thirteenth year and twenty-fifth volume. One of the best conducted and edited papers in the South, and, as a North Carolinian, we are proud of it.— The STAR is so well and favorably known in this

section of the State that we can say nothing of which its thousands of readers do not already know. It is in every respect one of the best dailies in the South. - Robesonian. The Wilmington STAR has entered on its twelfth year. It is a most excellent newspaper, well edited a compendium of all the news of the day, and an honor to its city, to North Carolina and to North Carolina journalism.—Charlotte Observer.

That magnificent beaming STAR has completed its twenty-second volume. It is one of the most brilliant, erudite and sparkling dallies south of the Potomac. The system in the get up of the paper surpasses them all.—Tarboro Southerner.

The Times cannot say a word too good for the Wilmington Star. It has just reached one of its many birthdays, As a newspaper it is a favorite with the State press and is sought after by the people. Long and prosperous life to it.—Reidsville Times.

Why is it that all the papers with the name of Star are such bright little journals? The Wilmington (N.C.) STAR, the Washington Star, Fredericksburg Star, New York Star, for example There must be something in a name after all —Richmond (Va.) State.

The Wilmington STAR, we are pleased to notice, still continues on the high road to success. We esteem the STAR very highly, regarding it as one of the very best of our exchanges, and consider it the peer of any journal published in the South.—Oxford Free Lance.

The Wilmington Star is now taking the regular midnight Associated Press reports, and has besides increased the amount of its reading matter. The Star is an excellent paper. Its prosperity is not surprising since it is so descrying.—Charlotte Observer. THE MORNING STAR, one of the best dailies we

our exchanges, and its editorial department is conducted with much ability.—Morganton Blade-Humble in its beginnings, as was inseparable from an enterprise begun amid the wreck of fortune that attended the collapse of the Southern Confederacy, the STAR has steadily 'waxed' until it now beams resplendent in the full glow of a constantly brightening prosperity. As a newspaper it has few equals, and no superior, for appropriate selection and judicious arrangement, and we are proud to rank it among our most acceptable exchanges.—Hillsboro Recorder.

The Wilmington Monning Star has entered upon the thirteenth year of its existence, and we take this opportunity to congratulate it upon its prosperity and deserved popularity. The remarkable success of the STAR is due to its strict attention to business. The boast of the STAR (rightfully too), is that it always has the news, and this is the first thing in journalism. Otherwise the paper is all thing in journalism. Otherwise the paper is all that the term of "good newspaper" implies, and its corps of editors and reporters are thoroughly educated newspaper men. May the healthful, moral influence of the Star never be retarded, and may its genial, enterprising proprietor enjoy many more happy years of usefulness.—Goldsboro Messenger.

From 1845 to 1858 we manufactured Gias at Columbus, Ga., under the firm name of E. T. TANLOR & Co., afterwards Chemons, Brown & Co., and made what was then known as the Taylor Gin. During the year 1858 we removed to this place, where we have been exclusively engaged in manufacturing Gias ever since. With long experience, the best labor saving machinery and skilled work men, we possess advantages not enjoyed by any other manufacturer in our line, for producing the BEST work for the LEAST money.

The demand last year was so great that nearly 800 orders remained unfilled, but we have doubled our manufacturing capacity and hope to be able to meet all demands, still it is the wisest plan to got your orders in early.
