MORNING EDITION.

Entered at the Post Office at Wilmington, N. C., as second class matter.

OUTLINES.

An Annapolis cadet named W. F. Darby, while asleep, walked out of a fourth story window; his left wrist was fractured; no other injury. — A \$40,000 fire occurred in Baltimore. — Ex-Congressman Allen, of Lynn, Mass., throws from a buggy; hip broken. — Gladstone's amendment to the Compensation bill was adopted; Briggs, Liberal, introduced a resolution condemning the proposed erection of a statue to Prince Napoleon; was adopted by a small majority; it was afterwards amended. — The Georgia Revenue raiders charged with murder were released by order of U. S. Judge Wood, on the ground that they were in the performance of their duty. — Dr. Tanner completed the 20th day of his fast in good condition. — The Welsh Colliery explosion is believed to have been caused by lightning striking the winding gear. — Hot and sultry weather in England, with excessive rains, overflows and ruined crops; the bad weather in Ireland has broken up. — Twenty persons killed by military in election riot in Brazil. — Col. Cash was admitted to bail at Cheraw, S. C., in the sum of \$3,000; his son tried to shoot the editor of the *Cheraw Sun* for comments made upon the recent duel. — New York markets: Money 2 1/2 per cent; cotton easy at 11 1/2 @ 12; southern flour quiet and firm at \$5 25 @ 7 10; wheat, graded red, 95c @ 1.19; corn opened about 1/2 better, closing with the advance lost at 47 1/2 @ 49 1/2 for ungraded; spirits turpentine 27 1/2; resin steady at \$1.40 @ 1.47 1/2.

The Virginia Democrats appear partly united in their determination to make no compromise with the Mahoneites. A poor fellow attempted suicide by drowning in New Orleans. Three little strangers had just made their appearance at his home. The Administration has resolved not to engage in the deputy marshal business only in Virginia. There they will be used in the interest of Mahone.

Mr. George D. Wise, a nephew of the late Gov. Henry A. Wise, will be the Democratic nominee in all probability in the Richmond (Va.) District. Thus far he is considerable ahead in the primaries. That turbulent fellow Rochester is back from his banishment under the general amnesty and is already throwing hot shot into the ranks of the men who pardoned him. This is not a decent way of showing gratitude.

The *Sunny South*, published at the new and growing town of Toisnot, on the W. & W. Railroad, and edited by our young friend Theodore Hobgood, formerly of Granville, is neatly arranged and the initial number promises well. Price \$1.50. It has our cordial good wishes.

Capt. John S. Wise, son of Gen. Wise, is seeking the nomination of the Mahone party for Congress, in the Richmond District. He is said to be making very bitter speeches. It will be rather strange if the opposing candidates should be first cousins and both named Wise.

The following concerns our great leader, and will be read with sympathy. A New York letter of the 14th says: "The remains of the little grandson of Gen. Hancock were taken from Governor's Island to-day, and sent to Norristown, Pa., for interment, in charge of Mr. Russell Hancock and Lieut. Ward. The General came over in the boat with his sorrowing son, but bade him goodbye at the wharf."

We are glad to see the Wilmington Star, though tardy, has noticed that ill-advised article of the *Biblical Recorder* which we called attention to last week. If our Democratic press allow such a statement from a religious journal of the influence of the *Recorder* to go unanswered, we might as well give up the fight. — *Warren News*.

Our article was written days before it was published. Being a news paper we give the preference to the latest and freshest. It is all about Don Cameron's bad health. He is buying himself, as usual, about the Stalwart success. He is the picture of health. The latest about him is that he is in Washington. The *Baltimore Sun's* special says:

"There are persons here who assert that the Senator would have remained ill but for the visit of his venerable father, who for some time has been suffering from a severe attack of the same disease. If our Democratic press allow such a statement from a religious journal of the influence of the *Recorder* to go unanswered, we might as well give up the fight. — *Warren News*.

week, the sudden departure of the Senator for home, his meeting of Gov. Newell here, and the announcement that his health has been entirely restored, are regarded as significant.

THE STATE CAMPAIGN.

Governor Jarvis is to speak at Rutherfordton on to-morrow.

Capt. W. R. Myers has been nominated for Congress by the Radicals of the Sixth District. George W. Patterson is the elector.

We hear of several Hancock-Jarvis Clubs to be formed in the county as soon as the intensely hot weather gives us the go by. — *Warrenton Gazette*.

