Kemble vs. Schurz.

WASHINGTON, August 9. Secretary Schurz, having been questioned to-day with reference to Mr. Kemble's statement, published in this morning's papers, said that Mr. Kemble's statement is a confession that the story of \$1,500 having been paid to him for repeating the same speech three times, started by him and disseminated by Gail Hamilton, was a falsehood; that Mr. Kemble had now reduced his own figures from \$500 per day to \$500 per week in 1860 and 1868, a reduction of 600 per cent.; that Mr. Kemble would have to reduce his figures several hundred per cent. more, and spread them over the several weeks during which Mr. Schurz had been active in Pennsyl-

vania campaigns in 1860, about five or six weeks, and he did not remember how many in 1868; that he (Mr. Schurz) had never denied having accepted compensation in those years, when he was for months engaged in campaigning, simply because he was obliged by his circumstances to do so, but that the whole matter had been maliciously missepresented.

Proposed Conference with Sitting Rull.

Special Dispatch to the Gazette. WASHINGTON, Aug. 9.

Mills, the Canadian minister of Interior Affairs, called with Secretary Schurz on the President to-day regarding Sitting Bull, who is now in the Canadas. The recommendation of Commissioner of Indian Affairs Smith, that some one acquainted with Sitting Bull be sent to interview him and ask his pleasure for future movements, will be submitted to the Cabi net to-morrow. The person who will be chosen for this mission will be some one who has had dealings with the Sioux in behalf of this government.
