If he were a "patent" fool-killer he might find work in Baltimore. He is a Democratic soldier, hence the dirty fling.

Senator Hampton says there is no truth in the statement that he said as follows in his Staunton speech:

"Consider what Lee and Jackson would do were they alive. These are the same principles for which they fought four years. Remember the men who poured forth their life-blood on Virginis's soil, and do not abandon them now. Remember that upon your vote depends the success of the Dem-ocratic tacket."

DEMOCRATIC HICKORY POLE. FAYETTEVILLE, August 16, 1880. Mr. Editor: Last Friday evening called to view a scene which can only be cherished by true Democrats. At 5 o'clock the stalwart Democrats of the old First Ward of this city could be seen gathering at Flag Pole Square, for the purpose of raising a Democratic pole. At 5:30 o'clock the pole stood 66 feet erect in the air, with a pair of buck horns on its top-the same borns used four years ago. Half past eight o'clock being the appointed time for hoisting the flag, quite a concourse of Democrats had nag, quite a concourse or Democrats had gathered. The flag was drawn up by the venerable old Democrat Hardy Depo, who is characteristic for having arawn up the Polk and Dalies flag of 1846, and the Titlen and Vance flag of 1876. Speeches were delivered by Messrs. R. S. Huske, W. G. Perry, and Capt. E. P. Powers. The pole is heautiful hickory procured from the is a beautiful hickory, procured from the land of Mr. J. W. Clark, in Bladen county,

and through the courtesy of Capt. A. H. Worth and Mr. J. E. Flowers was transported from its woodland home, up the Cape Fear on the steamer Hurt, and donated to the First Ward Club, where it now stands, with a Hancock, Jarvis and Shackelford flag floating from its topmast. Everything points to a Democratic victory in Cumberland in November next.

WINSLOW ?-As this question is frequently saked, we will simply say that she is a lady who for upwards of thirty years has untiringly devoted her time and talents as a Female Physician and name, principally smong children. She has especially studied the constitution and wants of this numerous class, and, as a result of this effort, and practical knowledge obtained in a lifetime spent as nume and physician, she has compounded a Sooth-ing Syrap for children testhing. It operates like magic giving rest and health, and is moreover sure to regulate the bowels. In consequence of this ar-ticle Mrs. Winslow is becoming world remowned as a benefactor of the race; children certainly de arms ur and bless her; especially is this the case in this dty. Vast quantities of the Soothing Syrap are patter sold and used here. We think Mrs. Winalow has immortalized her name by this invaluable arti-cle, and we sincerely believe thousands of children have been saved from an early grave by its timely use, and that millions yot anborn will share its benefits, and units in calling her blessed.
