An amusing yarn is told on one of the members of the police force. Going on duty yesterday morning, about 4 o'clock, he entered the old market house and saw in the dim light of the dawning day what appeared to be a man stretched at full length on the pavement, with a piece of cloth thrown over him. "This is a-d-d pretty piece of business," remarked the policeman, "for those fellows to leave this drunken man here for me to take to the guard house." He then walked up close to the recumbent object and lifted the cloth to see if he could identify the individual, when he was shocked and startled from his equilibrium by a sight of the huge alligator alluded to in our last, with mouth prized open and looking for all the world, in the uncertain light, as if about to gobble up the unsuspecting guardian of the city's morals and stow him away in his capacious maw. COUNTY CONVENTION.

Meeting of the New Hanover County Convention-Organization of the Convention - Resolution Endersing Maj. C. M. Stedman for Congress, &c., &c.

Pursuant to a call of the County Democratic Executive Committee, the delegates appointed by the various Wards and Townships of the city and county, met in County Convention at the Court House in this city, yesterday afternoon, at 3 o'clock. Mr. DuBrutz Cutlar as chairman, of the County Executive Committee, called the Convention to order, and declared the election of a temporary chairman as first in order. After a slight discussion it was decided by unanimous consent that the chair call for the credentials and read the list of delegates to see that a majority were present.

The following delegates were found to

Robinson was elected temporary Chairman, and on motion of Mr. L. H. Bowden Mr. L. L. Boon was made Secretary. There being no contesting delegation

the list of credentials previously furnished the Chairman of the Executive Committee was accepted, and the delegates therein named recognized as the regular representatives from the several wards and town-

Mr. C. H Robinson was then unanimously elected permanent Chairman, and Mr. L. L. Boon permanent Secretary.

Mr. L. II. Bowden offered the following resolution, which was usnimously adopted

Resolved, That the chairman of this Convention appoint seventy-five (75) delegates to the Congressional Convention and forty 40) delegates to the State Convention to be held; the chairman to be allowed until the 24th instant to publish the list of the same. The following resolutions were offered by

Mr. F. H. Darby :

We, the representatives of the Demo-cratic people of New Hanover county, in Convention assembled, do hereby resolve: 1st. That we view with profound slarm the constant and progressive movement, which under Republican administration is being made to consolidate power in the Fedral, to the displacement of the local selfgovernment, and thereby to destroy the methods and form of constitutional government which the forefathers of the Republic a century ago struggled so gloriously

and so successfully to establish. 2nd. That any system whereby the armed soldiers of the United States are to be present at elections held by the people, and under the pretence of keeping peace at the polls, to overawe and intimidate voters, is deserving of reprehension by a free people, and the only safeguard of liberty is its successful overthrow.

3d. That the late decisions of the Supreme Court of the United States recognizing the right of Congress to pass coercive measures to compel State officers to perform official duties, assert a power inconsistent with and destructive of the independent of the States that the true princidence of the States; that the true principles of government are expressed in the dissenting opinion of Justice Field, and the Democratic party pledges itself to their

4th. That it is the duty of the good people of the United States to wipe out the stain which the fraudulent action of the Republican leaders in the last Presidential elec tion has put upon the purity of the ballot, by restoring to the people the right to elect and inaugurate their chosen officers free of force and fraud.

5th That rigid economy, low taxes, hones reform in the civil service and local selfgovernment, constitute the aim and object of the Democratic party, and to maintain these it will devote its ceaseless energies. 6th. That it is of vital importance that this Congressional District should recover its Democratic representation, lost in the last

election, and to this end a candidate should be selected who shall be both of ability and availability. 7th. That in a spirit of earnest brotherhood and in the interest of the whole district, this Convention doth now present to the other counties the name of our fellowcitizen Charles M. Stedman, as a true, tried and reliable Democrat, a sound, practical successful man of business, and an able lawyer, a generous friend of the poor man and an ardent and eloquent advocate of the rights of the people; and the dele-

gates from this county to the Congressional Convention are instructed to cast their vote solidly for him and to use all honorable and proper means to effect his nomination. Maj. John W. Dunham moved that the

resolutions be voted on seriatim. On motion of Mr. Darby, the motion of Maj. Dunham was laid on the table.

