Entered at the Poet Office at Wilmington, N. C., as second class matter.]

OUBLEWES.

The excitement over the Kalloch shouting in San Francisco continues; Kearney arrived and calmed his followers: H. De Young makes an explanation as to the publication of the telegram about Kalloch. whose condition has much improved. -Nineteen new fever cases at Memphis and eight deaths; one death from feverat White Haven, Tenn ; a negro is sick with vallow fever at White Station. - A house blew down at Memphis during the storm: Mrs. Hollis and her two children were down with the fever; Mrs. H. will die from exposure; ten new cases and eight deaths reported on Monday morning; no fever at Starkville, Miss , as reported. - Auexcursion train on Western North Carolina Railroad was wrecked at Mud Cut by a landslide; a coach was completely buried, but no one was seriously burt. - Two

Kansas farmers got into a shooting scrape and both were killed. - Twenty-four buildings destroyed and twenty-two firms burnt out at Farmer City, Ill.; loss \$100,-000; incendiary work; Cleveland (Ohio) Pa per Company's establishment partially burned; loss \$300,000. - A picnic party at Muckwonago, Wisconsin, made a very narrow escape from a wholesale poisoning; many were made very sick and some dangerously so, by tartar emetic being used for citric acid as a substitute for lemonade. -New York Cubans will extend aid to the Revolutionary Committee of Cubans. -The Socialistic element in New York beld n meeting and denounced the shooting of - Grand Lodge of Southern District of the Hebrew Order of K. S. B., is in a salon at Baltimore. - Builders' strike at Bristol, Eng., that begun in November, 1878, has ended by submitting to

the misters' terms. --- The Gate City Guards, of Atlanta, will visit the Northern cities. - Pensacola Board of Health has established a quarantine against New Orleans - Four Cardinals will be created next month. - Twenty-two thousad peo ple attended the Ocean Grove (N. J.) camp meeting on Sunday. -- There are \$155 deposited in the New York postoffice for Memphis orphaus. -- Crop estimates, grom England, show a great deficiency. - Milton Farrow, American marksman, gamed the three first prizes at the shooting contest at Versailles, which concluded yesterday. - Kalloch, the Workingmen's candidate for Mayor of San Francisco, is not dangerously wounded; his assailant has been held for trial, charged with an assault

with intent to kill. - Thirty-four cases in all at Memphis yesterday; the fever is reported to have taken a fresh start. Diplomatic relations between Russia and Austria are less cordial than for many years; there are differences also between Russia and Germany. — Famine is threatened in Persia. — Albanians again threaten to invade Servia. --- Great suffering experienced by the Russian expedisymptoms of a revolt in Armenia. Austria is said to have a short grain crop. - The revolution in Hayti has ended with a victory by the National forces. - Teutonic Associations in Memphis

appeal for assistance. -- The wife of Gen. J. B. Hood died of yellow fever at New Orleans. - Great destitution prevails in West Ireland. -- Excessive rain in Western Pennsylvania caused great damage to houses and railroads. -- New York markets: Money active at 6@7 per cent; cotton steady at 12@121 cis; southern flour active and firm; wheat 1@1c higher, ungraded winter red 95c@\$1 10; corn 1@1c lower and moderately active; spirits turpentine steady at 261@262 cents; rosin steady \$1 274@1 30.

One hundred and nineteen loads of peaches reached New York in one day last week.

· The largest watermelon grown in Florida this season weighed 105 pounds. North Carolina's largest, as far as heard from, is 60 pounds.

Every Democrat is not a Repudiationist but every Repudiationist is a Democrat. -8t. Louis Globe-Democrat. Rep.

Wisconsin is a Republican State Wisconsin repudiated its debts. How could Democrats carry a Republican State unless Republicans voted with them?

