Aye, better luck another year! We'll have her smile instead of sneer— A thousand smiles for every tear.

With home made glad and goodly cheer. And better luck another year-Another year!

The damsel Fortune still denies
The plea that yet delights her ear;
Tis but our manhood that she tries, She's coy to those who doubt and fear, She'll grant the suit another year ! Another year!

Here's "better luck another year," She now denies the golden prize; But spite of frown and scorn and sneer, Be firm, and we will win and wear With home made glad and goodly cheer In better luck another year ! Another year! Another year!

[N. Y. Financial Chronicle.] FRIDAY, P. M., Dec. 19, 1879. The movement of the crop, as indicated by our telegrams from the South to-night, is given below. For the week ending this evening, Dec. 10, the total receipts have reached 218,907 bales, against 234,876 bales last week 216,167 bales the previous week, and 249,152 bales three weeks since; making the total receipts since the 1st of September, 1879, 2,804,948 bales, against 2,376,155 bales for the same period of 1878, showing an increase since September 1, 1879, of 428,793

The exports for the week ending this evening reach a total of 111,890 bales, of which 73,262 were to Great Britain, 6,715 to France, and 31,913 to rest of the Continent, while the stocks as made up this evening are now 809,498 bales.

From the foregoing statement it will be seen that, compared with the corresponding week of last season, there is a decrease in the exports this week of 6,599 bales, while the stocks to-night are 48,419 bales more than they were at this time a year ago.

DR. C. McLANE'S LIVER PILLS.

FOR THE CURE OF Hepatitis, or Liver Complaint, DYSPRISIA AND SICK HEADACHE.

Symptoms of a Diseased Liver.

DAIN in the right side, under the edge of the ribs, increases on pressure; sometimes the pain is in the left side; the panent is rarely able to lie BLK and COL'D CASHMERES, CORSETS, KID GLOVES, on the left side: sometimes the pain is felt under the shoulder blade, and it frequently extends to the top of the shoulder, and is sometimes mistaken for rheumatism in the arm. The stomach is affected with loss of appetite and sickness; the bowels in general are costive, sometimes alternative with lax; the head is troubled with pain, accompanied with a dull, heavy sensation in the back part. There is generally a considerable loss of memory, accompanied with a painful sensation of having left undone something which ought to have been done. A slight, dry cough is sometimes an attendant. The patient complains of weariness and debility; he is easily startled, his feet are cold or burning, and he complains of a prickly sensation of the skin; his spirits are low. tion of the skin; his spirits are low; and although he is satisfied that exercise would be beneficial to him, yet he can scarcely summon up fortitude enough to try it. In fact, he distrusts every remedy. Several of the above symptoms attend the disease, but cases have occurred where few of them existed, yet examination of the body, after death, has shown the LIVER to have been extensively deranged.

AGUE AND FEVER.

DR. C. McLane's Liver Pills, in CASES OF AGUE AND FEVER, when taken with Quinine, are productive of the most happy results. No better cathartic can be used, preparatory to, or after taking Quinine. We would advise all who are afflicted with this disease to give them a FAIR TRIAL. For all bilious derangements, and as a simple purgative, they are unequaled.

BEWARE OF IMITATIONS.

The genuine are never sugar coated. Every box has a red wax seal on the lid. with the impression Dr. McLane's LIVER PILLS. The genuine McLank's LIVER PILLS bear the signatures of C. McLane and Fleming

BROS. on the wrappers.

Insist upon having the genuine DR. C.

McLane's Liver Pills, prepared by Fleming Bros., of Pittsburgh, Pa., the market being full of imitations of the name McLane, spelled differently but same pronunciation.

Morning News Serials

A New Story by a Lady of Savannah. The Savannah Weekly News Of OCTOBER 4th will contain the first chapters of a story of thad ling interest, entitled

ANABEL'S SECRET! BY MRS. J. O. BRANCH.

We desire not to anticipate the pleasure which the readers of the WERELY NEWS, will derive from the perusal of this charming surry, and therefore will not speak of it here further than to say that in the management of an original and intensely interesting plot, not less than in her powers of description, her life fixe delineations of character, and the pure moral tone of her reflections, the accomplished author gives assurance that she inherits the genius of her gifted mother, Mrs. Caroline Lee Hentz, whose works of fiction have been so universally admired and still rank among the most popular Americas books of their class. "Anabel's 8ecret" is developed in California, of which State the author was at one time a resident, and her vivid descriptions of some of the most wonderful scenery of that pictures use region are among the striking features of the story.

The new scrial will run through some eight or ten numbers of the Weekty, Sabacribers who desire to have the story complete should send in their subscriptions at once.
