cotton quiet and steady at 10

When two New Yorkers meet now they immediately begin "horse talk." It is not C. and P., but Iroquois that engages them.

Conkling has sent Mahone a dispatch of encouragement. This must prove very lonesome music to little Billy's disturbed and bardened soul

The Austrian Government has prohibited the introduction of American Can it be that the Emperor has heard of the end effects of the cornet in the great pig centree?

Carl Schurz has a philosophical and historical novel in press. It is to be called "Max's Undersoul." to no better than most historical and philosophical novels are, it will prove very dreary reading.

As the summer heat approaches we mention, by way of reminder, that Whittaker's care are still on trial. Chamberlain, of fragrant South Caroins memory, was splitting the cars of the court when we last heard from

Here is another item that shows the growing discontent among the laborers in the North. Three hundred steamer firemen and coal passers struck in New York on Tuesday. They demand higher wages. Others rapt attention by the large crowd are preparing to follow suit.

The Northern papers have turned for a day from the exciting theme of Lord Roscos and Tommy Platt to consider Iroquois and the Yankee at the Derby. Well, a change is a good thing to have, even in the matter of a newspaper or your wardrobe.

Whilst Iroquois kept old Leamington's memory green by his exploits at the Derby, on this side of the great deep two others of his colts bore off the stakes at Jerome Parki Girofe won the Fordham Handicap Sweep Stakes, fifteen horses running, and Onondago

Badeag has ruined his life of Grant, it seems. It is more of apology than an sulogy. - Augusta Chro-

tees of the N. C. College decided at their meeting this week to introduce a normal it is more an imitation of Gulliver's Travels or Baron Muschausu's versaious memoirs than it is of Stubbe or Freeman.

That was a very good speech some one fixed up for Gen. Mahone. It reads well. It appounces some important political areaha, but in view of the speaker's late record, it does look a little like Satan quoting the Scriptures. For a repudiationists and a traiter to his party to month | tion. tice sentiments of high political mo-

The University Commencement.

Raleigh Visitor June 3d.

The commencement exercises

the University yesterday were of a

very interesting character. The

speech of Senator Ransom was an

able effort and was listened to with

present. Among the prominent is-

dies from other States were the Misses

Buford, of Richmond. Virginia.

On the platform were Senator Z. B.

Vance, Rev. Dr. Patterson and other

distinguished gentlemen. The hotels

are crowded to their utmost capacity.

The commencement bids fair to sur-

pass all others ever held there. The Rev. Dr. Broadue was to preach the

Baecalaureate sermon in the after-

noon. The Historical Society held

their meeting in the afternoon. The

crowd to-day is expected to be

organization and grading of schools. - Statesville Landmark: On last Wednesday evening was delivered the commencement address and occurred the graduating exercises at Simonton Female College. The address was by Rev. D. E. Jordan, of Henderson, Granville county. His subject was Female Beauty, and he handled it in such a manner as to hold the

- Wadesboro Times: Luke Polk, colored lad of about ten years of age,

American pride. The report promses to be highly instructive. The

Washington Post, referring to what - Franklin Reporter: It becomes our painful duty to announce the death of

- Charlotte Observer: This probibition business just squeiches the "old-est inhabitant." He is utterly unable to rise up and tell bystanders how it was managed in the dry spell of '28. ___ It may not be a generally known fact that some of the principal machinery manufactured in this city are the inventions of Charlotte men. We propose shortly to give them a more extended notice, which they deserve. We will here remark that Morth Carolinians are coming to the front in the patent office at Washington as the inventors of useful labor-saving machinery.

- Elizabeth City Falcon: One of the railroad draught herses became frightened before a cart yesterday and ran away. Walcome Lee, the colored driver, was seribly crushed. — Selomon Mendles-see, the little Austrian painter, has shaken our borders in a way to please our people. We notice a very elaborate from Capt. Lyons, including a sewing mastatement of the operations of the which he sold to various parties. He is which he sold to various parties. He is so reported to have gotten into Wood & adsworth to the tune of \$30 for paints.

