THE FIGHTING AT PLEVNA.

Interesting Details of the Battle of August 31. [Letter to the London News.]

FOREKIN, Aug. 31. About 8 o'clock my ear caught a dull, scarcely audible thumping, that sounded more like a horse stamping at flies than the booming of artillery.

I had not been at my new standpoint more than five minutes when the crest of the hill, a mile in front, suddenly grew black as with a line of ink drawn along the sky.

Two Cherokee Indians were convicted of larceny at the instance of Graham Superior Court and sentenced to the penitentiary.

NEWBORN NUT SHELL. The Elm City Riflemen, having received an invitation to attend the Raleigh Fair, and compete for the prizes, at their drill last night organized a Rifle Team and elected C. K. Hancock Captain of the same.

DANBURY REPORTER. It is rumored that Collector Wheeler is going to decapitate all of Col. Winstead's "red-legged grasshoppers" in this section, with a very few exceptions.

REIDVILLE NEWS. Some miscreant and brutal wretch was cruel enough to break the back of our friend Jo. W. Glenn's fine setter dog a few days ago.

GOLDSBORO MESSANGER. Judge McCoy holds Johnston county this week. The graded school project, we are gratified to learn, is meeting with more than anticipated encouragement.

HENDERSONVILLE COURIER. The total State and county tax foots up the neat sum of \$20,838 07. The total assessment of real and personal property is \$60,355,454.

CHARLOTTE OBSERVER. The base ball fever is developing itself to a limited extent in the city just now.

THE PHILADELPHIA TIMES. A special dispatch to the Philadelphia Times from Bloomington, Illinois, September 19, says: "The Mollie Maguire case has begun a war of revenge against the witnesses who have testified against their members."

after you have put it down, but in the modern savings bank of the New York or Chicago pattern, when you have handed it over the counter to the gentlemanly receiver you can rely upon having made permanent investment, from which you will never receive any dividend and when you ask for the principal you find that the banker has taken it to make good his own lack of principle.

THE FEVER IN FERNANDINA. JACKSONVILLE, FLA., Sept. 24. One death from yellow fever at Fernandina since the last report. Forty new cases to-day. The weather continues unfavorable.

SPIRITS TURPENTINE. Two Cherokee Indians were convicted of larceny at the instance of Graham Superior Court and sentenced to the penitentiary.
