WEST VIRGINIA DEMOCRATIC-OHIO AND INDIANA CLOSELY CONTESTED -COMPLETE RETURNS NECESSARY TO A DECISION.

[By Telegraph to the Morning Star.] OHIU.

CINCINNATI October 12 .- The report that Gov. Foster has ordered the militia to take charge of the polls in Hamilton county is based on the fact that Mayor Jacobs cailed on the commander of the militia to hold his to do with it.

COLUMBUS, 6.30 P. M. - The polls closed all over the State at 6 o'clock, and all advices and indications at this hour are that one of the heaviest votes has been polled in the history of the State. In 1879 the total vote was-Foster, Republican, for Governor, 336,261; Ewing, Democrat, 319,132; Pratt, Nationalist, 9,072; Stewart, Prohibitionist, 4,145. Foster's majority over all was 3,352; plurality 17,129. This year the comparison will be made with the figures for Governor in 1879, the vote on the Supreme Court Judge being used for that purpose. The Greenback vote will not be considered in this comparison. There are 1,869 precincts in the State, and it is expected that nearly three-fourths of them will be heard from by 1 o'clock to-night. The first return was made from Green Camp township, Marion county, which gives Mc-Ilvaine 177, Follett 164; a Republican gain

The Republicans claim the election of the entire county ticket in Cincinnati by 3,500 majority, and both Congressmen; also, the State. The Democrats concede the county ticket by 3,500.

CINCINNATI, October 12. - The vote polled to-day is 20 per cent. larger than ever before. In the afternoon a number of slight disturbances took place at the polls, but except in one instance the police were able to preserve order. That was in the Eighth ward, where the Republicans asked the aid of the police to give them equal chances at the polls. Two men assaulted a policeman and tore his cloths. He called for belp and the men were arrested, but the crowd overpowered the police and rescued the men. Further reinforcements of police were called, but by the time they arrived quiet was restored.

COLUMBUS, Oct. 12, 9 P. M.-Returns are coming in a little earlier than usual, and the gains although hitherto favorable to the Republicans in most precincts have not been uniformly so, and it is noticeable that where there has been a Democratic increase it has usually been very marked. It seems to be a fact that the Republican gains have been chiefly in sections already Republican and that the Democratic gains have come chiefly from Democratic sec-

Returns from 29 precincts in Hamilton county show a net Democratic gain of 467. This is nearly one-third of the county and indicates a net Democratic gain of 1,300. This would still leave a Republican majority in the county of 2,400.

Columbus, Oct. 12.-At Republican headquarters claims are now made that their majority in the State will be considerably over 20,000. At Democratic headquarters returns have been received which up to this hour give the Democrats a net gain of over 500 in the State. At the latter place a comparison is made upon the vote for Secretary of State. The present Republican gains may not improbably be dissipaled as the returns come in from the remote counties, which are generally Dem-

COLUMBUS, October 12, 11.30 P. M .-Returns from the city are very slow coming in, and only one ward is complete at this hour. The first ward gives 156 Republican majority, which is claimed as a con-siderable Republican gain, although no defiinte figures can be given, owing to redistricting. From outside the city, the returns continue to steadily increase the Republican gain, with the exception of those from Hamilton county, where, as shown by all the returns received up to the present time, there was a gain for the Democrats in nearly every precinct. This does not tally with the earlier reports of Hamilton county having given an increased Republican majority. Just one-quarter of the whole number of precincts and townships in the State are now in, and the net Republican gain is 2,364. If the proportion holds good the Republican gain in the State will be nearly 10,000 and McIlvaine's majority over Fallett for Supreme Court Judge will be about 27,000. Although the Republicans are sanguine of reaching that figure, the Democrats have not given up their claim of carrying the State, and it seems likely that later returns will somewhat diminish the heavy and unlooked for gains which the Republicans have been making. A dispatch from Cleveland states that

Hard is probably elected to Congress. A dispatch from New Lexington, Ohio, says four townships in Perry county give a large Democratic increase.

New York, October 12-Midnight .-The Herald's Columbus special says: The Democrats concede Ohio by 3,000 majority. Columbus, October 12-Midnight.-No definite returns have been received at either Republican or Democratic headquarters, nor by regular sources as to the complexion of the next Congressional delegation from Ohio. The Democratic State Central Committee make no estimate or prediction. Chairman Nash, of the Republican Committee says that it is now likely that the Republican majority on the State ticket will insure the election of 13 and possibly of

NEW YORK, October 13.-The following dispatch was received at the National Democratic headquarters from Columbus, Ohio, at midnight: Twelve townships in Noble county, 7 in Morgan county, 10 in Perry county, and 4 in Muskingum county, have given an average Democratic gain of 9 per cent. over Foster's vote in 1879.

