Mr. J. H. Foy, of Richlands, Onslow county, in a letter to the Editor, states that a report is circulated to his injury, to the effect that he opposed the appropriation of \$50,000 for New River, called for by a memorial to Congress gotten up by citizens of Oaslow, because he offered to increase the amount, at a meeting held in Jacksonville on the 3rd inst., to \$100,000, and include White Oak River and the Sound, which was rejected. Mr. Foy desires us to say that the report is untrue; that his name was attached to the memorial on the 17th of April; that in his speech at Jacksonville, on the 3rd inst., he publicly declared himself heart and soul for New River, and that he is an appointee of the Jacksonville meet, ing to secure additional names to the \$50,000 memorial for New River, is exerting himself to that end, and believes that the appropriation will be eventually secured

Of this we are so sure that we will teach our "Susy" to say, "A blessing on Mrs. Winslow," for helping her to survive and escape the griping, colicking and teeth-ing siege. MRS. WINSLOW'S SOOTHING SY. RUP relieves the child from pain, and cares dysen-tery and diarrhea. It softens the gums, reduces inflammation, cures wind colic, and carries the in-fant safely through the teething period. It per-forms precisely what it professes to perform, every part of it—nothing less. We have never seen Mrs. Winslow—knew her only through the preparation of her "Soothing Syrup for Children Teething." If we had the power we would make her, as she is, a physical saviour to the infant race. Sold by all druggists. 25 cents a bottle.
