THE ELECTION.

Returns from the States Voting Yesterday-A Quiet Day and a Light Vote Polled in Most of Them-Close Contest in Virginia-Rioting in Mississippi-Democrats Shot Down at the

Virginia.

RICHMOND, Nov. 8.—The election in this city is progressing quietly. A heavy vote is being polled, nearly 6,000 votes having been cast up to 2.30 o'clock. The colored vote here is almost solid for the Readjuster or coalition ticket. Only meagre reports have been received from other points in the State. In the cities of Petersburg (Cameron's home), Lynchburg (Daniel's home), and Fredericksburg, and the counties of Caroline, Chesterfield and Hanover, a large number of negroes are reported to have voted the Democratic ticket. No reliable returns, however, can be obtained until after the vote is counted. Leading men on both sides in Richmond express confidence in the success of their respective tickets.

ALEXANDRIA, November 8.-Daniel carries the city by 314 majority, and Stuart, Democrat, for the House of Delegates, has RICHMOND, Nov. 8.-Up to 9.30 P. M.,

sixty-one voting precincts in the State give John W. Daniel, Democratic candidate for Governor, 10,480 votes and Wm. E. Cameron, Readjuster, 8,725. The gains and losses will be estimated upon the Presidential vote of last year, combining the Read-juster and Republican vote against the Democratic vote in last November's election. This comparison shows a very small gain for the Democrats in the precincts heard from. The Democrats will have to overcome 19,000 votes in the State to elect the

The city of Norfolk gives Cameron 453 majority, a Readjuster gain of 39. Danville gives Cameron 42 majority, a Readjuster gain of 256. In Staunton, Daniel's majority is 368, a Democratic gain of 52. Fredericksburg gives Daniel a majority of 322, a Democratic gain. Manchester gives Cameron a majotity of 755, a Readjuster gain of 338. Lynchburg gives Daniel 984 majority, a Democratic gain of 493.

PETERSBURG, November 8.—The city is alive with excitement to-night, though the State election here to-day passed off in a quiet and orderly manner. The total number of votes cast in the different wards of the city for Cameron, Readjuster, for Governor, is 2,171, for Daniel, Democrat, 1.187. Returns as far as received from the adjacent south-side counties, give the Readjuster ticket a large majority. New York.

NEW YORK, November 8.-To-day is observed as a close holiday, all the banks, exchanges and down town offices being closed. The Custom House was only open an hour. The election is proceeding very

In Brooklyn there is a very animated contest, but good order reigns at all the polling places so far. All the interest of the election is centred in the mayoralty contest, and the signs at noon are that there will not be fifteen hundred majority either way. Low, Republican candidate, is polling a big vote in the more aristocratic wards, but in the strongholds of the Democracy Howell is reported to be holding his own. The Germans are favoring Howell, and if he pulls through he will have to thank them. Ex-President Grant and ex-Senator Conk-

ling walked to-day through the ninth congressional district, presumably in the interest of W. W. Astor, Republican candidate for Congress.

President Arthur remained in his house during the day, attending to private correspondence. He failed to cast his vote today, as he did not arrive in the city in time to register.

NEW YORK, November 8, 9.45 P. M.-Reports received here from all parts of the State, to this hour, indicate the success of the Democratic State ticket by not less than 75,000 majority. In Onondoga county the well-known Republican, T. G. Alvord, admits his defeat for re-election to the Assembly.

Returns so far received give Flower, Democrat, a majority over Astor in the Eleventh Congressional District, showing that the latter is beaten by nearly 2,000. A dispatch from Brooklyn concedes the election of Seth Low, Republican, for Mayor, by a small majority.

One hundred and twenty-six towns outside of New York and Kings county show a Republican majority of 8,035, and a net Democratic gain of 7,124.

Pennsylvania. PITTSBURG, November 8.—The election

passed off quietly. Little interest was manfested and a very light vote was polled. Bailey, Republican candidate for State Treasurer, it is estimated, will have 5,000 plurality over Noble, Democrat. New Jersey.

TRENTON, November 8.—The indications are that the vote has been light all over the State. It rained during the forenoon at intervals, and the roads are in a bad condi-

NEWARK, November 8 .- Essex county elects Wm. Stainesby, Republican, Senator by 70 majority, over Teese, Democrat; also, seven Republican Assemblymen and five

Massachusetts.

Boston, November 8.—The vote in this State has been unusually light, reports from all points indicating little interest in the election. As an indication of the apathy among voters returns from 35 towns which gave Long last year 16,400 and Thompson, Democrat, 9,711, show but 9,478 votes for Long and 4,259 for Thompson. The Traveller says that the vote of Boston, with three precincts to hear from, is: Long, Republican, 15,380; Thompson, Democrat, 12,471. The same authority estimates that Gov. Long is elected by from 25,000 to

Wisconsin.

MILWAUKEE, Nov. 8.—Returns up to 9.30 o'clock indicate a very light vote all over the State. Milwaukee city and county gives Rusk, Republican for Governor, 255 majority, while Falk, Democratic candidate for State Treasurer, runs over 3,000 ahead of his ticket, and there is a fair possibility of Falk's election. Eighty-two towns, comprising over two hundred precincts in the State, show a net Democratic gain of 2,550. The Republican State Central committee, at this hour, claim the State by 10,000 majority.

Mississippi. MERIDIAN, November 8.-Four white men were killed and two severely wounded by negroes to-day, at Marion Station, in this county. The negroes opened fire on the whites at the polls, while the election was going on. The whites had no arms to defend themselves with, and consequently none of the negroes suffered. One of the

sheriff, with a posse from this place, found about a hundred negroes barricaded in the dwelling house of their leader, Ed. Vance. The posse was fired upon by the negroes as they approached the house. Another body of armed men have gone from here to the scene of the disturbance to assist the sheriff. With this exception the election in this With this exception the election in this county has been quiet and orderly

VICKSBURG. November 8.—No returns from any box in the city are obtainable till a late hour to-night or until to-morrow. The indications are that R. F. Beck, straightout Republican, is elected for sheriff. The Democratic State ticket, and the Warren county fusion ticket for the Legislature, are probably elected.

VICKSBURG, November 8.—The Evening Commercial has the following special from Meridian: "The election here to-day has progressed quietly thus far. At Marion, about five miles from this place, a terrible riot occurred this morning, brought on by a number of vicious negroes, who came armed for the purpose. Three white men are known to be killed and others wounded by negroes, who made their escape on

MERIDIAN, Nov. 8.—The Sheriff's posse, consisting of about one hundred men, surrounded Ed. Vance's house to capture the instigators and perpetrators of the murders at Marion station this morning, and demanded their surrender, which was refused. John Vance, aged 22, a son of Ed. Vance, riding up, pointed a gun at the posse and was shot and killed. A. G. Warren, of the posse, was killed instantly by a shot fired from the inside of the house. Ed. Vance and the negroes escaped. Several negroes, in escaping, were shot at and wounded. Will Vance, aged about 30, a son of Ed. Vance, was captured and lodged in jail. The sheriff re-ceived a slight wound from a spent bullet. Harden Jones, one of the posse, was slightly wounded. Vance and the negroes have fought desperately all day from inside the house, and thus having all the advantage, it was difficult to capture them. The names of the killed at the polls this morning, are A. T. Harvey, Joseph Barnett and Jeff. Segars. Vance Segars was mortally wounded. James Hodges and Levi Moore were wounded, the former seriously, the latter

In the Guiteau case the court refused to postpone the time fixed for the commencement of the trial. Interesting from the Polar Seasland-Observations from a Mountain Top-The Jeannette's Probably Return via Greenland.

[By Telegraph to the Morning Star.] SAN FRANCISCO, Nov. 7.-The steam whaler Belvidere has arrived here, also the whalers Northern Light, Dawn and Rainbow, it appears that the Dawn did not speak the Arctic ship Rodgers, as reported Saturday, but did speak the whaler Pacific, which had communicated with the Rodgers. To-day's direct news is received from the Rodgers, the Belvidere having spoken her September 27th, near Herald Island, steaming South for winter quarters, which she will make probably at St. Lawrence Bay. The Belvidere brought letters from the Rodgers, from which, and from a conversation between Capt. Owen, of the Belvidere, and Lt. Berry, of the Rodgers, the following facts are learned:

Capt. Berry found Wrangell Land to be an island. He sent a party from the Rodgers out in small boats to explore the land They returned to the Rodgers, having gone completely around it. The party also surveyed different parts of Wrangell Island. Capt. Rodgers, after having established Wrangell Land to be an island, steamed 120 odd miles north and northwest, in search of further land, but failed to find any. Capt. Berry ascended a mountain on Wrangell Island, and from the top saw the sea all around it. The season bad been most favorable for the exploration on account of its openness, notwithstanding the stormy weather.

Capt. Owen said that from his observations he would not be at all surprised to hear of the Jeannette coming home by way of Greenland. The commander of the Rodgers intends to send out a sledge party from his winter quarters to explore the coast of Siberia. He expects to leave his winter quarters next June and go as far north as possible.

Rescue of a Boat Load of Shipwrecked Persons-The Murderer of M. Gold Sentenced to be Hung-Strike in English Potteries-Precautions for Gladstone's Safety.

[By Cable to the Morning Star.] London, Nov. 8 .- Another boat, containing twenty-seven persons, from the Dutch steamer Koning der Nederland, which foundered while on her voyage from Batavia to Amsterdam, has been picked up and the survivors landed at Dondrahed. There are four boats with 129 persons still missing. They have now been a month on

the Indian ocean and their provisions must be exhausted. MAIDSTONE, November 8.—The trial of Lefroy for the murder of Gold came to a close to-day. The court room was densely crowded. Lefroy was pale and dejected. Lord Chief Justice Coleridge's summing up for the prosecution was strongly against the prisoner. The prisoner was found guilty and sentenced to be hanged. After sentence had been passed Lefroy protested his

innocence. HANLEY, November 8.-Various towns of the Staffordshire potteries are on the eve of a gigantic strike. The whole of the men in connection with the Operatives' Association have resolved to cease work Thursday unless an advance of wages is granted. The strike will affect 50,000 employes. At a meeting yesterday the employers pledged

themselves to refuse an advance. LONDON, November 8.—Precautions continue to be taken for Gladstone's safety. On leaving Hawarden for London, to-day, he was escorted to the train by two consta-

Regular Monthly Meeting of the Board of County Commissioners. The Board met at Burgaw on Monday, November 7th. Present, Daniel Shaw, Chairman, and

Commissioners Alderman and Corbett. A few persons were relieved from payment of poll-tax and some relief extended to the deserving poor.

In conformity with Section 1st, Chapter 257, Laws 1881, the Board will submit estimates and plans to the Justices of the Peace for the building of a court house and jail.

at an early day.

A great deal of school business was transacted. The attention of the Board was called to the fact that a large number of the school districts in the county were too small, and that it would be almost impossible to collect a special tax for the support and maintenance of schools for the period of four months. All road matters were postponed to the

December meeting. The Board then drew the following persons to serve as jurors at the next term of the Superior Court, to commence on the third Monday (19th) of December: L. H. McClammy, F. H.
