#### ANOTHER KENTUCKY WONDER. Hammoth Cave Relipsed to the Extent of a Deposit of Mummies. |Cincinnati Commercial.]

Another wonderful cave has recently been discovered near Glasgow Junction, Ky. It has already been explored for a distance of twenty three miles in one direction, called the long route, and sixteen miles in another direction, called the short route. The avenues are very wide, a span of horses can easily be driven through for a distance of eleven miles. Three rivers, wide and very deep, are encountered on the long route. One of them is navigable for fourteen miles, until the passage becomes too narrow to admit a boat. This forms the third or river route, which has to be explored in a boat. The cave is wonderful beyond description and far surpasses in grandeur the Mammoth or any cave ever before discovered. Several mummified remains have been discovered in one of the large rooms. They were reposing in stone coffins, rudely constructed, and, from appearances may have been in this cave for centuries. They present every appearance of the Egyptian mummies. Great excitement prevails over this

very important discovery. Mr. Edwin Mortimore, of Chestnut street, Louisville, Ky., purchased three of the mummies and has them now in his possession. Maj. George M. Proctor, of Glasgow Junction, Ky., purchased the remainder of the mummies from the owner of the cave, whose name is Thomas Kelley. He is, or rather was few days ago, a very poor man, struggling to make a payment on a farm of twenty-four acres, upon which, by mere accident, the entrance to this wonderful cave was discovered. He realized about \$400 from the sale of the mummies, and is now offered \$10,-000 cash for the cave. The entrance to the cave is within the town limits, and is only about two minutes' walk from the depot, which makes it very valuable indeed, as visitors will not be compelled to travel five miles in a stage coach, as they do if desirous of visiting the Mammoth Cave, which is five miles from this town.

A Sad Cuse. John Matthews, the actor, who was in the cast of the play at Ford's theatre, Washington, on the night that President Lincoln was assassinated, and who received a statement from John Wilkes Booth, said recently that since the interview with John T. Ford had been made public, Edwin Booth and Mrs. Junius Brutus Booth, his mother, had been prostrated with sickness. "This story," he continued, "will probably be the cause of Mrs. Booth's death. It has opened an old wound-one that the friends of the Booth family had thought had been healed forever."

Grant's Fugleman.

[Baltimore Gazette.] According to that distinguished Boswell of Journalism, Mr. John Russell Young, our old acquaintance, General Grant, has thrown the phleg-matic Dutch into a great state of ex-citement. His visit to Amsterdam was a great success. As the youthful Jesse is wont to say, "father was treated like an Emperor." There is evidently a movement on foot in Europe and in the New York Herald, to impress the American people with the idea that they have neglected Gen. Grant to some extent.

#### VEGETINE Is Recommended by all Physicians.

VALLEY STREAM, QUEENS CO., LONG ISLAND, N.Y. Valley Stream, Queens Co., Long Island, N.Y.

Mr. H. R. Stevens:

Dear Sir,—I take, the pleasure of writing you a
small certificate concerning Vegetine prepared by
you. I have been a sufferer with the Dyspepsia for
over forty years, and have has the Chronic Diarrhea for over six months, and have tried most every
thing; was given up to die, and did not expect to
live from day to day, and no physician could touch
my case. I saw your Vegetine recommended to
cure Dyspepsia. I commenced using it, and I continued doing so, and am now a well woman and restored to perfect health. All who are afflicted with
this terrible disease I would kindly recommend to
try it for the benefit of their health, and it is excellent as a blood purifier.

ent as a blood purifier.
By Dr. T. B. FORBES, M. D., for
MRS. WM. H. FORBES.

VEGETINE.—When the blood becomes lifeless and stagnant, either from change of weather or of climate, want of exercise, irregular diet, or from any other cause, the VEGETINE will renew the blood, carry off the patrid humors, cleanse the stomach, regulate the bowels, and impart a tone of vigor to the whole body.

MR. H. R. STEVENS:—

Dear Sir,—This is to certify that I had been suffering from a Rose Cancer on my right breast, which grew very rapidly, and all my friends had given me up to die, when I heard of your medicine, Vegetine, recommended for Cancer and Cancerous Humors. I commenced to take it, and soon found myself beginning to feel better; my health and spirits both felt the benign influence which it exerted, and in a few months from the time I commenced the use of Vegetine, the Cancer came out almost bodily.

CARRIE DEFORREST.

I certify that I am personally acquainted with Mrs. DeForrest, and consider her one of our very best women.

DR. S. H. FLOWERS.

ALL DISEASES OF THE BLOOD.—If VEGETINE will relieve pain, cleanse, purify and cure such diseases, restoring the patient to perfect health after trying different physicians, many remedies, suffering for years, is it not conclusive proof, if you are a sufferer, you can be cured? Why is this medicine perferming such great cures? It works in the blood, in the circulating fluid. It can truly be called the Great Blood Purifier. The great source of disease originates in the blood, and no medicine that does not act directly upon it, to purify and renovate, has any just claim upon public attention.

# VEGETINE

Regard it as a Valuable Family Medicine.

MR. H. R. STEVENS.

Dear Sir,—I take pleasure in saying that I have used the Vegetine in my family with good results, and I have known of several cases of remarkable cure effected by it I regard it as a valuable family medicine.

Truly yours,

REV. WM. McDONALD. JANUARY 1, 1878. The Rev. Wm. McDonald is well known through the United States as a minister in he M. E. Church. STONE IN THE BLADDER

# The Buffalo Lithia Water

Relieves Stone in the Bladder after the recovery of the Patient was despaired of by his Medical Attendants. The Stone in a giass of Lithia Water dissolves to a Fine Dust in Three Hours. CASE OF MR. C. WOLFFE, OF POINT COUPEE PARISH, LOUISIANA.

POINT COUPER PARISH, LA., April 2, 1878.

POINT COUPER PARISH, LA., April 2, 1878.

MR. THOMAS F. GOODE, Proprietor Buffalo Lithia Springs, Va.:

Two years ago I began to suffer with a severe and constant pain in my kidneys, which was soon followed by violent attacks, averaging about two a week, causing excruciating agony, from which I was frequently relieved by the discharge of stone of from four to six grains in weight, at other times by the passage of smaller stone, and sometimes by sand in considerable quantities.

I sought, but in vain, the best medical assistance and as the result of this state of things I was reduced to such a condition that my medical advisers told me frankly that I had nothing to hope from remedies; that my condition was a hopeless one; and I looked to death alone for a termination of a miserable existence. Mr. J. L. Lyons, a druggrist of New Orleans, about six months age advised me to try The Buffalo Lithis Water, Spring No. 2, which I did. About a week after I commenced the use of it, I had an attack of less than usual severity, in which I passed two small stones, one of schick I placed in a tumbler of the water, and in about three hours found it disclosed to fine powder. That gave me confidence, and I determined to persevere in its use. I have had no aftack whatever since, nor has there been any discharge of stone or sand.

The pain in my kidneys has entirely disappeared; my weight, which had been greatly geduced. I have stone or sand.

The pain in my kidneys has entirely disappeared; my weight, which had been greatly geduced, I have fully regained; and my general health has been entirely restored. I very cheerfully acknowledge my indebtedness to The Buffalo Lithia Water for my life, and the comfort which I now enjoy.

Respectfully.
