MISCELLANEOUS. 19 Persons in 20 REALIZE The necessity of SOME Remedy FOR WHAT IS CALLED SPRING FEVER.

FOR THAT General All-Goneness, so common at this season of the year, the HOLMAN LIVER PAD STANDS UNRIVALLED

AFTER MANY YEARS OF SEVEREST TEST. Better be Safe than Sorry.

PUT ON A PAD IN TIME, AND BE SURE YOU GET THE GENUINE.

Buy none but the HOLMAN PAD, bearing his picture and signature, also the signature of the Holman Liver Pad Company, and you will avoid imposition, disappointment and possible injury.

All others are worthless frauds, gotten up to be sold on the reputation of the genuine.

HOLMAN LIVER PAD. CORNER KING AND MARKET STREETS, CHARLESTON, S. C. 1013 MAIN STREET, RICHMOND, VIRGINIA. FITZMORRIS & FOSTER, MANAGERS.

THE HOLMAN LIVER PAD. DISEASE.

From whence does it originate? Most physicians treat every ill of pain specifically. While they are correct in this, they are not correct in their method. They are treating the effect, not the cause. The cause of the disease is a deranged stomach; second, a deranged liver. REGULATE THESE TWO AND YOU WILL CURE NINETEEN-TWENTIFTHS OF ALL "THE BILLS" OF THE LIVER. THE PAD will regulate the stomach, and without inconvenience, performing a most important function. And we may add this remarkable statement: CHALLENGE THE PATENT, that in its extensive use by, and including all classes of persons, from the highest to the lowest, NOT A SINGLE CASE OF INJURY HAS OCCURRED.

You should ever remember that the cause of nearly all our liver troubles is the liver, and the liver is seldom wrong when the stomach is right, and vice versa. In fact, all the other organs are struggling to do the work of the stomach and liver. Rheumatism and neuralgia are traceable to the liver. The liver is the seat of the bile, and the bile is the life-giving element of the system. The liver is the seat of the life-giving element of the system. The liver is the seat of the life-giving element of the system.

The Preventive and Antidotal Power of the Holman Liver Pad.

As a preventive of any disease that attacks the liver, the Pad is worth many times its weight in gold. It is impossible to compute the value of a discovery which, WITHOUT DOING, may be substituted for the most valuable of medicines.

What will the Pad Prevent? IT WILL PREVENT FEVER AND AGUE. IT WILL PREVENT MALARIA. IT WILL PREVENT CHOLERA. IT WILL PREVENT DYSPEPSIA. IT WILL PREVENT INDIGESTION. IT WILL PREVENT COLIC. IT WILL PREVENT HEART DISEASE. IT WILL PREVENT HEADACHE. IT WILL PREVENT NEURALGIA. IT WILL PREVENT RHEUMATISM. IT WILL PREVENT GOUT. IT WILL PREVENT GRAVEL. IT WILL PREVENT STONE. IT WILL PREVENT CATARRH. IT WILL PREVENT URÆMIA. IT WILL PREVENT UREMIC POISON. IT WILL PREVENT CHRONIC CATARRH OF THE BLADDER. IT WILL PREVENT AFFECTIONS OF THE KIDNEYS AND BLADDER, ESPECIALLY IN STONE OR GRAVEL. IT WILL PREVENT DYSPEPSIA, RHEUMATIC GOUT, RHEUMATISM, CATARRH, NEURALGIA, PAINS IN THEIR CHRONIC FORM, DROPSICAL EFFUSION, URÆMIA, UREMIC POISON, CHRONIC CATARRH OF THE BLADDER, AND IN THE FUNCTIONAL DISEASES PECULIAR TO WOMEN, MORE ESPECIALLY IN ALL DISORDERS OF THE MENSTRUAL FUNCTION.

Woman the Most Grateful. None seem to receive such benefit, and none show such profound gratitude and interest in procuring the use of the PAD as women. It seems to be the only remedy peculiarly adapted to the many ills the sex is almost universally subjected to. Many of the most common ailments of women are constantly occurring, and are being reported. These are facts, substantiated by the testimony of many of the most eminent medical men of the country, both North and South, that in the following enumerated diseases, viz:

Affections of the Kidneys and Bladder, especially in Stone or Gravel; Dyspepsia, Rheumatic Gout, Rheumatism, Catarrh, Neuralgia, Pains in their Chronic Form, Dropsical Effusion, Uræmia, Uremic Poison, Chronic Catarrh of the Bladder, and in the Functional Diseases Peculiar to Women, more especially in all Disorders of the Menstrual Function.
