TURKISH BATH SOAP.

Can't say exactly, but it looks like it might be auywhere from 35,000 to 50,000.

Even the Tory papers admit Mr. Gladstone's consummate leadership and rare combination of great gifts.

One P. W. Crowe, a hot-brained Fenian, is the designer of the torpedo boat at New York, intended to blow up the entire English navy.

Pedestrian Gale is still at it. He has made 5,201 quarters of the 6,000 pro posed. He is in excellent plight, but is having a rather lonesome time of it.

A leading French paper says the Germans have \$3,000 more soldiers and 523 pieces of cannon more than France has. It is best to be good neighbors.

The First Comptroller of . the freasury comes to the relief of Senstors and others until Congress Ile decides that the United meets. States Treasurer is general disborsing officer.

The STAR thermometer, which has been tested with Signal Office instruments, recorded as follows this week Monday 1, 82 degrees; 2, 834: 2, 88; 4, 88. It is not so very, very hot after all.

Since Robinson took charge of the New York Custom House, the throng of applicants is so great that it is impossible to transact the public business. The "Half Breeds" are hungry, not to say famishing.

Yesterday was a swelterer. And yet cruel Vennor was mean enough to assure us that it would be cool, and nights fall-like. It was very fall-like when you could almost hear the perspiration roll off you on the floor.

A Dr. Tachmyntis has been sending threatening notices to Attorney General MacVeagh and others. He is now enjoying his grub at the Washington work house, where he will make himself useful for thirty days.

There are 38, States. In all there

Here is a healthy looking paragraph we find as a special from Washington in the Baltimore American, Republican. It shows how ugly is the Republican record. But

"Recent developments show that bales. instead of a million and a quarter dollars, it will take nearer nine mil-