15 Republican Congressmen.

Columbus, October 12, 12:20 A. M.-Chairman Nash has just received a tele- and spread to the scenery and roof with gram to the effect that James B. Rice, Re- incredible capidity. The loss is not yet publican, is surely elected to Congress in known, but heavy. This theatre was dethe Tenth district, which is a Republican stroyed about three years ago, having been

COLUMBUS, October 13, 1 A. M.-G. T. Williams, Superintendent Western Union Telegraph Company, and who has supervised the collection of election returns in Ohio for the past two years, is of opinion that the Republican majority on the State ticket will be about the same as last year.

CINCINNATI, Oct. 13, 1 A. M.—Returns still indicate Democratic gains in a majority of the precincts, but the Republican majority in the county will be over 2,000. The Democrats concede that not a man on their ticket is elected.

#### INDIANA.

WASHINGTON, October 12 .- A dispatch from Indianapolis to the correspondent of the Cincinnati Enquirer claims the election of Landers and the whole Democratic State ticket.

election passed off quietly and no distur- witnessed in Baltimore.

bauce had been reported from any quarter when the polls clused at 6 o'clock. The vote polled is very large, but there is nothing to indicate the result as yet. In this city there was considerable scratching on the candidates for Governor and Congressmer. Comparisons on the returns will be made WEDNESDAY MORNING, Oct. 13, 1880 with the vote for Governor in 1876. The ticket has twenty names and no counting is done until after the close of the polls. CHICAGO, October 12 .- A La Fayette,

Indiana, dispatch says that the election passed off quietly, every precinct polling the largest votes ever given. The Republicans have increased their gains in every ward. Tippecanoe will give Porter 800 majority. The Democrats concede Orth's election in the district.

RICHMOND, October 12.-Every voter in Wayne county has deposited his vote. The indications now are that the Republicans have carried the county by about 3,200, a gain of 700.

NEW YORK, Oct. 12 -A dispatch received at Democratic headquarters from Indianapolis, says there are light Demothe Democrats carried the State by 5,000 majority.

SOUTH BEND, Oct. 12 -St. Joseph county, including this city, has all been troops in readiness, in case of a riot. This heard from, except three townships. Por-has been done. The troops reassembled in the armory. The Governor has had nothing Congress, has 450.

NEW YORK, October 12 - A dispatch from Indianapolis says the Southern Indiana reports Democratic gains. A dispatch from Richmond, Ind., says the vote of that county indicates a majority

for Porter in the State of 10,000. Indianapolis, October 12 .- At midnight the indications are that Porter, Republican, is elected by 1,000 majority. The Demo-crats do not concede the defeat of Landers, but say the vote will be close, and claim the balance of the State ticket. One hundred precincts heard from show Democratic gains of 281 and Republican gains of 909, a net Republican gain of 628.

Indianapolis, Oct. 13, 1.33 A. M.—One hundred and fifty-five voting places give a Democratic vote for Governor of 20,182, Republican 21,925, National 846. The same towns in 1876 gave a Democratic vote of 19,673, Republican 20,488, National 421; a Democratic gain of 509, Republican 1,-437; net Republican gain 928.

The whole Republican State ticket is un doubtedly elected. Indianapolis, October 13, 12.30 A. M .-One hundred and fifty townships heard from give a Democratic vote of 14,293, Republican 15,510, National 515. The same towns in 1876 gave a Democratic vote of 13,946, Republican 18,489, Na-

tional 224; Democratic gain of 345, and a Republican gain of 1,022. CHICAGO, October 12.- A dispatch from Indianapolis says that as the election proceeded it was evident that Landers was quietly but industriously ecratched.

Indianapolis, Oct. 12, 11.55 P. M .-Reports from 85 towns give Republican gains of 470. With the same vote of gains in the State the Republicans would have a plurality for Governor of 1,000. Warsaw, Ind., gives a Republican majority of 345, a Republican gain of 100.

WEST VIRGINIA. WHEELING, October 12, 10.10 P. M. West Virginia polled a heavy and increased vote. The Democratic majority is largely reduced. Considerable scratching was done. WHEELING, Oct. 12.—Returns from the State come in slowly, and there is nothing as yet which indicates clearly a change from last year's vote. Returns from several precincts in this city and county indicate that the Republicans have made decided gains, and all indications point to a largely increased vote throughout the State.

Press Comment. NEW YORK, October 12.-The Herald says the vote is so close in both Ohio and Indiana that complete returns will not be attainable for a day or two, but the details at hand show such Republican gains in both States as denote a decisive Democratic

THE BURNING OF THE ACADEMY OF MUSIC.

[By Telegraph to the Merning Star.] Спісадо, Oct. 12.—At 10 o'clock this forenoon a fire broke out in the Academy of Music, a beautiful West side theatre and before the flames could be controlled the entire interior of the building was destroyed. When the fire had been burning a little more than 15 minutes a crash was heard and a portion of the roof on which were a number of firemen, fell in, creating terrible consternation. It was found that some of the firemen had saved themselves by clinging to a portion of the roof which had not fallen. Nine firemen received more or less severe injuries. The fire originated among the flies back of the stage the leading place of amusement in this city after the great fire, until the South side was built. Nearly \$20,000 were spent in re-
