THE SEQUOIA CENTENNIAL CELEBRATION—FIRST DAY'S PROCEEDINGS—THE PROCESSION, &c. (By Telegraph to the Morning Star.)

BALTIMORE, October 11.—The grand procession, which was composed of ten divisions, began its march at the intersection of Broadway and Canton avenue, at 9:30 A. M. It was headed by a platoon of mounted police and eighteen carriages, in which were the mayor of the city and other municipal authorities, clergy and orators of the day, escorted by 250 mounted aids. The first division was composed of employees of the Baltimore & Ohio Railroad Co., seven thousand men in all, uniformed in caps with white tassels, blue shirts and black pantaloons. Every phase of the railroad's history and development was illustrated by a float, bearing an animated tableau, and every department was represented by workers engaged in their respective employments. This display of this Company was the grand feature of the procession.

The remaining seven divisions were taken up with representations of the various manufactures, trades, etc. Each division comprised hundreds of wagons and thousands of men. The head of the first division moved at 9:30 A. M. and it was after 3 o'clock when the last wagon passed.

The celebration to-day has in every respect far exceeded anything that it was supposed Baltimore could possibly do. The city tonight is ablaze with electric and calcium lights, and the City Hall and Washington monument are brilliantly illuminated with thousands of gas jets. At this hour, 10 o'clock, no serious accidents are reported.

THE CRUISE OF THE CUTTER CORWIN—NO TIDINGS OF THE JEANETTE, &c. (By Telegraph to the Morning Star.)

SAN FRANCISCO, Oct. 11.—The Call of this morning publishes an interview with Lt. Jno. Wyckoff, of the U. S. Revenue Cutter Corwin, who has arrived here on the steam whaler Mary and Helen, in twenty-one days from the Arctic Ocean. The Corwin made trips to Herald Island without being able to land on account of ice. She has traversed the Arctic waters in every direction between Point Barrow and Herald Island, without gaining any intelligence of the Jeannette. The cruising whalers were unable to reach Wrangle Land, for which land the Jeannette was headed when last seen. Another attempt will be made to reach Herald Island before the close of the season. The schooner Loloita was seized at Fort Hope, August 29, for violation of the revenue laws, and Lieutenant Wyckoff put in charge. On September 4th she went ashore on the north side of St. Lawrence Island and became a total loss. On September 12th Lt. Wyckoff made a voyage by which he found the Mary and Helen, and took passage upon her for this port.

THE EPISCOPALIANS. THE REVISED BIBLE—REPORT ON CHRISTIAN EDUCATION, &c. (By Telegraph to the Morning Star.)

NEW YORK, October 11.—In the House of Deputies of the Protestant General Convention this morning, Rev. Dr. Johnson offered a resolution providing that a committee composed of three bishops, three clergymen and three laymen be appointed to examine the new (English) revision of the Bible, and report whether such revised Bible shall be adopted in the authorized version of the Church.

The report of the Committee on Christian Education was made by Rev. Dr. Cooper, of Central, Pennsylvania. It recommends the maintenance of parochial schools of various grades commensurate with the demands of the age, and sends of the people in science, literature and art. This includes the idea of securing such endowments as will give prominence and enable church schools to compete successfully with others in the matter of charges. The report and suggestions were adopted.

Horsford's Acid Phosphate in Dyspepsia. I believe Horsford's Acid Phosphate is a valuable remedy in many cases of Neurasthenia and Dyspepsia. C. C. HIGGINS, M. D., Chicago, Ill.

OFFICE OF COMMONWEALTH DISTRIBUTOR, COURIER-JOURNAL BUILDING, Louisville, Ky., Sept. 24, 1880.

In direct violation of an agreement with Ex-Postmaster General Key, ordering the delivery of Registered Letters and the payment of money thereon to the undersigned, pending the litigation in the United States Supreme Court, the Third Assistant Postmaster General has seen fit, in the absence of his superior, to set aside said order. The grounds upon which he justifies this action are, that all letters in Kentucky have been reported, and that it is illegal, and being illegal, are necessarily forfeited, when, in fact, the Louisville Letter Company, has never been reported, and yet the Post Office authorities have proceeded to issue orders in violation of the agreement with Ex-Postmaster General Key, and in violation of the law. Legal action will at once be taken by this company, and, until further notice, correspondents are requested to send all remittances by plain letter, and not by registered letter.
