

By WM. H. BERNARD. PUBLISHED DAILY EXCEPT SUNDAYS. RATES OF SUBSCRIPTION IN ADVANCE: One year, (by mail postage paid) \$7 00

MORNING EDITION. Entered at the Post Office at Wilmington, N. C., as second-class matter.

Whittaker had an interview with Gen. Schofield at his house; he explains the points against him. — Twenty thousand persons visited Milton on Sunday to view the ruins; religious services were held in the open air. — Louisville had a \$15,000 fire on Sunday. — The taxing district of Memphis is liable for the contracts of Memphis, decides the Supreme Court.

We notice in the last Statesville Landmark—an exceedingly creditable paper every way and certainly one of the best in the State—an article on Statesville as a delightful place at which to spend the summer. It has a mineral spring within the corporate limits which is thought to possess superior medicinal virtue.

It is not thought to be possible that Congress should adjourn on the 31st inst., the day determined upon by a vote of the House. There are several bills of great importance that cannot be disposed of hardly by that time.

It is bad for West Point when Gen. Schofield is made to give way for John Pope. This action is caused by the necessities of the Whittaker case. The negro cadet is cornered, and his advisers demand the sacrifice of a soldier.

Iowa has a fearful crime. A man living near Mason City outraged his three daughters aged nine, fifteen and eighteen, and then fled. Armed men are hunting for the incarnate devil. What "Southern outrage" ever equaled that.

There is to be a meeting held in Washington in behalf of a proper observance of the Lord's Day. Judge Strong, of the Supreme Court, is to preside, and several prominent gentlemen will speak, among them Mr. Randolph Tucker, of Virginia.

The St. Louis Times says that Missouri is not for Tilden. It adds: "Whether the delegations so far reported for Mr. Tilden be in fact for him or not, we are in no error in declaring that a great majority of the party in this State at this time favor his nomination as a greater misfortune than has befallen the Democracy since 1860."

You cannot make the people go for a man when they do not want him. The Field boom in Richmond is of this kind. The Dispatch says there are not five hundred Field men in that city. Yet it was telegraphed to Washington that of the seventy delegates chosen fifty-one were for Judge Field. Of course this was not true.

"Blind" of the Richmond State says of Hampton and Pendleton: "A few such speeches as those of Hampton and Pendleton on the Kellogg case would be worth more to the Democratic party than all the volumes of oratory its leaders gave vent to during the extra session and since. Now if Lamar and Bayard and Hanson and Thurman, who are believed to hold substantially the same views, would follow the leadership of Hampton, the Senate Elections Committee will have done their party a service by bringing up the Kellogg case."

The Chicago Inter-Ocean, Grant organ, sticks to its figures. On Thursday it gave the vote of delegates elected to Chicago as follows: Grant, 345; Blaine, 167; Sherman, 83; Washburne, 8; Edmunds, 39. The Blaine papers tell a very different story. We give other estimates;

Grant, 240; Blaine, 270; Sherman, 90; Washburne, 13; Edmunds, 39; Edmunds, 39; Edmunds, 39; Edmunds, 39.

Washington is getting excited over the Haalan-Courtney boat-race for \$6,000, that is expected to come off on to-morrow. Great preparations have been made, the route has been surveyed, the time keepers appointed, and so on. The Richmond Dispatch's special says:

Those who composed the regular convention call attention to the fact that the call of the Democratic Executive Committee was for a mass convention of the Democratic party without regard to township representation; that the motion of Dr. Curtis was put by the Chair and rejected; that Dr. Curtis himself only claimed that his motion was not in the exact form in which he offered it; that the bolting convention had no representation at all from some townships (if this question is to be considered at all) and almost none from other townships; that the regular convention, after the bolt, was composed of a very large majority of the Democrats present, and that the official proceedings signed by the Chairman and Secretaries, show that everything was done regularly and in order.

From Duplin. Township meetings to appoint delegates direct to the State and Congressional Conventions were held in Duplin county Saturday. It is conceded that the county is for Col. Wm. A. Allen for Congress as long as he is in the field, though we have heard definitely from but three of the twelve townships, as follows: Faison's—For Allen first, McKoy second choice, with a decided leaning towards Waddell. Warsaw—For Allen first, Stedman second choice. Island Creek—For Allen first, McKoy second choice.

We have plenty of claims from the friends of rival candidates, but nothing definite as to how the county will be divided.

Rev. Dr. Teasdale will preach to the young ladies of Wilmington, in the First Baptist Church to-night at 8 o'clock, promptly. Citizens and strangers generally, and the young ladies especially, are cordially invited to attend. All the seats are free.

Robert P. Smith, Chilesburg, Va., writes, "As for Tutu's Pills I don't know how I could do without them. I have had the Liver disease for over twenty years. Two years ago I got your pills. They have entirely cured me. I always keep them. My neighbors know I have them and send me for them. They always speak in the highest terms of them."

Horsford's Acid Phosphate has been used with excellent success for weakness. It causes the violent symptoms to yield and give way to a healthful action of the functions impaired.

For the Star. Brunswick County Democratic Convention—Old Brunswick Instructors for Daniel G. Fowle for Governor and Charles M. Stedman, of New Hanover, for Congress.

Munger, who has had charge since Capt. Barr was relieved some weeks since. The latter has not yet been ordered to a station.

point two delegates from each township to the Convention at Fayetteville. This motion was objected to by Mr. George H. Bellamy, on the ground that there was no expression of the opinion on the part of the choice of candidates, and Mr. Bellamy then moved that this choice should be ascertained before appointing the delegates, which motion was ruled out of order by the Chairman, and Mr. Rieger's motion put and carried.

Dr. W. G. Curtis then moved that owing to the fact that there was no representation from the townships of Shallotte and Waccamaw, the Convention should adjourn to meet May 24th, at Lockwood's Folly, for the same purpose for which it met to-day, which motion the Chairman refused to put, and the Convention did refuse to put the motion, therefore a number of the Democrats of Brunswick county, fifty-seven in all, being a large portion of those present, did withdraw and organize a separate meeting, which the following proceedings were had:

Whereas, At a meeting called by the Chairman of the Executive Committee of Brunswick county, it appearing that there was no representative from the townships of Shallotte and Waccamaw, and an inadequate representation from Lockwood's Folly, it was moved by Dr. W. G. Curtis, and seconded by P. M. Moore, Esq., that the Convention adjourn to meet on Monday, the 24th of May, at Lockwood's Folly, for the purpose of allowing those townships to be represented. And whereas, the Convention did refuse to put the motion, therefore a number of the Democrats of Brunswick county, fifty-seven in all, being a large portion of those present, did withdraw and organize a separate meeting, which the following proceedings were had:
