A Strike at Norfolk. [Special telegram to the Dispatch.] NORFOLK, August 31.

The. 'longshoremen employed by the Old Dominion Steamship Com pany struck this afternoon on account of a reduction of the rates. The strikers refused to let other men fill their places, and the steamship Isaac BelLis lying in the dock and can't be moved. The police have not yet been called on to interfere, but are momentarily expecting a summons to put down a threatened riot.

Visiting fire officials from the chief cities of Massachusetts are being elegantly entertained to-night at the Morrisette House by the Norfolk fire department.

#### Additional Indictments against Ex-State Officers.

COLUMBIA, S. C., Aug. 31. Four additional indictments were found to-day-three against Cass Carpenter, late Collector of Internal Revenue in this State, for forgery, and one against Woodruff and Jones, clerks of the Senate and House, and principals of the Republican Printing Company, for fradulently issuing a bill for printing, by which they obtained over \$20,000. The Court adjourned.

#### Gen. Forrest Improving.

MEMPHIS, TENN., Aug. 31. General Forrest's condition has im proved considerably. His friends are now sanguine of his recovery.

### Spirits Turpentine.

- Wilson has a boot and shoe factory.

- Charlotte and Greensboro have new maps-both "cities."

- Peaches, apples, and quinces weighing a pound each are produced in Iredell.

- The prospect of Statesville Fe male College is very flattering, as we learn from the American

- Col. L. L. Polk denies that he has purchased the State right of the Davenport Preserving Process.

- Revenue collections in 4th district (Raleigh), for August, \$75,875.79. And yet the South does not pay any Federal laxes.

- Father Evans says Milton can beat the world on the baby question. Their music is heard "oft in the stilly night," and where'er we've roamed."

- Deputy Sheriff Davis attempted to arrest John Lackey at Rocky Springs Camp Ground, Iredell, and was badly cut

- Milton Chronicle: Old boots with brass tacks and the heels turned up, taken in payment of old dues at this office, and no questions asked. ---- It is reported that the two escaped convicts have been caught near Greensboro. — The most extraordinary case of journalistic cheapjohnism that has come to our knowledge is a case wherein a brother charges but seven dollars for what he publishes to the world (in his advertised terms) he must have thirty dollars. And that brother is an officer in

the so-called Press Association of this State. No wonder so many papers in North Caro-lina are living in the "poor house."

- Charlotte Democrat: We see it stated that the "army worm," a very de-structive insect on cotton, has appeared in localities where German millet was planted. Does it follow the millet as a result of planting millet? That's the question. ---McKoy, at Nash Superior Court, in sentencing a hog thief to the penitentiary.

showed his love of North Carolina bacon when he said: "Whether at a hotel table or that of a private gentleman, you see nothing but Western bacon, instead of nice, sweet, home cured meat; and all on account of hog thieves. I intend to stop it if possible. The observation tickled the sturdy old

farmers greatly. THE CITY.

Smithville, Bald Head and the seashore generally sufficiently for one season, a novelty in the pleasure-seeking line is presented in the excursion to Maultsby's Point, up the Black River, which takes place on Tuesday next, the 4th inst., where everything will be new, charming and agreeable to the fancy of the city visitor. This excursion will be given on the steamer North East, under the command of Capt. R. P. Paddison, who guarantees to do his level best to make things lively and comfortable, and he knows how to do it if anybody does. The excursionists will be met on the grounds by quite a crowd of Pender county ladies and gentlemen, thus affording to those who do not wish to dance a fine op

portunity to enjoy a pleasant pic-pic with their country friends, while those who care neither for dancing or pic-nicing, can spend a few hours very pleasantly in fishing, there being splendid places for such sport near the Point. A nice hall for danc-

Capt. Paddison, and we are assured that, there is an abundance of good water accessible. Refreshments' and cigars will be furnished at city prices.

Another grand family excursion down the river is advertised to take place on whom mounted the roof and extinguished Wednesday next, the 5th inst., on the barge

This case presents one of the coolest most determined and diabolical instances of incendiarism that we have heard of in these parts for a long time. On the roof of the house, where the flames burst forth, there was discovered a package consisting of a quantity of waste, rolled up in a piece of bagging, in the centre of which was a
