Both sides appear to be confident of a victory next Tuesday in Ohio. At the Conkling headquarters in New York the news is regarded as every way encouraging. It is given out that there is no doubt whatever of Foster's election. On the other hand the news at Gramercy Park is said to be cheering, and the old man who presides there is well pleased at the outlook. The Fox Club-Good Sport.

The Wilmington Fox Club has covered itself with glory this week. Their first meet took place at the Fair Grounds, near this city, Wednesday morning. The members present consisted of Messrs. E. E. Burress, W. P. Oldham, J. H. Daniel and Albert Gore. This day they caught two foxes, after one of the finest and most ex-Gut neighborhood, Peter Freeman, colored, citing runs ever experienced by the oldest sportsman of the party, the dogs being in excellent trim. Mr. Oldham's "home run" was pretty good, too. He was six miles from town when the last fox was bagged. and upon looking at his watch he found that he had just twenty-five minutes in which to reach the Court House in time to be present when a certain case was to be called in which he was interested. He dismounted in front of the door just as Sheriff Manning, with his stentorean voice, called out his name from the window.

In Thursday's heat Messrs. Burruss, Freeman and Oldham participated. They ran two foxes at the same time and captured one, and also started a deer. The dogs on Thursday were not in such good trim as on the previous day. If three foxes in two days is not considered fair hunting they will make it four next time. So say the gentlemen of the Club.

Carr, who, accompanied by Special Deputy C. H. Strode, proceeded to the neighborhood of Rocky Point, Thursday night, and came upon the accused at his house in the woods about one mile this side of Rocky Point depot, and about one hundred or one hundred and fifty yards from the railroad.
