Arrested for Larcony and Assault with a Deadly Weapen.

Eli Miller, alias Eli McKoy, was arrested vesterday on the charge of stealing a hog from the pen of one J. H. Galloway, colored, in the neighborhood of Eleventh and Dock streets, and tolling him to his own premises, where he was slaughtered and butchered and retailed out to the cusway.] tomers of the said Miller, alias McKoy, in that section of the.city. It seems that the hog was stolen on Friday, and yesterday Galloway, the owner, having received sufficient information to satisfy him as to what had become of the animal, went to Miller's house to inquire about it, when the latter drew a revolver upon Galloway and threatened to shoot him. The owner of the said hog then swore out a warrant before Justice Hill and had Miller arrested, whereupon he was ordered to give

bond in the sum of \$250 for his appearance to-day at 12 o'clock, to answer to the charges of larceny and assault with a deadly weapon, in default of which he was committed to jail.

It is reported that many depredations of this nature have been committed in that neighborhood recently.

Mayor's Court.

Dock Deberry, colored, was arraigned before the Mayor yesterday morning on the charge of larceny. The evidence was to the effect that Deberry was in Mr. H. D. Wessell's store, on Market street, Saturday night, and that while the proprietor and clerk were busy at the liquor counter, the defendant seized a shoulder of meat, tried to lose himself in the crowd near the door, and was about making off with his prize, when Mr. Wessell, who had witnessed the transaction, hurried around the end of the counter and headed him off, upon which he was turned over to Policeman Biddle and taken to the guard house. A colored man who was in the store at the time corroborated Mr. Wessell's version of the affair.

Debarry was ordered to give a justified bond in the sum of \$50 for his appearance at the next term of the Criminal Court, in default of which he was lodged in jail. Another trifling case of disorderly con duct was disposed of.

Dangerous Sport. The plaything commonly known as "sling-shot" is a very dangerous article at the best, but especially is it so in the hands of a reckless or careless boy. Fire at Becky Point.

A destructive fire occurred on Saturday night last, on the premises of Messrs Westbrook & Bros., at Rocky Point, in Pender county, which entailed a loss of about \$3,000 on the firm. It consumed a gin house, grist mill, cotton press, engine, eight bales of cotton and a quantity of cotton seed. There was no insurance on the property destroyed. The mill had been running on Saturday, and persons were on hand about the premises up to 11 o'clock at night, but no fire had been discovered at that hour. The cause of the fire is unknown, but it is supposed to have

been accidental. We are glad to hear that the Messra. Westbrook are not discouraged by their loss, but have determined to rebuild at

Pender Superior Court.

We learn from Sheriff Paddison, who was here yesterday, that our informant was mistaken in regard to the case of Thomas Croom, colored, charged with burning his barn.