— Pittsboro Record: Randolph already has seven or elebs factories in open-tion, with one or two more now building, and yet here in Chatham, where more cot-Contrary to expectation Mr. Tilden has broken his ordinary silence, and spoken with reference to Mr. Cyrus W. Field's grave charge. He

truly. The terrible yellow lever is

thieves are becoming bold and almost

defiant. A special of the 21st to the

The warm weather is boiling out the

poisonous infection from the systems of those who have become infected by remain-

ing in this poisonous atmosphere. The city is overrun with thieves, who make nightly

raids on deserted premises, notwithstand-ing the rigid orders given the police to stop

and investigate every person on the street after 9 o'clock at night. Some of the thieves

are quite bold in their operations. Two went into McFadden's grocery, corner Trigg and Latham avenues, about dusk this eve-

ning, one holding a pistol on the proprietor while the other helped himself to what they

wanted. Suburban residences are daily an-

noyed by beggars, principally colored vag-

guard on every block. Hundreds of ne-

groes, men and women, daily congregate on Main street, principally about the nurse

and relief depot, claiming to be in want of work, but citizens say it is next to impossi-

ble to employ house servants, even at the

Beaufort is in distress and needs

belp. Raleigh has already responded

"When the disaster fell on that village

there were hundreds of visitors from differ

ent sections of the State enjoying them-selves at the seaside hotels. They lost ne-

cessary clothing and other effects; they

were obliged to ask for shelter from the

storm. This was not denied in any in-

stance. The people of Beaufort opened their doors. What food they had was

freely shared with the unfortunate. What

clothing was needed was taken from pri-vale wardrobes. Not a cent was asked—

Beaufort's people are on the verge

amine. They have given all out of their

numanity. The temporary aid they ask

Raleigh Observer: Sheriff J.
T. Dawson, of Halliax, brought up three colored larceners, convicted at the last term of the Inferior Court and sentenced to one three and four years' imprisonment.

The hunting season promises to be a fine one. The quall are reported as numerous and growing well. The large quantity of small grain sown will feed the birds and keep them in fine condition. Hunting will not begin before October to any great are not begin before October to any great ex-

Charlotte Observer: The Mecklenburg Cuirassiers, the only cavalry company in the State, by the way, yesterday had their first regular drill, Captain J. M. Miller commanding. — The grape crop is fast fading away. The wet weather has damaged considerably the late crop.

A military company is soon to be organized at Stont's, in Union county, just across the line, and it is said that a number of the Mecklenburgers in the region round about Matthew's have signified a determination to

- Concord Sun: A remarkable meteorological phenomenon, in the shape of a water spout, visited Mr. Nelson Suther's place, about five miles from Concord, on Tuesday. It struck in a thicket, and the large trees as well as the small ones were twisted off and swept away from the spot, leaving the place perfectly barren. The houses in the neighborhood shook from the affects of the meteorate as the second shock from the affects of the meteorate as the second shock from the affects of the meteorate as the second shock from the affects of the meteorate as the second shock from the affects of the second shock from the affects of the second shock from the affects of the second shock from the second shock from the affects of the second shock from the secon the effects of the water-spout as if there had been a severe shock of earthquake Lightning also struck five or six times in

- Asheville correspondence of the Raleigh News: Among the notabilities of the section I had pointed out to me was the notorious Col. Kirk, of infamous memory, who it was said, was hovering around for several days, on some mysterious errand or other. He was so disguised as to be only recognizable by those who knew him well. He went heavily armed, and by his furtive movements and glances seemed to be con-stantly on the alert for danger. He shortly left, however, as silently and mysteriously as he came, and we saw his face no more.

- Charlotte Observer : Monroe wants a telephone stretched from Charlotte to Wilmington, so that she may hear some of the concerts in one or the other of these places this winter. —The pulpit of the Baptist church in Asheville was filled Sunday morning by the Rev. Mr. Landrum, of Augusts, Ga., and Sunday night by his father, Dr. Landrum, of Memphis. Rev. F. M. Fanning has been appointed to fill the pulpit of the M. E. church in Asheville, made vacant by the resignation of Rev. C. S. Long, who goes to Tennessee to take charge of the Powell's Valley Semi-

nary, a new conference school. - Raleigh News: A negro man walked into the State Library the other day and enquired for a blue-bloked spelling book. He seemed perfectly astonished when the Librarian informed him that there was no such book in the library, and evidently thought he was being "stuffed."

Judge Tourgee leaves this State for Denver, Colorado, next Tuesday. He will spend awhile in New York city before taking his final departure for that place.

