Leading Democrats in New York city say that Bayard can get 20,000 more votes in that State than Tilden T. H. Pritchard, T. E. Skinner, J. D. can get. Rah!

As so many of our readers are interested in the Baptist cause, we surrender our outside editorial space on Sunday morning for their benefit. The proceedings of the Baptist State Convention will be found interesting to all who would like to see what a denomination that numbers 160,000 members in North Carolina is doing for Christ and the establishing of His Kingdom upon earth.

We have only space to say that the last thing on the tapis is a Grant visit to North Carolina to further Judge Settle's chances for the second place on the Presidential ticket. The Baltimore Sun's Washington letter says:

"Leading Democrats in North Carolina are said to have given the assurance that they will join in extending the hospitalities of the State to Gen. Grant if the affair is divested of any partisan features. As Judge Settle is personally very popular with them, they will have no objection to anything that will help his aspirations in the way of an association on the ticket with Gen. Grant."

Referring to Mr. W. T. Walters, of Baltimore, in connection with the J. W. Taylor, J. A. Stradly, J. W. Western and Atlantic Railway, Gov. F. Rogers, C. E. Taylor, J. M. Pool, Western and Atlantic Railway, Gov. Brown, of Georgia, recently paid that gentleman a very high compliment, which is supplemented by the Augusta Chronicle in the annexed paragraph:

"Wm. T. Walters is a man of uffairs such as few can equal or surpass. He is devoted to the South and her people, and has done more to aid this section practically, and sometimes to his detriment, than any person of our acquaintance in this region. He will, as Gov. Brown says, prove a mighty factor for good in the management."

Mr. Walters is well known in Wilmington by reason of his connection with two of our leading railways, and we believe he is entitled to all we have quoted in his behalf.

#### The Greatest Mistake. [Chandler's Last Speech.]

Mistakes we undoubtedly makeerrors we committed-but, in my jadgment, the greatest mistake we made and the gravest error we committed was in not hanging enough of these Rebels to make treason forever odious.

- Raleigh Episcopal Convocation met on Wednesday. We learn from the Observer that the following clergymen were present: Rev. Dr. R. B. Sutton, Greensboro; Dr. Jos. C. Huske, Fayetteville; Rev. Maurice Vaughn, Oxford; Rev. Gilbert Rev. Jos. B. Cheshire, Jr., Chapel Hill; Rev. Edmund N. Joyner, Pittsboro; and Rev. Dr. Marshall, Rev. Mr. Rich, Rev. John Smedes and Rev. Bennett Smedes.

- Washington Press: The Tar river improvements, with Capt, James a the head, is doing much good for navigation on this river. We learn that the appropriation of \$3,000 will be exhausted in about two months, but its effects will be of great benefit to this section. There is also an appropriation of \$8,800, which will also be used in the right way.

"We are coming Father Abraham 300,-000 more" to indorse the good and effective qualities of Dr. Bull's Cough Syrup in every case of Cough, Colds, etc.

BAPTIST STATE CONVENTION.

Meeting of the Forty-Ninth Annual

Session.

[Oxford Free Lance Report Condensed.]

Second Day.

WILMINGTON, N. C., SUNDAY, NOVEMBER 9, 1879.

The hour of the special order having arrived, the report of the Board of Education was taken up and dis cussed at length by a number of del-

Prof. L. R. Mills was gratified that the report of ministerial education was so flattering. There are now twenty-five young men at Wake Forest College, twice as many as ordinary. There is a growing interest in the education of young ministers. Some of these students at the Colleges are there by their own efforts; others are sent by churches and Associations. The Board is now aiding twelve young men.

Dr. Pritchard had during the past year visited twelve Associations. The progress and increased interest in the Christian work is great throughout all the bounds of the jurisdiction. No where in the State have the Baptists such a strong hold as in Granville, and the reason of this is that the county has the very kind of

preachers needed. There should be a larger number of students at Wake Forest-seventyfive young men in the State are

about to enter the ministry. W. H. Pace, Esq, appealed to the aymen of the denomination to come forward and contend with the ministers in the matter of keeping up the cause. The preachers have given the greater portion of the amount raised, and he was ashamed of the laymen. His appeal evidently was felt, and responses came much more rapidly after his speech.

Rev. R. H. Griffith also addressed the Convention on the subject, after which a contribution was taken up on behalf of the Board of Education. which amounted to the handsome sum of \$300.

The report was adopted. The committee to nominate a Board of Missions reported as follows. the report was adopted: W. H. Pace, Joyner, A. M. Lewis, W. T. Watson, F. Frost, B. F. Montague, Jordan Womble, Jr., C. M. Cooke, C. B. Edwards, F. H. Jones, J. C. Scarborough, Haynes Lennon, C.T. Bailey, J. M. Heck, R. E. Savage, J. Armstrong, N. B. Broughton, W. R. Gwaltney, N. L. Taylor, R. P. Thomas, E. L. Davis, W. J. Tolar, A. D. Jenkins, P. A. Dunn, J. C. Leigh, Jno. Watson, Thos. Speight,

G. W. Harman, N. B. Cobb. The committee appointed to nominate a Board of Education reported

as follows, which was adopted: W. T. Brooks, W. O. Allen, A. D. Blackwood, J. M. Brewer, L. Chappell, L. C. Dunn, P. A. Dunn, D. A. Glenn, L. R. Mills, W. L. Poteat, J. B. Powers, T. H. Prichard, F. M. Purefoy, J. L. Purefoy, W. B. Royall, W. G. Riddick, C. W. Scarborough, W. G. Simmons, W. B. Smith, C. E. Taylor, A. R. Vann.

The committee appointed to nominate a Sunday School Board reported as follows, and the report was adopted. Place of session Raleigh.

J. M. Heck, S. J. Tatum, Mike Whitley, J. S. Allen, R. D. Graham, P. A. Dunn, J. A. Delk, L. O. Lougee, N. B. Broughton, C. Durham, J. K. Howell, W. A. French, J. D. Hufham, B. F. Hester, John E. AFTERNOON SESSION.

The report of the Sunday School Board was read, when, upon motion, it was laid upon the table for the present. The report shows that \$6,-603 72 were raised by the Baptists of the State for Sunday School purposes in 1879. The statistical statement is as follows:

Number of schools in operation during the year 1878, 600; number of new schools organized in 1879, more than 40; total number of schools, 640; number of churches this side the Blue Ridge, 720; number of churches without schools, 200; number of communicants in the 720 churches, 73,-000; number of attendants in the 640 Sunday Schools, less than 40,000; of these not more than one-fifth are professing Christians, which leaves of the church members who are not regular attendants upon the Sunday

School, 65,000. The hour of the special order having arrived, namely, the consideration of the report of the Home Mission Board was resumed, and the Convention was addressed by Rev. W. H. McIntosh, D. D., Corresponding Secretary of the Board. The report was of the most trivial character. adopted.

Forty dollars and fifty cents was contributed to send Rev. Dr. Hart-
