General A. J. Myer, Chief Signal Officer, has made his annual report. He has had ninety-six men instructed. There are 147 stations. A careful analysis of forecasts or indications thus published gives the average of 84.36 per cent. as verified. An average of 90 per cent. is believed to be attainable. Cautionary day or night signals are displayed at 57 sea and lake ports and cities, and of the total number of cautionary signals thus displayed, 75.93 per cent. have been justified.

The Heaton Cases-Hail Reduced. The case of James Heaton was before His Honor, Judge Meares, on Saturday evening last, on an application for a reduction of bond. As before stated, there are welve cases against him, ten for embezzlement, one for an affray, and one for assault and battery, the latter in Pender. The bail required of him in the first instance was \$200 in each case, or \$2,400 in the aggregate. The amounts were reduced by Judge Meares to \$100 in each of the embezzlement cases and to \$50 in the affray, the bond in the assault and battery case remaining the same as before, at \$200. This makes the aggregate bail now required of Heaton \$1,250, which is to be furnished to Judge Meares himself. The bail had not son. been furnished up to a late hour last evening, and Heaton, as a consequence, remained a boarder at the Hotel de Howard.

The Case of Henry Spears.

We are requested by Officer Bryan to state that so much of our article, in Sunday's issue, in relation to Henry Spears, arrested for killing Charles McKoy, as represented him as making a threat that he would have to be killed before taken, was incorrect. Spears made no offer or threat of resistance, but submitted quietly to the arrest, manifesting a desire for a speedy investigation, and seeming to rely with confidence upon his ability to prove that he did the killing in self-defence. - We examined yesterday an egg laid by a hen belonging to Mr. B. A. Mc-Clammy, pressman of the STAR, which was very much in the shape of a gourd, with a tapering handle to it. Taken altogether it was the greatest curiosity in the egg line that we ever saw.

Hilman Dickson, colored, was arrested at Mr. L. Vollers' store, on Saturday night, where he was acting very disorderly. Arriving opposite the Court House, he asked policeman Williams to take his hand out of his collar, and he would go along all right. His request was complied with, and he had proceeded as far as the corner of Third and Princess streets, when he suddenly bolted and made his escape. Officer Williams fired at the retreating darkey two or three times, but without effect. At a later hour the same night Dickson was boasting pened to overhear his remarks, took him in charge, carried him to the guard house, and locked him up. Defendant was ordered to pay a fine of \$10, or be confined in the city prison for fifteen days.

Wm. Koch, Joseph Ishbell, Carl Dobbins and Frank Closzier, all seamen, were next arraigned. It appears that the three first named were acting very disorderly in the neighborhood of the Rock Spring on Saturday night. A policeman went among the crowd, and was in a fair way to be roughly handled, when he whistled for asing a short distance they submitted to the in Sunday's STAR. The La Gilana makes CORR BROS.

Speaking in Duplin.

Maj. C. W. McClammy, of Pender, whose reputation as a stump speaker is too well known and established to render any further remarks necessary, will address the people of Duplin, at Duplin Roads, on Saturday, November 2nd, and, as before stated in the STAR, Maj. Jno. W. Dunham, of this city, will also be present and speak. We hope there will be a large crowd to hear these gentlemen. Senator Merrimon Accepts.

A telegram has been received by Du-Brutz Cutlar, Esq., Chairman of the County Democratic Executive Committee, from Hon. A. S. Merrimon, accepting the invitation to address the people of this city and county on Monday evening next, November 4th. We learn that it is probable the grand torchlight procession and mass meeting will take place on that night.

Preacher Robbed. The house of Rev. Aaron Moore, pastor of Trinity Chapel, colored M. E. No clue; has as yet been obtained to the perpetrator of the robbery.