Mr. Augustus M. Moore, Republican nominee for Attorney General, is the smart son of ex-Judge Wm. A. Moore. He ought to try to be a better man than his father. — *Rockingham Bee*.

At a meeting of the Democratic Executive Committee in Onslow, Mr. John W. Shackelford, candidate for Congress, made a speech. This is his second speech in the campaign, we believe.

The "old cavalryman" soothed the blacks down occasionally yesterday when too vehement with cheers and applause at his rotund sentences of Seaford glorification. He waved his hand gently, and said: "Now hush up; hush up, I tell you;" and the Hamites would immediately relax into a mournful looking solemnity. — *Charlotte Press*, 16th.

With Wautaga, Ashe, Alleghany and Alexander, and one vote of Ireland and an assurance that Wilkes will send a solid delegation to the Congressional Convention of the Seventh District at Yadkinville, on the 5th of August, it may be very reasonably expected by the friends of Armfield that he will be nominated, which amounts to an election. — *Le noir Topic*.

We have been requested to state that there will be a meeting of the citizens of Greene, Wayne and Wilson counties, at Hopewell Academy, near Stantonburg, on Wednesday, the 28th of July, at 3 o'clock P. M., for the purpose of organizing a Hancock and Jarvis Club, and to appoint a day for a grand ratification meeting and dinner to be held in the grove of Wesleyan Chapel, near Stantonburg. — *Wilson Advance*.

Dr. Burkhead presiding. Preachers and lay delegates from fourteen appointments compose the body proper. The lay delegates from Front Street Church are H. M. Bowden, W. M. Parker, J. H. Mallard and S. D. Wallace. Those from Fifth Street Church are B. A. McClammy, W. H. Sholar, E. G. Barnitz, and J. C. Mills, with the following alternates: T. T. Seeders, J. G. Darden, S. H. Penny and W. K. Bell.

St. Stephen's A. M. E. Church.
On Monday, the work of demolishing this church edifice, located on the corner of Fifth and Red Cross streets, will commence. This is done for the purpose of making room for the erection of a large brick church in its place, work upon which will begin at once. In the meantime a large tabernacle or temporary place of worship, capable of seating at least one-half of the present congregation, will be erected on the vacant lot in the rear of St. Stephen's, the property of St. Stephen's Church. The congregation of St. Stephen's Church expect to be in the basement of their new building in about two months.

Mourning.
There were two interments in Oakdale Cemetery during the week closing yesterday—one adult and one child. Believers Cemetery reports one interment, as an infant—for the past week. There were six interments—one adult and five children—in Pine Forest (colored) Cemetery during the past week.

Local Notes.

— No City Court yesterday morning.

— Day's length 14 hours and 16 minutes.

— About sixty bunches of fish were condemned and sent out of the market yesterday morning.

— There were 141 carts in market yesterday morning containing watermelons and cantaloupes for sale.

— No services in the Second Presbyterian church this morning. Services this evening by Rev. Alex. Sprunt.

— It was Joseph McL. Merriok's house on fire Friday morning, and not Gabriel Merriok's, as stated yesterday.

— The colored excursionists from Point Caswell returned home on the steamer *John Dawson* yesterday afternoon.

— The Register of Deeds issued only one marriage license during the past week, and that was to a white couple.

— A large quantity of ice and a large number of cantaloupes and watermelons will be consumed in the city to-day.

— Rev. D. A. Long, Principal of Graham High School, will preach in Front Street M. E. Church to-day, morning and night.

— The Cornet Concert Club will give an open air concert at Wrightsville Sound on Wednesday evening next, at 8 1/2 o'clock.

— The Wilmington District Conference of the Methodist E. Church, South, convenes at Zion Church, on the Brunswick circuit, on Thursday next, the 22nd inst.

— The services at the open-air meeting at Dudley's Grove this afternoon, at 4 o'clock, will be conducted by Rev. W. T. Jones. Provision will be made for filling the appointment for next Sunday.

— Capt. J. W. Plummer, of Plumerville, Robeson county, sent us a full grown cotton boll on the 18th, and says: "I have any quantity of them. My cotton is looking very fine indeed. Hurrah for Hancock!"

— Capt. Francis M. James, one of our city health officers, will celebrate his sixtieth birthday to-morrow evening by a pleasant family gathering, numbering about twenty persons in all. We wish the Captain many returns of his birthday.