The resolutions as offered by Mr. Darby were then put and adopted as a whole. Mr. J. G. Parker offered the following: Resolved. That the vote of New Hanover

county shall be cast as a unit in the State and Congressional Conventions, to be held, and that a majority of the delegates shall decide for whom the votes shall be cast. Major Dunham moved to amend the motion by striking out the word "State." After discussion between Messrs. Dunham and Cutlar in favor of, and Messrs. J. G. Parker, J. I. Macks and Col. Duncan K. McRae

in opposition to, the amendment was put The original resolution was then adopted.

Mr. J. J. Bowdenimoved that, in accordance with the call of the County Executive Committee, the following gentlemen be appointed as the Executive Committee for the county and city, to hold office from the date of this Convention till the next meetng of the Democratic Convention of New

Hanover county. 1st Ward-S. Hill Terry, W. J. Mott. 3d Ward-Col. Roger Moore, Dr. J. H. Durham.

3d Ward-James W. King, John W.

4th Ward-A. Adrian, R. W. Price. 5th Ward-F. H. Darby, P. T. Dicksey. Masonboro Township-John A. Farrow. Federal Point Township-J. H. Horne. Harnett Township-Gerritt Walker. Cape Fear Township-Iredell Johnson.

Col. Moore moved to substitute the names of Maj. J. W. Dunham and G. J. Boney from the Second Ward. Lost. Mr. Cutlar moved to substitute the name of A. A. Moseley from Harnett Township.

The motion of Mr. Bowden was then adopted.

Maj. Jas. Reilley moved the adoption of the following: Resolved, That all matters pertaining to nominations for county officials be referred to the Executive Committee of this county,

with full power to act. Carried. Mr. J. I. Macks offered the following: Resolved. That the course of Col. A. M. Waddell, in declining the further use of his name in connection with the Democratic nomination for Congress, thus harmonizing the Democracy of New Hanover county, is deserving of the thanks of this Convention, and the same are hereby tendered bim.

Mr. Cutlar, as a friend of Col. Waddell,

objected. Mr. Macks stated that he offered the resolution because he deemed it appropriate and in good faith, and was sorry the friends of Col. Waddell objected. He would withdraw the motion.

Maj. Dunham said one of Col. Waddell's friends had objected.

Mr. F. H. Darby renewed the resolution, and spoke briefly as to his reasons therefor. The resolution was then unani-

Maj. J. W. Dunham moved that the following protest be entered on the minutes: The undersigned, delegates from the Second Ward, of the city of Wilmington, desire to put on record an expression of their opinion as to the call of the Executive Committee of this county for the meeting of this Convention, as well as of the primary ward and township meetings ordered by said Executive Committee, and to have the same presented to the District Conven-

tion for its consideration and action. We earnestly protest against the action of said committee because the meetings referred to were ordered to be held hurriedly and before the District Executive Committee was called together to fix a time and place for holding the District Convention. Such a proceeding was never heard of before in the history of the Democratic party, so far as we know, and we regard it as un-democratic and unwarranted by any party

The District Executive Committee will not meet until Wednesday the 21st inst., and therefore the Convention has assembled o appoint delegates to a Convention not yet called, at a place not yet agreed upon. It is, in our judgment, discourteous to the District Committee, and if allowed to pass unnoticed will be a precedent dangerous to the harmony of the party, and therefore we desire that the District Convention, when called, shall authoritatively decide whether in future such premature action by the County Executive Committees shall be

Mejor Dunham supported his motion in short speech, in which he stated that he offered the protest in good faith and with no-desire to produce any discord in the

Mr. F. H. Darby opposed the motion, and called attention to the fact that in the last campaign, two years ago, the County Convention assembled to appoint delegates to the District Convention before either the lime or place for holding the latter had been fixed.

Col. D. K. McRae also opposed the adoption of the motion, and stated that the call for the present County Convention was strictly according to precedent, and that similar action was now being taken in many other counties of the State.

On motion of Col. McRae the protest was laid on the table. On motion the meeting then adjourned
