THE YOUNGEST ESTABLISHED GROCERY HOUSE in Wilmington! Commencing business only a few years ago, in the midst of the most terrible panic ever known in this country, in the course of three years only, by economy in the use of our investments, and skill in business, we have built up one of the best Retail Grocery Establishments south of the Potomac, with a reputation for fair dealing, intelligence, liberality in business, choice selected articles in our line, and success in trade, that are the envy and the astonishment of the "OLD AND EXPERIENCED GROCERIES," our competitors. Every dollar we have now invested, amounting to theusands and thousands of dollars, is the fruit of our. own UNAIDED EXEMTIONS. We have not had to borrow money to meet losses. We have no bad debts. WE PAY CASH for all our purchases, and trust anybody that can make us safe The stock of Groceries and the good will at 20, 22, 24, 26 & 28 Front Street,

WILMINGTON, N.C. one of the mot extensive, the best and most care fully selected and costly, is held for sale in the FINEST GROCERY STORE IN THE CITY, built expressly for us, and adapted to our trade, and all paid for out of the profits of our business during three years of terrible pecuniary distress. It is a lasting and palpable monument to the business energy and intelligence and industry of P. L. BRIDGERS, the founder of our establishment.

We have created it from nothing. This store itself so neat, so well appointed, and well filled, and well conducted, is a grand poem, in glass and wood and willow ware, suggestive of more pleasant emotions and causing more real happiness than all the works of Shakespeare or Dryden.

We keep NO OLD bTOCK. We have no surplus room. We renew our assertment by personal solicitations weekly, so as to have everything in our line FRESH AND GOOD, and sell everything off as rapidly and cheaply as possible. Money is not made by hearding it or by waiting for big profits. It is made by turning over the investment often and keeping it in constant metion.