— Messrs. N. F. Parker and John Corbett, who have been having a good time the past three weeks, during which time they have been "doing" Saratoga, Long Branch, Newport, Conan Island and other places of note, returned home Friday evening.

— An exchange says: "A Boston artist, painted an orange peel on the sidewalk so naturally that six fat men slipped down on it." We would like the artist to call this way and paint blocks of ice on our sidewalks about the present time, just for the purpose of ascertaining how many degrees cooler the imagination would make it.

Death of Mr. Thomas Williams, of Pender County.

The numerous friends and acquaintances of this estimable gentleman were shocked at last night to hear of his sudden and unexpected death, which took place at the Purcell House, in this city, after a little over a week's illness, of gastric fever. Mr. Williams arrived in the city about a week ago from his home in Pender county, and has been confined to his room in the Purcell House ever since, though his condition was not such as to occasion any alarm until yesterday, when the fever, which had been continuous for the past ten days, set in with increased violence, and resulted in his death last night at 8 1/2 o'clock.

Mr. Williams was born in this county, in what is now a part of Pender, and though at the time of his death he had only reached the age of 33 years, had already obtained a position of prominence in his county and in this section. He was the Democratic candidate for Sheriff of Pender county several years ago, and was the representative of his county on the Democratic Congresses. A Committee for the present campaign. He was a genial, kindly, clever gentleman, a useful and public spirited citizen, with hosts of friends, to whom he was warmly devoted, and who, together with his many acquaintances and fellow-citizens, will mourn the loss of a man of solid worth and true manhood.

The remains will be taken to Rocky Point by this morning's train, and the funeral will take place this afternoon, at 4 o'clock, at Pike church, five miles from Rocky Point.

Excursion Wednesday.
Don't forget the excursion to come off on Wednesday next, on the steamer *Pasport*, under the auspices of the C. M. Stedman Fire Company No. 1. The boat will visit Smithville, the forts and the Blackfish grounds. The Italian String Band will furnish music for the occasion. The boat will leave her wharf at 7.30 A. M., and those who desire to participate in the trip, which promises to be a delightful one, should be on hand in time.

Everybody knows the stupefying and deadly qualities of Opium; still there are large quantities of this dangerous drug sold as a soothing medicine for children. Dr. Bell's Baby Syrup contains nothing injurious and will relieve your baby of pain and all disorders of the bowels. Price 25 cents.

The Target Practice.

Some of our friends of the Howard Relief Fire Company inform us that the glare of the sun on the sandy beach seriously interfered with the target shooting on Thursday, and caused many to miss the mark entirely. Besides, some of the marksmen never fired a gun before that day—one of the latter winning a prize. The arrangements will be more perfect and satisfactory another time.

CITY ITEMS.

THE MORNING STAR can always be had at the following places in the city: The Purcell House, Harris' News Stand, and the Star Office.

LATE PAPERS.—To the Harris' News Stand, south side Front Street, we are indebted for copies of the *New York Ledger*, *Chimney Corner* and *Franklin's* *Illustrated Newspaper* for their recent issue. The stand will remain open until 11 o'clock this morning.

From Distinguished Edward Jennings, M. D., Surgeon City Hospital, Harris, N. C., Golden's *Liquid Extract of Beef and Tonic* is said to be a very agreeable article of diet. In Dyspepsia, Malarial Typhoid Fever, and every depressing disease, its use will be found invaluable.

HONORED AND BLEST.—When a board of eminent physicians and chemists announced the discovery that by combining some well known valuable remedies, the most wonderful medicine was produced, which would cure such a wide range of diseases that most all other remedies could be dispensed with, many were skeptical, but proof of its merits by actual trial has dispelled all doubt, and to day the discovery of that Great Medicine, *Hop Bitters*, are honored and blessed by all as benefactors.—*Democrat*.

MOTHERS! MOTHERS! MOTHERS!—Are you disturbed at night and broken of your rest by a sick child suffering from the excruciating pain of cutting teeth? Is he or she restless, crying, fretful, and unable to sleep? Is he or she suffering from a fever, and every other ailment? If so, you will find relief in *MRS. WINDSLOW'S SOOTHING SYRUP*. It will soothe the inflamed membrane immediately—depend upon it; there is no mistake about it. There is not a mother on earth who has ever used it, who will not tell you that once that it will regulate the bowels, and give rest to the mother, and health and happiness to the child, operating like magic. It is perfectly safe to use in all cases, and pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States. Sold everywhere. 25 cents a bottle.
