IRON Profession, and recommended by them for Bys-Profession, and recommended by them for Bys-pepsia, General Reblitty, Fernale Dis-pepsia, General Reblitty, Nervous Pros-tination, Convoluteence from Fovers and Chronic Chills and Fever. Itserves

Every purpose where a Toxic is necessary. The following is one of the very many testimonials we are receiving daily:

Gentlement:—Some three months ago I began the use of Dr. Harter's Iron Tonic, upon the advice of many friends who knew its virtues. I was suffering from general debility to such an extent that my labor was exceedingly burdensome to me. A vacation of a month did not give me much relief, but on the contrary, was followed by increased prostration and sinking chills. At this time I began the use of your Iron Tonic, from which I realized almost immediate and wonderful results. The old energy returned and I found that my natural force was not permanently abated. I have used three bottles of the Tonic. Since using it I have done twice the labor that I ever did in the same time during my illness, and with double the ease. With the tranquil nerve and vigor of body, has come also a clearness of thought never before enjoyed. If the Tonic has not done the work, I know not what. I give it the credit.

Also gratefully yours.

SALEM, N. C.

THIS INSTITUTION COMMENUS ITSELF TO the public as a notably pleasant and safe home and high class school for girls and young women.

It has during the past few years been greatly improved. Its remonance Amanements have been remodeled and its standards advanced. It now offers all the advantages of similar institutions of the highest gride. A large number of instructors is employed, and painstaking instruction is guaranteed. It offers a liberal linguish, or English and classical course for graduation, and under its new administration has already graduated (with diplomas) four very promising classes.

administration has already graduated (with diploms), four very promising classes.

The Downsend Assissments of the Academy have latterly been readapted to secure to its resident pupils the largest measure of comfost and convenience. Bight resident leachers are centinually in charge, and give special attention to the cultivation of correct manners and habits in growing girls. Systematic and enlightened labysical culture and care of health are prominent features in the improvements recently perfected.

Buceptional facilities are offered for the study of Music. The results of practical work in its Music Repattment, during the past few years, would warrant the Academy, in the Judgment of competent critics, in inviting companion with any other amplies institution in the South. A two to three years Graduating Course (with diploms) has quite recently been introduced.

Special stantion is directed to the advantages now also obtainable in the Department of Drawing and Parameters, which has been reorganized and placed in charge of a lady of special ability and superior training. A high standard of excellence will be maintained and the best methods observed.

Notices of the Press:

The STAR is decidedly one of the best papers in the State, as bright and newsy as ever. Long life to it.—Salem Press. The Wilmington STAR has entered on its twelfth rear—as good a paper as any people should want.

-Charlotte Democrat.

The Wilmington STAR has entered on its twelfth year. As a daily journal of news it stands "up head."—Concord Register. The Wilmington STAR has entered its twenty-fifth volume. There is no better paper published in the State.—Lenoir Topic. The Wilmington STAR has entered upon its thirteenth year. It is one of the best papers in the State. - Warrenton Gasette 1

The Wilmington STAR has entered its thirteenth year. It has become one of the leading papers of the South.—Oxford Torchlight. The Wilmington STAR is not only one of the best edited papers in the State, but for freshness of news and typographical appearance cannot be beaten.—Jackson Reporter.

The Wilmington STAR is one of the very best papers in the South, in every department from typography up to editorial ability as d independence.—

Petersburg (Va.) Index-Appeal.

We like the STAR because it is thoroughly reliable, candid, fearless, and so well and ably edited, newsy, spicy, and in fact a perfect newspaper, Long may the STAR twinkle.—Mt. Airy Visitor.

Although at the head of the press in this State in all that makes a paper valuable to the reader, still it continues to improve. It is a STAR of the first magnitude. May its lustre never wane.—The Free Will Baptist. The Wilmington (N. C.) MORNING STAR is a model newspaper. Indeed, we think we do not exaggrate its merits when we say it is the newsest (secular) paper published in the South.—Richmond (Va.) Religious Herald.

The Wilmington STAR has now entered upon its thirteenth year and twenty-fifth volume. One of the best conducted and edited papers m the South, and, as a North Carolinian, we are proud of it.—
Turboro Southerner.

The STAR is so well and favorably known in this section of the State that we can say nothing of which its thousands of readers do not already know. It is in every respect one of the best dailies South. - Roossonian.

The Wilmington STAR has entered on its twelfth year. It is a most excellent newspaper, well edited a compendium of all the news of the day, and an honor to its city, to North Carolina and to North Carolina journalism.— Charlotte Observer. That magnificent beaming STAR has completed that magnificent beaming STAR has compressed its twenty-second volume. It is one of the most brilliant, erudite and sparkling dallies south of the Potomac. The system in the get up of the paper surpasses them all—Tarboro Southerner.

The Times cannot say a word too good for the Wilmington STAR. It has just reached one of its many birthdays. As a newspaper it is a favorite with the State press and is sought after by the people. Long and prosperous life to it.—Reidsville Times.

Why is it that all the papers with the name of Star are such bright! ittle journals? The Wilmington (N. C.) STAR, the Washington Star, Fredericksburg Star, New York Star, for example. There must be something in a name after all—Elchmond

The Wilmington STAR, we are pleased to notice, still continues on the high road to success. We esteem the STAR very highly, regarding it as one of the very best of our exchanges, and consider it the peer of any journal published in the South.—Oxford Free Lance.

The Wilmington STAR is now taking the regular midnight Associated Press reports, and has besides increased the amount of its reading matter. The STAR is an excellent paper. Its prosperity is not surprising since it is so deserving.—Charlotte Ob-

THE MORRING STAR, one of the best dailies we know, and as a newspaper, in our opinion, the very best, has entered upon its twelfth year. In every particular the STAR comes fully up to the mark as the principal daily in our chief commercial city. Long may it twinkle,—Alamancs Glesner. The Wilmington Stan has entered upon its 12th volume, and we are pleased to notice still continues on the road to success. We esteem the Stan very highly, regarding it as one of the very best newspapers that comes to this office. Its news columns are always a little fuller than those of any other of our exchanges, and its editorial department is conducted with much ability. In the content of the conducted with much ability. Its conducted with much ability.

Humble in its beginnings, as was inseparable from an enterprise begun amid the wreck of fortune that attended the collapse of the Southern Confederacy, the Szan has steadily "waxed" until it now beams resplendent in the full glow of a constantly brightening prosperity. As a newspaper it has few equals, and no superior, for appropriate selection and judicious arrangement, and we are proud to rank it among our most acceptable exchanges.—Hillsboro Recorder.

The Wilmington Monarus Star has entered upon the thirteenth year of its existence, and we take this opportunity to congratulate it upon its prosperity and deserved popularity. The remarkable success of the Star is due to its strict attention to business. The boast of the Star (rightfully too), is that it always has the news, and this is the first thing in journalism. Otherwise the paper is all that the term of "good newspaper" implies, and its corps of editors and reporters are theroughly educated newspaper men. May the healthful, moral influence of the Star never be retained, and may its genial, enterprising proprietor enjoy many more happy years of usefulness.—Goldstore Massenger.
