Hotel prices in New York are tum bling. The Fifth Avenue reduces \$1 a day.

Mr. John Lockitt, of Brooklyn, married and two days thereafter died. Estate \$500,000. A probable lawsuit of course.

The Western railroads have advanced their rates from 15 to 20 pe cent. This will help the railroads but injure the farmers.

One Gen. Pedro Valdez, of Mexico, has fifteen hundred men, and he hid away among the mountains watching his unsuspecting prey that he is in hopes will come over from Texas. "Walk into my parlor says the spider to the fly." Col. Mackenzie is the fly this time.

The immortal Oh ! Oh ! Howard -him of the Freedmen's Bureau fraud-has again put the hostiles to flight. They heard he was on their trail, and unlike the coon when he saw Captain Scott, they did not come down exactly, but they made fast time and hied them to the moun tains. Great is Howard, and Nevins is his prophet.

The "corner" in wheat in the West 18 a nice operation. On the 31st all the highest price wheat would bring in Chicago was \$1.10, but in Milwankee, of the same day, it fetched \$1.30. This establishes the price at which all delinquents must settle. is said one firm makes very largely, the profits being estimated at from \$100,000 to \$500,000.

A prominent Republican politician of this city met a Democrat yesterday, and said: "Well, the Republi cans have, so far, gained seven members of the Legislature." "You call them Republicans now," said the Democrat "Oh! yes," responded the Republican," they were Independents' before the election, but they