The Great Eastern Circus will not come to Raleigh. It has made Thomasville its final resting place. — The Penny Post is the name of a daily newspaper which Major Hearne says will be flung to the breeze, in this city on the first of September. — There will be a grand hop at Kittrells on the 26th instant, in henor of

he Press Convention - Asheville Journal: We menloved in our last issue that a bench warrant had been issued and executed upon Maj. Rollins. The case was set for last Monday, but was postponed until yester-day, when the case was commenced. J. S. Henderson, Esq., and Hon. T. F. David-son appeared for the Western North Caro-lina Railroad. Mr. James H. Merrimon, Captain McLoud and Judge Henry appeared for Rollins. The whole matter was dropped and no particulars gone into except the constitutionality of the law. Mr. Merrimon opened the case with a two hours' speech, producing decisions of almost every State Supreme Court in the Union, as well as quoting the Constitution of the United States. The argument was se forcible that when the dinner hour came the friends for the prosecution desired a different mode of proceeding, which mode, as we understand, will be accepted by the

- Fayetteville Gazette: Since-last ficulty in getting over Spring Hill, the water in the Cape Fear has risen about twelve feet. The crops along the Cape Fear are in fine condition, and nothing but a freshel will now materially injure them. —About one hundred and eighty convicts are now at work at Bear Creek, grading the road between the Gulf and Matthewa' Cross Roads, and it is now expected that the work will be completed to Ore Hill in the next ten days. The grading is very well done, the convicts work well, and the read-bed is a pretty a piece of engineering as can be found anywhere. — Mr. D. G. McDuffle has drawn for Mr. J. A. Worth, President of the Cumberland County Agricultural Society a man of the county ricultural Society, a map of the county, which Mr. Worth designs sending to the Department of Agriculture at Raleigh.

The eighty-sixth anniversary of the Fayetteville Independent Light Infantry empany will take place on Wednesday the 27th of August.

Charlotte Observer: A calouation shows that each conductor and enrineer who runs on the passenger trains of ton is produced and our water power is greater, there is only one factory. the three longest roads that run into this city, travel, in the course of the year, more than three times the distance around the world. -There is some talk of erecting a telephone, line between this point and Statesville, along the line of the Atlantic Tennessee & Ohio Railroad. Estimates of the cost have been asked for. — Five negro men and one negro woman have just been arrested at Belton, on the Air-Line Bailway, charged with rocking a car, and injuring Mrs. P. B. Simms, an account of which appeared in the Observer a few days township, on the Winston-Salem & Mooresville Railroad, and Messrs. Lowrance & Rankin have again gone to work with their force on the annivered third five of the hands in all, between here and Third creek.

— Chapel Hill Ledger: L. G. Sykes and four other primare his borro on last Wednesday night. — There are three newspapers in North Carolina owned and edited by colored men. — We have of several substantial families, being desirous to move in among us, looking round for houses. If we had that first-rate graded school going it would be first-rate balt to such as are hesitating.

— Salisbury Westermant: The residence of Mr. John Wilhelm, at China

colored, a respectable colored preacher, of the Baptist denomination, died yesterday at his home two miles north of the city, and will be buried to-day.

Churchwell, the barber, who is the pro-prietor of quite an extensive aviary, extricated himself from quite a serious dilemms a short time since in a somewhat novel man-ner. He had been sent for by a Northern lady as one of the hotels, who informed him that she understood he was a good hand a doctoring birds, and that she had a mock ing-bird that was getting rather old and had lately been sick and subject to fits. The bird was highly prized by herself and children, and she was willing to pay him s - The weather continues exceed-1 good price if he would cure it. The bird had a fit while he was there, and he expressed his willingness to see what he could do for it. He started home with the feathered pet, but on the way it died Now he was in a great dilemma. The lady had displayed great anxiety about the bird. of and he dreaded to take the dead creature back to her. " A bright a thought finally struck him. He looked among his large number of birds, and at last found one almost the exact counterpart of the dead songeter, the only difference being that the lady's bird had a black spot on one side of the head and Churchwell's had one on the other side. He took his bird to the lady and she received it as her own without the slightest questioning or suspicion, and was profuse in her congratulations to the "Doctor," as she called Churchwell, for his skill, paying him five dollars for his trouble, which happened to be just what he charged for his

So he got out of the scrape and made good sale of his bird just by the use of little "cheek."
