of Niagara Falls and Capitalists. Mr. Alexander Hay, of Philadelphia, who is here, has a mortgage on the property.

Death in a Bull-Fight. MADRID, April 16.

A ghastly scene was witnessed by the King, the Princess, the Austrian Archduke and Duchess at yesterday's (Sunday) bull-fight. Frascuelo, the Madrilenean pet, was awfully gored, and was actually for some seconds held up in the air by the infuriated animal whose horn, entering the crutch, stuck seven inches up into the abdomen (ugh !), catching him as he was running away.

The above suggestions are simply made to call attention to the families of the pilots who recently lost their lives in pursuit of their calling in endeavoring to bring vessels into our port. They need assistance, as all who are familiar with piloting must know that these faithful sons of exposure make nothing more than a living, and in this instance were suddenly swept away and given no time to provide for the future wants of their helpless families. The charitably inclined can send their donations to the STAR, or hand them to Messrs. John W. Galloway, George M. Craypon, and Rev. James W. Jonas Blocker, colored, was arrested yesterday on the charge of stealing molasses from Messrs. Kerchner & Calder Bros. It seems that Blocker had been employed in the store for sometime past, and on Friday his employers received an anonymous communication informing them that Blocker had been in the habit of appropriating tobacco, snuff, molasses and various other articles belonging in the store and taking them home in buckets which he usually carried backwards and forth. The same day he was detected in the act of carrying off a bucket of molasses and was thereupon arrested. He admitted drawing the molasses from the tank, but said it was only to make a little sweetened water and he nary examination before Justice Gardner, for his appearance at the next term of the Criminal Court.

The Stealing Mania Broke Out Again A raid was made upon the premises of a member of the printing fraternity, residing on Hanover, between Second and Third streets, on Friday night last.
