Tell me only with your eyes, Words are cheap as water; If you love me, looks and sighs Tell my mother's daughter More than all the words may know; Love me, love, but breathe it low!

Words for others, storm and snow, Wind and changeful weather, Let the shallow waters flow, Foaming on together;
But love is still, and deep, and oh!
Love me, love, but breathe it low!

45 Years Before the Public. THE CENUINE DR. C. McLANE'S 经验 CELEBRATED

LIVER PILLS

FOR THE CURE OF Hepatitis, or Liver Complaint, DYSPRESIA AND SICK HEADACHE

Symptoms of a Diseased Liver,

DAIN in the right side, under the I edge of the ribs, increases on pressure; sometimes the pain is in the left side; the patient is rarely able to lie on the left side; sometimes the pain is felt under the shoulder blade, and it frequently extends to the top of the shoulder, and is sometimes mistaken for rheumatism in the arm. The stomach is affected with loss of appe-tite and sickness; the bowels in gen-

eral are costive, sometimes alternative with lax; the head is troubled with pain, accompanied with a dull, heavy sensation in the back part. There is generally a considerable loss of memory, accompanied with a painful sen-sation of having left undone some-thing which ought to have been done. A slight, dry cough is sometimes an attendant. The patient complains of

weariness and debility; he is easily startled, his feet are cold or burning, and he complains of a prickly sensa-tion of the skin; his spirits are low; and although he is satisfied that exercise would be beneficial to him, yet he can scarcely summon up fortitude

enough to try it. In fact, he distrusts every remedy. Several of the above symptoms attend the disease, but cases have occurred where few of them existed, yet examination of the body, after death, has shown the LIVER to have been extensively deranged.

AGUE AND FEVER.

DR. C. McLane's LIVER PILLS, IN cases of Ague and Fever, when taken with Quinine, are productive of the most happy results. No better cathartic can be used, preparatory to, or after taking Quinine. We would advise all who are afflicted with this disease to give them a FAIR TRIAL. For all bilious derangements, and as

a simple purgative, they are unequaled. BEWARE OF IMITATIONS.

The genuine are never sugar coated. Every box has a red wax seal on the lid. with the impression Dr. McLane's Liver

THE

HOLMAN LIVER PAD

DISEASE.

From whence does it originate? Most physicians treat every ill or pain specifically, while they are only each a part of a great whole proceeding or growing out of two fundamental causes:—First, A DERANGED STOMACH; second, A DERANGED LIVER. REGULATE THESE TWO AND YOU WILL CURE NINETEEN-TWENTIETHS of all "the ills flesh is heir to," in this or any other climate. The HOLMAN PAD acts directly upon the liver through the pores of the skin, quietly, thoroughly, and without inconvenience, performing a most important function. And we may add this remarkable statement, CHALLENGING REFUTATION, that in its extensive use by, and including all classes of persons, from old age to helpless infancy, NOT A SINGLE CASE OF INJURY HAS OCCURRED. From whence does it originate? Most physicians

The Stomach is the Monarch of the

You should over remember that the cause of nearly all our ills begins at the vital point, the first stomach; that the liver is seldom wrong when the stomach is right, and if they are wrong all the other
organs are struggling to do the work of the stomach
and liver. Rhenmatism and nearalgis are traceable
to the stomach in most instances, particularly those
forms which attack the patient internally and in the
region of the vital organs. THE PAD will relieve
and cure such cases, as no other remedy devised by
human skill has ever done. We have witnessed its
effects in cases almost innumerable. We would add
that no human being ever had a fever, fever and
ague, or yellow fever, who had a sound, healthy
stomach and liver.

F. A. Schutte, Prop'r. The Preventive and Antidotal Power of the Holman Liver Pad.

As a preventive of any disease that attacks the vitals, the Pad is worth many times its weight in gold. It is impossible to compute the value of a discovery which, WITHOUT DOSING, may be absolutely relied upon to PREVENT the most dangerous maladies.

What will the Pad Prevent? will prevent summer complaint, and keep the bow-els regular. It will prevent DYSPEPRIA. It will prevent heart disease. It will prevent sick head-aches. If the Pad is put on when the first symp-toms appear, the attack will be avoided. (Think of this ye martyrs to the painful malady.) In short the HOLMAN LIVER PAD is the most perfect preven-tive of disease affecting the vital organs that has ever been discovered.

Woman the Most Grateful.

None seem to receive such benefit, and none show such prefound gratitude and interest in promoting the use of the PAD as woman. It seems to be the only remedy peculiarly adapted to the many fils the sex is almost universally subjected to. Many very remarkable cares are constantly occurring and being reported. These are facts, substantiated by a host of reliable persons, and being so are worthy the caudid attention of the people. Disease is everywhere cutting down our friends, and desolating households; even we, who think ourselves strong, have disease quietly slumbering within us, ready at any moment to rise and assume its power to destroy. Are we then ready to adopt this simple, yet effective remedy, and add years to our lives and happiness to our homes? To a certain extent we are the directors of our destiny; shall we omit the most important part of the direction and thus shorten life, or shall we do our duty and prolong it.

Important Advice to Patients.

There are no doubt a lew who, after wearing the Holman Pad a few weeks, feel that they have not received as much relief as they expected. We say te all such, call at the office, and we will chearfully give you the full benefit of our experience free of charge. We have by giving timely information encouraged many to persevere with our Remedies who are now rejoicing with good health, whereas they were about ready to give up and preneunce the Pad a fraud. Many chronic cases need encouragement, and it is often a great satisfaction to know that we have met with similar desperate and almost help-less cases that have been completely cared by our treatment.

The price of the regular Pad, \$2; Special Pad (one third larger), \$3; XXX Pad, which covers the sto-mach, liver and spleen, and is a sovereign remedy for all chronic diseases growing out of diseased sto-mach or liver, price \$5; Absorption Salt, six packa-ges for \$1.25, used for twelve baths. The Savannah Weekly News Of OCTOBER 4th will contain the first chapters of a story of thrilling interest, entitled

ANABEL'S SECRET! BY MRS. J. O. BRANCH. We desire not to anticipate the pleasure which the readers of the WERKLY NEWS will derive from the perusal of this charming story, and therefore will not speak of it here further than to say that in the management of an original and intensely interesting plot, not less than in her powers of description, her life-like delineations of character, and the pure moral tone of her reflections, the accomplished anther gives assurance that she inherits the genius of her gitted mother, Mrs. Caroline Lee Hentz, whose works of fiction have been so universally admired and still rank among the most popular American books of their class. "Anabel's Secret" is developed in California, of which State the auther was at one time a resident, and her vivid descriptions of some of the most wonderful scenery of that picturesque region are among the striking features of the story.

The new serial will run through some eight or ten numbers of the Weekly. Subscribers who desire to have the story complete should send in their subscriptions at once.

Subscription \$2 a year. \$1 for six mouths. Money can be sent by Money Order, Registered Letter or Express, at our risk.