- Kinston Journal: The wheat There is a long and exhaustive report mere from different parts of the county, of Mr. W. C. Kerr, Geologist of mess, though there is still complaint of ren elsewhere, the case of Mr. Hunter, for burning the records of Lenotr court resulted in a mistrial at Kenansville last week—the jury standing 6 to 6—and it was moved to Carteret. —Swansboro dot: Prohibition is booming down here, our township almost a unit in its favor: A grand mass meeting the 11th of June. The

> - Tarboro Southerner: The rice We rise to say Edgecombe ought to have a rice crop. — Orops are generally free from grass, owing to the continued dry weather. Some are paying for day laborers as much as 75c and board, though this price is by no means general; 50c and per day being about the average. — The Rev. Mr. Walles, new pastor of the Prese byjerian Church at this place, prenched his ner, who was sick. "Lor sis, can't do dat." "Why?" "Kase dey say caster ile is made out'n dead niggers." We passed.

that the sentiment of those living in the lower part of the county, or the majority of them, are against prohibition. How the question stands in many portions of Hall-fax county, we are unable to say, though we believe the county will give a majority sgainst the bill. — "Days Long Ago" is the title of a novelette by Mrs. S. A. Elliett, of Oxford, N. C. She is the author of "Mrs. Elliott's Housewife," This novelette is written to show the difference between the

Ricks Blake, who killed Griffin, at Mayo's plantation, is still at large, and so effects have been made to apprehend him. Such neglectito enforce the laws and hunt the erimes are committed. — Rev. J. E. Carter, of Wilson, lectured at Parker's Hall on Friday evening last; subject—Temper-ance—attendance slim. Eafield township will be decidedly against prohibition when

MEADE & BAKER'S CARBOLIO WASH is a fragrant and delightful Zoilet Article, which has, by its intrinse merits, been introduced. It arrests and destroys the offensive odor caused by decaying leeth, and imparts a fragrent odor to the breath. Used as a remedy it will speedily heal all Bleeding, Spongy, Glorates and Receding Gums. It is unsuspaned as a remedy for Sore Throat, and has been used at Bea with entire success for the cure of Sea Steiness. It is used and prescribed by the Raleigh News-Observer: Sheriff For sale by Druggists. Ap 20 2m cod. Harris' News Stand, and the Stand Office.

Wallace, of Duplin, yesterday brought to the penitentiary Andrew Judge and Moses Swinson, colored, under two years' sen-tence for larceny. The sheriff reports the crop prospects in Duplin as excellent, and that the acreage is cotton is larger than

one of the ablest Baptist ministers in North Carolina, one of the purest and best of men, and for a long time President of the Chowan Female Institute at Murrecaboso, died in the North recently, whither he had gone for health. His remains were interged at Wake Forest on last Saturday,

O. Scarborough has employed Mr. Alex.
Graham, principal of the Fayetteville Graded School, to visit the normal schools recently established at Wilson, Efizabeth City, Newton and Franklie, and deliver lectures to the teachers on the dis

attention of a large audience from begin-ning to end. It was a chaste, elegant and intertaining effort.

a colored lad of about ten years of age, while playing with some of his companions last Friday, fell into the ditch on the edge of the sidewalk and broke his thigh. — Rev. Leonard Fuller, colored, fell dead yesterday morning at Bandy Ingram's boarding house. It seems he had gone there to see a sink child, was just about to go up the stairway, when he fell to the floor and in a few minutes was a

pletely upset all preconceived dottons and

A legal gentleman of this city related to ne yesterday a somewhat singular circum-stance. He says himself and family were conversing an evening of two since, when the subject of hirthdays was introduced by one of the children. It was then desired to linew on what particular day of the week each member of the family was born, and each was questioned in turn, with the following remarkable result: The family consisted of hix persons, the gentleman his wife and four children. One was born on Monday, another on Tuesday, another on Wednesday, another on Thursday, another on Friday, and the sixth on Saturday After the stir created by this singular discovery had a little subsided, one of the little ones sings out, "Now I'll go into the she was born on !" She did so, and it was found to be an actual fact that the cook came into the world on Sunday, which trade the number seven, or one birth-day for each day of the week. In there another family that can show a like result?

A correspondent of the Kinston Journal, referring to the trial of Wm. W. N. Hunter duty, yet special mention might, in all fair trial was about to commence. Jet he was a stalwart among stalwarts in the fight. He was quick, alert, ready on points of evidence, unfivalled in search of cross exemstarnation and terror, like sharp Damascus thei whee crossing areords of imp or infer
