45 Years Before the Public. THE CENUINE DR. C. McLANE'S CELEBRATED

LIVER PILLS.

FOR THE CURE OF Hepatitis, or Liver Complaint, DYSPEPSIA AND SICK HEADACHE.

Symptoms of a Diseased Liver

DAIN in the right side, under the ledge of the ribs, increases on pressure; sometimes the pain is in the left side; the patient is rarely able to lie on the left side: sometimes the pain is felt under the shoulder blade, and it frequently extends to the top of the shoulder, and is sometimes mistaken for rheumatism in the arm. The

stomach is affected with loss of appetite and sickness; the bowels in general are costive, sometimes alternative with lax; the head is troubled with pain, accompanied with a dull, heavy sensation in the back part. There is generally a considerable loss of memory, accompanied with a painful sensation of having left undone some-thing which ought to have been done. A slight, dry cough is sometimes an attendant. The patient complains of weariness and debility; he is easily startled, his feet are cold or burning, and he complains of a prickly sensa-tion of the skin; his spirits are low; and although he is satisfied that exercise would be beneficial to him, yet he can scarcely summon up fortitude enough to try it. In fact, he distrusts every remedy. Several of the above symptoms attend the disease, but cases have occurred where few of them existed, yet examination of the body, after death, has shown the LIVER to have been extensively deranged.

AGUE AND FEVER.

DR. C. McLane's Liver Pills, in CASES OF AGUE AND FEVER, when taken with Quinine, are productive of the most happy results. No better cathartic can be used, preparatory to, or after taking Quinine. We would advise all who are afflicted with this disease to give them a FAIR TRIAL. For all bilious derangements, and as

a simple purgative, they are unequaled.

BEWARE OF IMITATIONS.

The genuine are never sugar coated. with the impression Dr. McLane's LIVER

The genuine McLane's Liver Pills bear the signatures of C. McLane and Fleming Bros. on the wrappers.

Insist upon having the genuine Dr. C.

The Sayannah Weekly News Of OCTOBER 4th will contain the first chapters of a story of thrilling interest, entitled

ANABEL'S SECRET BY MRS. J. O. BRANCH.

We desire not to anticipate the pleasure which the readers of the WEEKLY NEWS will derive from the perusal of this charming story, and therefore will not speak of it here further than to say that in the management of an original and intensely interesting plot, not less than in her powers of description, her life-like delineations of character, and the pure moral tone of her reflections, the accomplished author gives assurance that she inherits the genius of her gifted mother, Mrs. Caroline Lee Heniz, whose works of fiction have been so universally admired and still rank among the most popular American books of their class. "Anabel's Secret" is developed in California, of which State the author was at one time a resident, and her vivid descriptions of some of the most wonderful scenery of that picturesque region are among the striking
